Old Testament Conceptual Metaphors and the Christology of Luke's Gospel Gregory R. Lanier, 2018-08-23

Extensive scholarship has been devoted to Jesus depiction in the Gospels and how such depiction is influenced by the Old Testament Gregory R Lanier presents a new case for the importance of conceptual metaphor arguing that the Gospel of Luke employs certain metaphors reflected in Israel's traditions such as horn of salvation dawn from on high mother bird gathering Jerusalem's children and crushing stone in order to portray the identity of Jesus as both an agent of salvation and more provocatively the one God of Israel Setting his argument at the intersection of three sub fields of New Testament scholarship early Christology the use of Israel's Scriptures in the New Testament and contemporary metaphor theory Lanier suggests ways to overcome the low high binary and perceive the Gospel's Christology as multi faceted Applying metaphor theory to the influence of the Old Testament metaphors on Luke's Christology Lanier adds methodological rigor to the tracing of such influences in cases where standard criteria for quotations and allusions echoes are stretched thin *The Text of the Old*

Testament Ernst Wurthwein, Alexander Achilles Fischer, 2014-11-27 This finely revised and nicely updated version of one of the classics in our field can truly be called a grand introduction to the history of the biblical text Leonard Greenspoon

Creighton University Readers familiar with Wurthwein's earlier work will discover all of the strengths of his approach to Biblical Hebrew Matthew's Presentation of the Son of David H. Daniel Zacharias, 2016-12-01 H Daniel Zacharias presents a literary critical analysis of the Gospel of Matthew and its interaction with Davidic tradition and use of Davidic typology Throughout the narrative the evangelist makes pervasive use of Davidic tradition from the Old Testament in his portrayal of Jesus This begins from the first verse and the declaration that Jesus is the Son of David and culminates in Jesus usage of Psalm 22's Davidic lament on the cross Davidic material is present throughout Matthew in allusion in specific citations in thematic material In addition Matthew makes use of Davidic typology numerous times with David as type and Jesus as anti type Zacharias shows how the use of Davidic material presents to the reader a scripturally grounded redefinition of what it means for Jesus to be the Son of David not as a violent militant leader as some expected but as a physical descendant of David a healing shepherd and a humble king Within the Gospel Matthew utilizes Davidic typology to show how the Son of David even has similar experiences as his royal predecessor Even David's own words from the psalms are utilized as testimony to the legitimacy of Jesus as the Davidic Messiah *The Text of the Pentateuch* Sidnie White

Crawford, 2022-02-07 In the last several decades since the first publications of the biblical Dead Sea Scrolls a revolution has occurred in the understanding of the history of the text of the Hebrew Bible during the Second Temple period The present volume is a collection of articles documenting that revolution written by Sidnie White Crawford over an almost thirty year period beginning in 1990 As a member of the editorial team responsible for publishing the Qumran scrolls the author was responsible for the critical editions of nine Deuteronomy scrolls and the four Reworked Pentateuch manuscripts thus her

work played a critical role in the changing understanding of the textual history of the Pentateuch especially the book of Deuteronomy and the Rewritten Bible texts The author's lifework is brought together here in an accessible format While the majority of the articles are reprints the volume will close with two major new pieces a text critical study of the Deuteronomic Paraphrase of the Temple Scroll and a comprehensive overview of the history of the text of the Pentateuch **Wadi Daliyeh II** Douglas Marvin Gropp, Moshe J. Bernstein, 2001 This volume in the Discoveries in the Judaean Desert series is composed of two sections the first of which contains Aramaic papyri from Wadi Daliyeh written in Official Aramaic the standard language of scribes in the Persian period The papyri are all documentary and contain mainly deeds of slave sales These documents aid us in understanding certain aspects of the society and the formulaic language of the fourth century BCE The second section of the volume contains Miscellanea part 2 from Cave 4 at Qumran Among this group of miscellaneous texts 4Q368 371 provide further insights into the large group of apocryphal and pseudepigraphical texts found at Qumran and should be studied in conjunction with the other volumes containing Parabiblical texts XIII XIX XXII and XXX **The Dead Sea Scrolls in Scholarly Perspective** Devorah Dimant, 2012-01-20 The volume consists of 27 surveys of research into the Dead Sea Scrolls in the past 60 years written by 26 authors An innovation of the volume is that it covers Qumran scholarship in separate countries the USA Canada Israel France Germany Spain the Netherlands Scandinavia Italy and the Eastern bloc Each essay also carries a detailed bibliography for the respective country Biographies of all the major scholars active in the field are briefly given as well This book thereby exhaustively surveys past and present Qumran research outlining its particular development in various circumstances and national contexts For the first time perspectives and information not recorded in any other publication are highlighted *Studies on Jews and Christians in the First and Second Centuries* Peter J. Tomson, 2019-02-11 The present volume gathers up studies by Peter J Tomson written over thirty odd years that deal with ancient Jewish law and identity the teachings of Jesus the letters of Paul and the historiography of early Jews and Christians Notable subject areas are Jewish purity laws divorce law and the use of the name Jews The author also examines Jesus teachings as understood in their primary and secondary contexts the various situations Paul's highly differentiated rhetoric may have addressed and the causes contributing to the growing tension between Jews and Christians and the so called parting of the ways **The Bible and the Dead Sea Scrolls: The scrolls and Christian origins** James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity *The Bible and the Dead Sea Scrolls: Scripture and the scrolls* James H. One or Two Translators? Bryan Beeckman, 2023-12-31 In 1946 Gillis Gerleman proposed a single translator for LXX Proverbs and LXX Job After he launched this hypothesis scholars have either confirmed or debunked this hypothesis Although attempts have been made to come up with an adequate answer to the question of a single translator for both Proverbs and Job scholars have thus far not reached consensus Moreover the attempts that have been made are not at all elaborate Thus the question remains unsolved This book tries to formulate an answer to the question of a single translator for both Proverbs and Job by examining the translation technique and theology of both books The translation technique of both books is analysed by examining the Greek rendering of Hebrew hapax legomena animal floral plant and herb names The theology is examined by looking at the pluses in the LXX version which contain and The results of these studies are compared with one another in order to formulate an answer to a single translator By doing so this book not only formulates an answer to a single translator for both LXX Proverbs and Job but also characterises their translation technique and theology in greater detail

Scribes and Scrolls at Qumran Sidnie White Crawford, 2019-07-02 The discovery of the Dead Sea Scrolls altered our understanding of the development of the biblical text the history and literature of Second Temple Judaism and the thought of the early Christian community Questions continue to surround the relationship between the caves in which the scrolls were found and the nearby settlement at Khirbet Qumran In Scribes and Scrolls at Qumran Sidnie White Crawford combines the conclusions of the first generation of scrolls scholars that have withstood the test of time new insights that have emerged since the complete publication of the scrolls corpus and the much more complete archaeological picture that we now have of Khirbet Qumran She creates a new synthesis of text and archaeology that yields a convincing history of and purpose for the Qumran settlement and its associated caves

, 2022-06-08 This volume presents the main lectures of the 23rd Congress of the International Organization for the Study of the Old Testament IOSOT held in Aberdeen United Kingdom in August 2019 Twenty internationally distinguished scholars present their current research on the Hebrew Bible including the literary history of the Hebrew text its Greek translation and the history of interpretation Some focus on the semantic and syntactic features of the biblical text and its impact on cultural memory while others deal with textual witnesses in the Dead Sea scrolls Ethiopic sources and Arabic translations The volume gives readers a representative view of recent research on the Hebrew Bible Paul and God's Temple Albert L. A. Hogeterp, 2006 Paul addresses his readers as God's Temple in his Letters to the Corinthians which are among the earliest documents of Christianity This volume provides a synthesis of the historical and exegetical dimensions to Paul's cultic imagery Previous theories spiritualisation substitution comparative religions approach cannot stand in view of the analysis of the broader historical context as well as reconsideration of Paul's theological perspective This historical interpretation integrates relevant Qumran texts published since the 1990's insights about the early Jesus movement's Jewish origins and canonical as well as extra canonical Gospels in the discussion about cultic imagery Paul and God's Temple sheds new light on Paul's relation to contemporary Judaism and temple theological traditions while putting Paul's cultic imagery in a rhetorical critical and reader oriented perspective **The Dead Sea Scrolls After Fifty Years, Volume 1** Peter Flint, James C. Vanderkam, 2019-05-09 The Song of Songs and the Eros of God Edmée Kingsmill, 2009-11-26 Modern biblical scholarship interprets the Song as a collection of love lyrics For Edmée Kingsmill on the contrary the essence of the Song is mystical A principal concern of this study however is to uncover the relationship between the 117 verses of the Song and those biblical books to which they point Beneath the metaphors a network of allusions is being woven conveying a picture opposite to that we find in the prophets who confronted with the continual adultery of Israel poured forth their condemnations with

unwearying passion In dramatic contrast the Song presents a paradisaical picture For lo the winter is past the rain is over and gone The flowers appear in the land and the time of singing is come Song 2 11 12 Thus in presenting the ideal the intention of the Song's author is shown to be encouragement The inclusion of this poem in the biblical canon is understood therefore to be central to the purpose of the biblical literature to bring all people to love the God of love The book is in two parts The first and longer part is concerned with themes including the relationship of the Song to the early Jewish mystical literature The second part is a short commentary intended for the reader interested in the text as much as in the related questions to which the text gives rise

Reading the Dead Sea Scrolls George J. Brooke, 2013-10-01 The Dead Sea Scrolls which have long captured the public imagination are now all available in principal editions and accessible translations This book addresses the next stage in their analysis by raising questions about how they should be read and studied The essays collected here illustrate two approaches First some essays argue that traditional methods of studying ancient texts need to be refined and broadened in the light of the Scrolls The volume thus contains studies on text criticism literary traditions lexicography historiography and theology Second the book also argues that innovative methods of study applied fruitfully in other areas now also need to be applied to the Scrolls such as studies that consider the relevance for the Scrolls of deviance theory cultural memory hypertextuality intertextuality genre theory spatial analysis and psychology Many of the examples in these studies relate to how authoritative scripture was handled and appropriated by the groups that gathered the Scrolls together in the caves at and near Qumran so some of the same texts are analyzed from several different perspectives

Evocations of the Calf? Alec J. Lucas, 2014-12-11 This study proposes that both constitutively and rhetorically through ironic inferential and indirect application Ps 106 105 serves as the substructure for Paul's argumentation in Rom 1 18 2 11 Constitutively Rom 1 18 32 hinges on the triadic interplay between they exchanged and God gave them over an interplay that creates a sin retribution sequence with an a ba ba b pattern Both elements of this pattern derive from Ps 106 105 20 41a respectively Rhetorically Paul ironically applies the psalmic language of idolatrous exchange and God's subsequent giving over to Gentiles Aiding this ironic application is that Paul has cast his argument in the mold of Hellenistic Jewish polemic against Gentile idolatry and immorality similar to Wis 13 15 In Rom 2 1 4 however Paul inferentially incorporates a hypocritical Jewish interlocutor into the preceding sequence through the charge of doing the same a charge that recalls Israel's sins recounted in Ps 106 105 This incorporation then gives way to an indirect application of Ps 106 105 23 by means of an allusion to Deut 9 10 in Rom 2 5 11 Secondly this study suggests that Paul's argumentation exploits an intra Jewish debate in which evocations of the golden calf figured prominently
