Rock And A Hard Place One Boys Triumphant Story:

A Rock and a Hard Place Anthony Godby Johnson, 1994-05-18 Written with maturity and wisdom this book gives voice to the most eloquent and tragic young writer since Ann Frank Johnson's story of AIDS abuse and hope received extensive media coverage Foreword by Paul Monette Afterword by Fred Rogers with a new Afterword by the author **Bury Me Naked** Teamhw SbonguJesu, 2023-09-17 Bury Me Naked is driven by its hard hitting language accessible images and depth of feeling The poems are set in the poet's home village of KwaGezubuso and show the tough life of young people in South Africa's neglected rural areas Many poems are religious with a respectful but irreverent attitude to God **Media Mythmakers** Benjamin Radford, 2010-05 This hard hitting critique of media culture examines not only the ways in which the public is deceived but the media's role in propagating those deceptions Illustrations Broken Spirits Lost Souls Jane E. Ryan, 2004 Broken Spirits Lost Souls provides a rare valuable look at a silent yet potentially deadly problem plaguing families today Reactive Attachment Disorder RAD Children born into crisis or ambivalence are vulnerable to attachment disturbances because the roots of this horrendous disorder occur when basic life enhancing needs of newborns and infants go unnoticed or unmet Consequently children who are victims of early neglect or trauma are at grave risk The candid stories in Broken Spirits Lost Souls told by parents of disturbed youngsters paint a clear picture of their chilling dangerous behavior Attachment disorder may be demonstrated by out of control children as young as three years old By their teens these kids predictably defy authority and challenge every accepted familial and societal norm At their best individuals with RAD represent the embryonic stages of an antisocial personality at their worst they are full blown psychopaths consumed by the search for another victim RAD is not a rare phenomenon and is primarily preventable through early identification and by employing simple sound parenting skills Bunk Kevin Young, 2017-11-14 Longlisted for the National Book Award for Nonfiction There Kevin Young goes again giving us books we greatly need cleverly disguised as books we merely want Unexpectedly essential Marlon James Award winning poet and critic Kevin Young tours us through a rogue's gallery of hoaxers plagiarists forgers and fakers from the humbug of P T Barnum and Edgar Allan Poe to the unrepentant bunk of JT LeRoy and Donald J Trump Bunk traces the history of the hoax as a peculiarly American phenomenon examining what motivates hucksters and makes the rest of us so gullible Disturbingly Young finds that fakery is woven from stereotype and suspicion race being the most insidious American hoax of all He chronicles how Barnum came to fame by displaying figures like Joice Heth a black woman whom he pretended was the 161 year old nursemaid to George Washington and What Is It an African American man Barnum professed was a newly discovered missing link in evolution Bunk then turns to the hoaxing of history and the ways that forgers plagiarists and journalistic fakers invent backstories and falsehoods to sell us lies about themselves and about the world in our own time from pretend Native Americans Grey Owl and Nasdijj to the deadly imposture of Clark Rockefeller from the made up memoirs of James Frey to the identity theft of Rachel Dolezal In this

brilliant and timely work Young asks what it means to live in a post factual world of truthiness where everything is up for interpretation and everyone is subject to a pervasive cynicism that damages our ideas of reality fact and art Beyond Explicit Helen Hester,2014-01-23 This original contribution to porn studies aims to interrogate previously untheorized changes in contemporary understandings of the pornographic Helen Hester argues that the words porn and pornographic are currently being applied to an ever expanding range of material and that this change in language usage reflects a wider shift in perception She suggests that we are witnessing a seemingly paradoxical move away from sex within contemporary understandings of porn as a range of other factors come to influence the concept Using examples from media literature and culture and discussing the rise of notions such as torture porn and misery porn Hester s argument ranges from sexually explicit German novels and British policy documents to a discussion of the differences between European and American editions of pornographic films She concludes that four factors in particular transgression intensity prurience and authenticity can be seen to influence the way that we think about porn

AIDS Narratives Steven F. Kruger,2013-10-28

This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual s bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it

Wrong Diarmuid Hester,2020-06-01 Dennis Cooper is one of the most inventive and prolific artists of our time Working in a variety of forms and media since he first exploded onto the scene in the early 1970s he has been a punk poet a queercore novelist a transgressive blogger an indie filmmaker each successive incarnation more ingenious and surprising

than the last Cooper's unflinching determination to probe the obscure often violent recesses of the human psyche have seen him compared with literary outlaws like Rimbaud Genet and the Marquis de Sade In this the first book length study of Cooper's life and work Diarmuid Hester shows that such comparisons hardly scratch the surface A lively retrospective appraisal of Cooper's fifty year career *Wrong* tracks the emergence of Cooper's singular style alongside his participation in a number of American subcultural movements like New York School poetry punk rock and radical queercore music and zines Using extensive archival research close readings of texts and new interviews with Cooper and his contemporaries Hester weaves a complex and often thrilling biographical narrative that attests to Cooper's status as a leading figure of the American post War avant garde

Passing into the present Sinead Moynihan, 2013-07-19 This book is the first full length study of contemporary American fiction of passing Its takes as its point of departure the return of racial and gender passing in the 1990s in order to make claims about wider trends in contemporary American fiction The book accounts for the return of tropes of passing in fiction by Phillip Roth Percival Everett Louise Erdrich Danzy Senna Jeffrey Eugenides and Paul Beatty by arguing meta critical and meta fictional tool These writers are attracted to the trope of passing because passing narratives have always foregrounded the notion of textuality in relation to the illegibility of black subjects passing as white The central argument of this book then is that contemporary narratives of passing are concerned with articulating and unpacking an analogy between passing and authorship Aimed at students and researchers it promises to inaugurate dialogue on the relationships between passing postmodernism and authorship in contemporary American fiction

Text, Lies and Cataloging Jana Brubaker, 2018-07-09 What do James Frey's A Million Little Pieces Margaret B Jones Love and Consequence and Wanda Koolmatrie's My Own Sweet Time have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi-fictional novel Jones' chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book's authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem
