Russian Mind From Peter The Great Throug:

The Russian Mind Stuart Ramsay Tompkins,1958 *The Image of Peter the Great in Russian History and Thought* Nicholas Valentine Riasanovsky,1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people **Russia in the era of Peter the Great** Lawrence Jay Oliva,1969 Jewish Intelligentsia and Russian Marxism Robert J. Brym,1978-06-17

China and Japan in the Russian Imagination, 1685-1922 Susanna Soojung Lim,2013-03-05 Throughout the centuries as Russia strove to build itself into an imperial power equal to those in the West China and Japan came to occupy a special place in Russians view of the orient Never colonised by Russia or the West China and Japan were linked not only to the greatest of Russian imperial fantasies but also conversely to a deep sense of insecurity regarding Russia s place in the world a sense of insecurity which deepened as China and Japan began to modernise in the later nineteenth century Drawing on a wide range of works by Russian writers and thinkers Lim sets out how Russian perceptions of China and Japan were formed from Muscovy s first contacts with China in the late seventeenth century through to the aftermath of Russia s defeat by Japan in the early twentieth century **The Russian Orthodox Community in Hong Kong** Loretta E. Kim,Chengyi

Zhou,2021-08-23 Hong Kong has been a unique society from its establishment as a political region separate from mainland China in the nineteenth century under British colonial rule until the present day as a special administrative region of the People s Republic of China A hub of interregional and international migration it has been the temporary and long term home of people belonging to many racial ethnic and cultural groups This book examines the evolution of the community established by clergy and congregants of the Russian Orthodox Church This community was first developed in the 1930s and then revived after a hiatus of over two decades from the 1970s to the 1990s with the founding of the Orthodox Parish of Apostles Saints Peter and Paul OPASPP at the turn of the twenty first century This study demonstrates how the OPASPP has become a vital provider of knowledge about Russian language and culture as well as a religious institution serving both heritage and convert believers The community formed by and around the OPASPP is important to foster Sino Russian relations based on individual to individual contact and mutual exposure to Chinese and Russian cultures in a region of China which allows spiritual and social diversity with minimal political constraints *Russian and Soviet Education 1731-1989* John T.

Zepper,William W. Brickman,2014-02-04 Volume 9 in the series of Reference Books in International Education This bibliography is intended to provide a reference aid to mature Russian Soviet scholars to those beginning a life long study of this field and to students in Russian Soviet Studies and allied fields This title provides a resource to scholars students and professionals seeking to understand the role played by education in various societies or regions of the world **The Russian Empire in the Eighteenth Century: Tradition and Modernization** Aleksandr Kamenskii,David

Griffiths,2015-03-04 Russia's 18th century drive toward modernity and empire under the two greats Peter I and Catherine II is captured in this work by one of Russia's outstanding young historians The author develops three themes Russia's relationship to the West the transformation of Holy Russia into a multinational empire and the effects of efforts to modernize Russia selectively along Western lines Writing in a clear crisp style Kamenskii enlivens the narrative with observations from contemporary literary figures and political commentators that point up the lasting significance of the events he describes

Русские Рассказы / Russian Stories Gleb Struve,1990-01-01 Twelve superb tales by Chekhov Tolstoy Dostoevsky Pushkin Bunin other masters Excellent word for word English translations on facing pages Also teaching and practice aids Russian English vocabulary biographical critical introductions to each selection study questions more Especially helpful are the stress accents in the Russian text usually found only in primers **Russian Messianism** Peter J. S. Duncan,2002-11 This unique work will be of great interest to those engaged in politics and Russian studies as well as professionals dealing with Russia

Russian Identities Nicholas V. Riasanovsky,2005-09-29 This book investigates the question of Russian identity looking at changes and continues over a huge territory many centuries and a variety of political social and economic structures Its main emphases are on the struggle against the steppe peoples Orthodox Christianity autocratic monarchy and Westernization

The Course of Russian History, 5th Edition Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history

The Nation ,1921 **Events That Formed the Modern World** Frank W. Thackeray,John E. Findling,2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today's ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today's religious controversies This set will help readers answer these questions by exploring the most significant historical events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and

examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy

Clouds above the Hill Shiba Ryōtarō, 2013-12-05 Clouds above the Hill is one of the best selling novels ever in Japan and is now translated into English for the first time An epic portrait of Japan in crisis it combines graphic military history and highly readable fiction to depict an aspiring nation modernizing at breakneck speed Best selling author Shiba Ryōtarō devoted an entire decade of his life to this extraordinary blockbuster which features Japan s emerging onto the world stage by the early years of the twentieth century Volume I describes the growth of Japan s fledgling Meiji state a major character in the novel We are also introduced to our three heroes born into obscurity the brothers Akiyama Yoshifuru and Akiyama Saneyuki who will go on to play important roles in the Japanese Army and Navy and the poet Masaoka Shiki who will spend much of his short life trying to establish the haiku as a respected poetic form Anyone curious as to how the tiny rising nation of Japan was able to fight so fiercely for its survival should look no further Clouds above the Hill is an exciting human portrait of a modernizing nation that goes to war and thereby stakes its very existence on a desperate bid for glory in East Asia

Russia and the West from Peter to Khrushchev Lawrence Jay Oliva, 1965 **Professional Journal of the United States Army**, 1954 History of the Russian Empire Henry Tyrrell, 1859 **A History of Russia and Its Empire** Kees Boterbloem, 2018-06-26 This clear and focused text provides an introduction to imperial Russian and Soviet history from the crowning of Mikhail Romanov in 1613 to Vladimir Putin s new term Through a consistent chronological narrative Kees Boterbloem considers the political military economic social religious and cultural developments and crucial turning points that led Russia from an exotic backwater to superpower stature in the twentieth century The author assesses the tremendous price paid by those who made Russia and the Soviet Union into such a hegemonic power both locally and globally He considers the complex and varied interactions between Russians and non Russians and investigates the reasons for the remarkable longevity of this last of the colonial powers whose dependencies were not granted independence until 1991 He explores the ongoing legacies of this fraught decolonization process on the Russian Federation itself and on the other states that succeeded the Soviet Union The only text designed and written specifically for a one semester course on this four hundred year period it will appeal to all readers interested in learning more about the history of the people who have inhabited one sixth of the earth s landmass for centuries
