James Still Carol Boggess, 2017-10-27 James Still 1906 2001 first achieved national recognition in the 1930s as a poet and he remains one of the most beloved and important writers in Appalachian literature Though he is best known for the seminal novel River of Earth which Time magazine called a work of art and which is often compared to John Steinbeck s The Grapes of Wrath as a poignant literary exploration of the Great Depression Still is also recognized as a significant writer of short fiction His stories were frequently published in outlets such as the Atlantic and the Saturday Evening Post and won numerous awards including the O Henry Memorial Prize In the definitive biography of the man known as the dean of Appalachian literature Carol Boggess offers a detailed portrait of Still Despite his notable output and importance as a mentor to generations of young writers Still was extremely private preferring a quiet existence in a century old log house between the waters of Wolfpen Creek and Dead Mare Branch in Knott County Kentucky Boggess who befriended the author in the last decade of his life draws on correspondence journal entries numerous interviews with Still and his family and extensive archival research to illuminate his somewhat mysterious personal life James Still A Life explores every period of Still s life from his childhood in Alabama through the years he spent supporting himself in various odd jobs while trying to build his literary career to the decades he spent fostering other talents This long overdue biography not only offers an important perspective on the author s work and art but also celebrates the legacy of a man who succeeded in becoming a legend in his own lifetime

The Wolfpen Notebooks James Still, 2013-07-24 After keeping school for six years at the forks of Troublesome Creek in the Kentucky hills James Still moved to a century old log house between the waters of Wolfpen Creek and Dead Mare Branch on Little Carr Creek and became the man in the bushes to his curious neighbors Still joined the life of the scattered community He raised his own food preserved fruits and vegetables for the winter and kept two stands of bees for honey A neighbor

remarked of Still He s left a good job and come over in here and sot down Still did sit down and write the classic novel River of Earth and many poems and short stories that have found their way into national publications From the beginning Still jotted down expressions customs and happenings unique to the region After half a century those jottings filled twenty one notebooks Now they have been brought together in The Wolfpen Notebooks together with an interview with Still a glossary a comprehensive bibliography of his work by William Terrell Cornett and examples of Still s use of the sayings in poetry and prose The sayings represent an aspect of the Appalachian experience not previously recorded and of a time largely past
