Rustys Bath Day:

Rusty Yvonne Almeida, 2019-06-27 There were so many reasons to believe Rusty was no ordinary cat He hated cat toys But he would play all day with trains that ran on a track and made sounds He made vocal sounds more like human language than catcalls And on April 3 2014 he made a vocal cry so loud that he saved a life His owner his MA MMA was about to leave him forever And with God s hand Rusty knew just what to do to save her After that Rusty s owner started to realize that he wasn t just a gift from God but was the most spectacular of gifts She had always believed in angelsguardian angels to be more specificand now realized hers was a little orange cat with the sweetest face ever There was no other explanation for this cat s amazing perceptiveness Others had made comments about Rusty and how astute he was how he seemed to have a mind that didn t operate like he was just a cat Things started to fall into place to support the idea that he had a mission in this life and most impressively Rusty knew how to accomplish that mission His start in life could not have been more unhappy or heartbreaking yet he prevailed through life as if he was the luckiest little guy ever born This is the story of how one cat brought God and faith back to a darkened soul saved a life minutes from leaving this world and even through his own health dilemmas created friendships and stories to last a lifetime You ve lost a therapy pet a service cat in my opinion He helped you navigate MS and helped you through the illness and deaths of your parents God sent him to you as a furry angel here on earth to support you Dr Carolyn Anderson *On the Trail with Latigo Jim and His Wonder Horse Rusty Jack*

Bunton, 2020-01-17 This is a personal story about my brother Latigo Jim The Cowboy who loved Rusty the wonder horse and lived in Libby Montana This book is written just the way Jim talked **The Congregationalist** ,1922 *Rusty Judy*

Duquin, 2011-08-08 It was October when the leaves are in their prettiest colors orange red yellow and on the ground some brown Sue sat on the porch thinking of her childhood and her two children the games they played together and the learning they shared Yes she had the good life and was blessed and loved by her children and husband Jack In the background she could hear their son Billys loud giggling and their puppy Rusty barking The only one she missed hearing was Anne their older daughter Sue knew where Anne was especially this time of day on Friday Anne and Jill her best friend were playing together in her room She was always playing with dolls but then she was just like Sue when she was little Jack was due home from work as she looked at her watch and figured shed better go in and start dinner As she was going in the front door the backdoor slammed and a little boys voice could be heard yelling Such joys the children were and after dinner things would settle down or she hoped When dinner was on the table and was everyone together meal prayers would be said How long does it take to say grace and be thankful Well with the knocking on the door and the doorbell ringing Sue thought dinner would never begin especially when each time Jack went to the door and no one was there Was it their mind playing tricks on them or was someone really there Follow the pranks and comedy in this heartfelt story of a family with everyday lessons
