Sophia's Story Susan McKay, 2004-02-18 In 1995 Sophia McColgan's father was sentenced to prison for the serial rape and abuse of his children over many years. He had first raped Sophia when she was only six. It had taken immense courage on the part of Sophia and her family to bring the murky hidden world of family child abuse to the public gaze. Then in 1998 Susan McKay published *Sophia's Story*, one of the most acclaimed Irish books of modern times. Now reissued with a new introduction by Susan McKay, it records a triumph of the human spirit in the face of the most degrading and destructive betrayal of trust. Sophia McColgan, who now lives abroad, was Irish Person of the Year in 1998. *Jesus: Miriam's Child, Sophia's Prophet* Elisabeth Schüssler Fiorenza, 2015-11-19 In *Jesus Miriam's Child Sophia's Prophet* Elisabeth Schüssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ. On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology. On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti-Judaism, ideological justification of domination, religious exclusivism and the formation of patriarchal identity. Reimagining the Jesus movement in a feminist key transcends the boundaries set by history, gender and doctrine. By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today, Schüssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well-being for all. The central image in which is the reign, the coming world of God. This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994.

Sophia's Table Kathy Zamonski, 2013-08-20 *Sophia's Table* has emerged from the first contemplative writing series I offered. Four women writers joined me for what was to be a six-week series. At the completion of the series they decided to continue on a monthly basis for six months, then again and once again. The work became more personal as the women's trust deepened into friendship over the course of the year in which they shared their stories. All of us have found writing to be central to leading healthy, balanced lives; to gaining fresh perspective and to finding meaning and purpose. Each of us has a distinct voice, pitched and toned by her unique life experience. Yet *Sophia's Table* is more than a collection of voices. The production of the book itself is a true collaboration of time and talent, engaging the gifts of each of us to bring the book to publication. **Unicorn Academy: Sophia's Invitation** Nosy Crow Ltd, 2023-10-26 The official companion title for the smash-hit Netflix animated series now playing globally.
