The Sacred in the City Liliana Gómez, Walter Van Herck, 2012-02-09 This book reflects the way in which the city interacts with the sacred in all its many guises with religion and the human search for meaning in life As the process of urbanization of society is accelerating thus giving an increasing importance to cities and the metropolis it is relevant to investigate the social or cultural cohesion that these urban agglomerations manifest Religion is keenly observed as witnessing a growth crucially impacting cultural and political dynamics as well as determining the emergence of new sacred symbols and their inscription in urban spaces worldwide The sacred has become an important category of a new interpretation of social and cultural transformation processes From a unique broader perspective the volume focuses on the relationship between the city and the sacred Taking a multidisciplinary approach combining the expertise of philosophers historians architects social geographers sociologists and anthropologists it draws a nuanced picture of the different layers of religion of the sacred and its diverse forms within the city with examples from Europe South America and the Caribbean and Africa

Theologies of Power and Crisis Stephen Pavey, 2011-07-01 Theologies of Power and Crisis provides a case study for Eric Wolf s research directive to better comprehend the interplay of cultural webs of meaning and material webs of power forms of social life More specifically the book demonstrates how theological discourse and practice engage with historical and material relations of power It has been normative to speak of power in terms of political and economic processes and theology in terms of interpretive and symbolic experiences This work breaks new ground by linking theological ideas with political economic processes in terms of the

structural relations of power Ethnographically this research investigates the theological processes of Hong Kong Chinese Christians during a period of significant social change and crisis precipitated by the return of Hong Kong to China in 1997 It shows how local Christians and Christian institutions mediated the significant regional national and transnational forces of political economic change by connecting theological practice to the structural relations of power The Christian response was a contested process closely intertwined with the broader contested processes of social organization This study develops an understanding of Christianity that goes beyond ecclesiastical hegemony to encompass struggles over human practice meaning and representation in relation to the changing political economic context These findings implicate religious ideas and practice as significant to an understanding of social inequalities and powerlessness by connecting ideologies to material conditions Christian ideas may be used to legitimize an oppressive social order or they may be used to liberate those who are oppressed Issues related to the policies and practice of development should take seriously the role of religious beliefs and practices

The Secular City Harvey Cox, 2013-09-08 Since its initial publication in 1965 The Secular City has been

hailed as a classic for its nuanced exploration of the relationships among the rise of urban civilization the decline of hierarchical institutional religion and the place of the secular within society Now half a century later this international best seller remains as relevant as when it first appeared The book s arguments that secularity has a positive effect on institutions that the city can be a space where people of all faiths fulfill their potential and that God is present in both the secular and formal religious realms still resonate with readers of all backgrounds For this brand new edition Harvey Cox provides a substantial and updated introduction He reflects on the book s initial stunning success in an age of political and religious upheaval and makes the case for its enduring relevance at a time when the debates that The Secular City helped ignite have caught fire once again

Evangelical Christianity and Democracy in Asia David Halloran Lumsdaine,2009-03-13

Although a minority of the Asian population Protestants in Asia are a fast growing group What are the political implications of this evangelical Christianity In some cases religion has enabled poor and marginalized people to gain greater prosperity self confidence and civic skills and more open minded and democratic societies But does religion have the kind of cultural currency needed to generate political changes in governments such as China s Evangelical Christianity and Democracy in Asia provides six case studies on China Western India Northeast India Indonesia South Korea and the Philippines The contributors mainly younger scholars based in Asia bring first hand knowledge to their chapters The result is a groundbreaking work indispensable to everyone concerned with the future of the region Evangelical Christianity and Democracy in Asia is one of four volumes in the series Evangelical Christianity and Democracy in the Global South and grew from a Pew funded study that sought to answer the question What happens when a revivalist religion based on scriptural orthodoxy participates in the volatile politics of the Third World At a time when the global political impact of another revivalist and scriptural religion Islam fuels debate these volumes offer an unusual comparative perspective

Theological Reflections on the Hong Kong Umbrella Movement Justin K.H. Tse,Jonathan Y. Tan,2016-07-14

This book gathers the voices of four local Hong Kong theologians to reflect on the 2014 democracy protests in the city from the perspectives of Catholic social teaching feminist and queer intersectionality Protestant liberation and textual exegesis The volume also includes an extended primer on Hong Kong politics to aid readers as they reflect on the theology underlying the democracy protests September 28 2014 is known as the day that political consciousness in Hong Kong began to shift As police fired eighty seven volleys of tear gas at protesters demanding genuine universal suffrage in Hong Kong the movement termed the Umbrella Movement ignited a polarizing set of debates over civil disobedience government collusion with private interests and democracy The Umbrella Movement was also a theological watershed moment a time for religious reflection This book analyzes the role that religion played in shaping the course of this historic movement

Christian Mind in the Emerging World Peter Tze Ming Ng,Wing Tai Leung,Vaughan King Tong Mak,2018-10-31

In response to challenges from the emerging world this book brings together essays that discuss and exemplify various related approaches to academic faith integration

and explore how Christian faith should underpin scaffold and frame our understanding of academic disciplines leading to practical implications for work or action in modern society and culture Written by Christian scholars and practitioners from diverse backgrounds including the USA the UK Australia China Hong Kong South Korea and the Philippines the contributions here all contribute a global perspective while addressing some specific issue or case in the context of Asia They represent ingenious endeavors that illustrate the workings of a faith integrated approach in domains as wide as higher education business science psychology and counseling politics environment media social services leadership research and technology This volume will inform and inspire the reader into cross cultural and inter disciplinary studies particularly of religion education culture society and worldview

Foreign Communities in Hong Kong, 1840s-1950s C. Chu, 2005-10-06 This collection of essays describes adaptations of minority ethnic groups to cross cultural situations in Hong Kong from the 1840s through the 1950s It aims to portray Hong Kong history through the perspectives of foreign communities the British Germans Americans Indians and Japanese and to understand how they perceived the economic situation political administration and culture of the colony

Changing Church and State Relations in Hong Kong, 1950-2000 Beatrice Leung, Shun-hing Chan, 2003-08-01 The transition of the Churches from the traditional colonial setting of Hong Kong in the aftermath of World War II to the mature Christian community of post industrial post colonial Hong Kong is analysed with considerable skill by Beatrice Leung Kit fun and Shun hing Chan The two authors add significantly to our understanding of the dilemmas which confronted not only the Churches in adjusting to the transition from British rule but the wider community as well The book gave detailed account of Hong Kong s church state relationship in metamorphosis It should be an important text for students in both political science and China studies and especially in the history of Hong Kong A timely effort to fill a major gap in the study of Hong Kong society church state relations Students of Hong Kong research will find it most informative and useful But its relevance goes beyond Hong Kong this is a major reference for those who are interested in the areas of sociology of religion civil society political science and East Asian studies The book is the first piece of substantial research to analyze Church State relations in Hong Kong during the critical period of the handover from British to Chinese governance It is certainly an original contribution in such scale to raise the attention on an under studied controversial and important area which may critically affect the changing socio political dynamics in Hong Kong This manuscript is an informative insightful and timely study of Church State relations in Hong Kong over the past 50 years

Augustine and Modern Law Richard O. Brooks, 2017-07-05 St Augustine and Roman law are the two bridges from Athens and Jerusalem to the world of modern law Augustine's almost eerily modern political realism was based upon his deep appreciation of human evil arising from his insights into the human personality the product of his reflections on his own life and the history of his times These insights have traveled well through the ages and are mirrored in the pages of Aquinas Luther and Calvin Reinhold Niebuhr and Hannah Arendt The articles in this volume describe the life and world of Augustine and the ways in which he conceived both justice and law They also discuss the little recognized Augustinian contributions to the field of modern hermeneutics the discipline which informs the art of legal interpretation Finally they include Augustine's valuable discussion of church state relations the law of just wars and proper role and limits of coercion and the procreative dimensions of marriage The volume also includes an extremely useful definitive bibliography of Augustine and the law and will leave readers with an increased appreciation of the contributions which Augustine has made to the history of jurisprudence No one can read Augustine and these articles on his view of the law without taking away a new view of the law itself

Heresy and Citizenship Eugene Smelyansky, 2020-09-27 Heresy and Citizenship examines the anti heretical campaigns in late medieval Augsburg Rothenburg ob der Tauber Strasbourg and other cities By focusing on the unprecedented period of persecution between 1390 and 1404 this study demonstrates how heretical presence in cities was exploited in ecclesiastical political and social conflicts between the cities and their external rivals and between urban elites These anti heretical campaigns targeted Waldensians who believed in lay preaching and simplified forms of Christian worship Groups of individuals identified as Waldensians underwent public penance execution or expulsion In each case the course and outcome of inquisitions reveal tensions between institutions within each city most often between city councils and local bishops or archbishops In such cases competing sides used the persecution of heresy to assert their authority over others As a result persecution of urban Waldensians acquired meaning beyond mere correction of religious error By placing the anti heretical campaigns of this period in their socio political and religious context Heresy and Citizenship also engages with studies of social and political conflict in late medieval towns It examines the role the exclusion of religiously and socially deviant groups played in the development of urban governments and the rise of ideologies of good citizenship and the common good It will be of interest to scholars and students interested in medieval urban and religious history and the history

of heresy and its persecution **Religion and the City in India** Supriya Chaudhuri, 2021-08-19 This book offers fresh theoretical methodological and empirical analyses of the relation between religion and the city in the South Asian context Uniting the historical with the contemporary by looking at the medieval and early modern links between religious faith and urban settlement the book brings together a series of focused studies of the mixed and multiple practices and spatial negotiations of religion in the South Asian city It looks at the various ways in which contemporary religious practice affects urban everyday life commerce craft infrastructure cultural forms art music and architecture Chapters draw upon original empirical study and research to analyze the foundational structural material and cultural connections between religious practice and urban formations or flows The book argues that Indian cities are not postsecular in the sense that the term is currently used in the modern West but that there has been rather a deep even foundational link between religion and urbanism producing different versions of urban modernity Questions of caste gender community intersectional entanglements physical proximity private or public ritual processions and prayer economic and political factors material objects and changes in the built environment are all taken into consideration and the book offers an interdisciplinary analysis of different historical periods different cities and different types of religious practice Filling a gap in the literature by discussing a diversity of settings and faiths the book will be of interest to scholars to South Asian history sociology literary analysis urban studies and cultural studies *Reality* ,1927
