Sexual Behaviour and Hiv/aids in Europe Michel Hubert, Nathalie Bajos, Theo Sandfort, 2022-01-30 Originally published in 1998 Sexual Behaviour and HIV AIDS in Europe is detailed study comparing the major population surveys on sexual behaviour and HIV AIDS carried out in Europe at the time of publication Leading European researchers explore the differences and similarities between European countries in patterns of sexual behaviour and responses to the HIV AIDS epidemic As well as providing an empirical and methodological base for future research the comparative analyses lead researchers policy makers health educators and the media to new insights and a deeper understanding of issues that are of central concern in many countries The chapters include discussion of data on sexual initiation homosexual and bisexual behaviour sexual practices sexual partners risk behaviour STDs preventive

practices the normative context knowledge of HIV AIDS and attitudes towards people with HIV AIDS The book results from a major European Concerted Action funded by the European Union Biomedical and Health Research programme BIOMED and coordinated by the Centre d Etudes Sociologiques of the Facultes Universitaires Saint Louis Brussels Belgium It follows Sexual Interactions and HIV Risk published in 1997 *Sexual Behaviour and HIV/AIDS in Europe* Michel Hubert,Nathalie Bajos,Theo Sandfort,2004 **Sexual Interactions and HIV Risk** Mitchell Cohen,Gustavo Guizzardi,Dominique Hausser,Luc Van Campenhoudt,2003-12-16 This work examines the theories and perspectives involved in the study of sexual risk behaviour and HIV It provides a framework for analysis based on sexual interactions and their social context **Sexual Life in Sweden** Hans Zetterberg,2021-10-14 Now available in English Sexual Life in Sweden is a classic piece of sex research by one of Sweden s most distinguished social scientists Sponsored by the Royal Commission on Sex Education more than thirty years ago it remains the only study of sexual behavior in a randomly selected adult population sample ever funded by a government Because an astonishing response rate was achieved 91 percent during the course of Zetterberg s research the claim that Sweden is one of the few countries where generalizations about national sexual behavior can be made may be stated with confidence Zetterberg s study matches the gender of interviewers to that of subjects From a theoretical perspective Zetterberg analyzes the change in Sweden from a restrictive to a contraceptive society The study makes it clear that with over 1 000 acts of intercourse for every live birth 90 percent of sexual activity between consenting adults in modern Sweden does not result simply for procreation Nevertheless the research yields a picture of a highly responsible society Zetterberg explores the emergence of two powerful new norms when having sex you must use contraception and when in an existing sexual relationship you must not start another one He also examines the issue of abortion as part of a concept of social justice The author compares the behavior of those who experience an unwanted pregnancy with those who do not and explains that abortion is seen by Swedes as part of the provision of the welfare and social justice system Included is an examination of the sexual behavior of young people the age of their first sexual experience the circumstances surrounding it whether positive parental involvement in their children s lives has any influence on their sexual conduct and sex education programs in the schools This translation of Zetterberg s study has been prepared by British sociologist Graham Fennell who also authored a new introduction positioning Zetterberg s work in the history of sex research and comparing its findings with contemporary studies in Scandinavia Western Europe and North America In light of the ongoing controversies about sex education its conclusions remain relevant to policy discussions today *Sexuality and Gender in Postcommunist Eastern Europe and Russia* Edmond J Coleman,Theo Sandfort,2014-05-22 Important new findings on sex and gender in the former Soviet Bloc *Sexuality and Gender in Postcommunist Eastern Europe and Russia* is a groundbreaking look at the new sexual reality in Central Eastern and Southeast Europe after the fall of communism The book presents the kind of candid discussion of sexual identities sexual politics and gender arrangements that was often censored and rarely discussed openly before the

breakup of the Soviet Union in 1987 Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and if those changes can generate the social tolerance necessary to produce a well rooted democracy The first theoretical and empirical body of work to sexuality in post transitional countries Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the effects of the profound social transformation taking place in the former Soviet Union Through an interdisciplinary perspective the book addresses vital issues of this transformation including gender relations gender roles and sex norms in transition sexual representations in the media patterns of adult sexual behavior gay and lesbian issues sex trafficking health risks and sex education The book also presents a critical examination of whether the fall of communism has in fact induced changes in sexuality and gender relations Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the changes in sex and gender in countries in transition including the negative consequences of Serbia s state directed non development during the 1990s the causes and consequences of trafficking in women from the Russian Federation the ongoing debate over human rights for sexual minorities in Romania the effects of two Yugoslavian films released in the 1990s that feature transgender characters sexualities in transition in Croatia problems created by changes in sexual behavior among urban Russian adolescents the social and legal state of lesbians in Slovenia Sexuality and Gender in Postcommunist Eastern Europe and Russia fills in the gap in the current knowledge and understanding of the effects of the profound social changes taking place in Central Eastern and Southeast Europe The book is an essential read for academics and researchers working in gender studies political science and gay and lesbian studies Handy tables and figures make the information easy to access and understand

Sexuality in Europe Dagmar Herzog, 2011-08-18 This original book brings a fascinating and accessible account of the tumultuous history of sexuality in Europe from the waning of Victorianism to the collapse of Communism and the rise of European Islam Although the twentieth century is often called the century of sex and seen as an era of increasing liberalization Dagmar Herzog instead emphasizes the complexities and contradictions in sexual desires and behaviours the ambivalences surrounding sexual freedom and the difficulties encountered in securing sexual rights Incorporating the most recent scholarship on a broad range of conceptual problems and national contexts the book investigates the shifting fortunes of marriage and prostitution contraception and abortion queer and straight existence It analyzes sexual violence in war and peace the promotion of sexual satisfaction in fascist and democratic societies the role of eugenics and disability the politicization and commercialization of sex and processes of secularization and religious renewal

Reproductive Health Behaviour of Young Europeans Nathalie Bajos, Agnès Guillaume, Osmo Kontula, 2003-01-01 This publication is the first volume of a report which examines the reproductive health behaviour of young people in Europe It focuses on contraceptive practices and the use of abortion amongst young adults and trends in teenage sexual behaviour in terms of pregnancies sexually transmitted diseases and HIV infections These discussions provide a background for research into the possible

impact of legislation and government policy on the role of the welfare system the institutional framework of reproductive health services and education

The Dutch Response to HIV Theo Sandfort, 1998 Using the Dutch example this book documents and discusses prevention policy and provides an instructive case study for other countries with relevance for policy makers now and in the future

HIV Epidemics in the European Region Lucy Platt, Emma Jolley, Vivian Hope, Alisher Latypov, Peter Vickerman, Ford Hickson, Lucy Reynolds, Tim Rhodes, 2015-02-12 This report describes the dynamics of HIV epidemics among vulnerable and high risk populations in the European region in particular people who inject drugs sex workers and men who have sex with men It aims to inform future HIV responses and guide HIV prevention surveillance and research

AIDS in Europe Jean-Paul Moatti, 2000 Major changes in the nature and dynamics of the AIDS epidemic over the last few years are reflected in changing epidemiological trends as well as in the progress made in biomedical research and treatment AIDS in Europe brings together papers from leading social science researchers to look at the opportunities and challenges these changes bring and the different ways in which they are being responded to in both western and eastern Europe Papers are organised under three headings new challenges for HIV prevention care of people living with HIV AIDS in a new therapeutic context AIDS public policies from specialisation to normalisation AIDS in Europe provides a comprehensive overview of current social and behavioural research on HIV and AIDS for all health professionals

Sexual Behaviour and Health in Older Adults Lee Smith, Igor Grabovac, 2023-02-06 This book provides a comprehensive overview for those interested in research and promoting sexual health in older people as well as a go to guide on the topic of sexual behaviour in older adults Sexual activity is an essential part of intimate relationships though it tends to decline in frequency as people grow older Nevertheless for many older people sex still remains an important part of their life There s a common misconception that as people age they lose their interest in sex and capacity for sexual behaviour This is not the case as a number of national surveys show The new research presented here indicates that the less sex older people have the more likely they are to experience mental and physical health problems Men and women who reported a decrease in the frequency of sexual activities were also more likely to report a deterioration in self perceived health Additionally men with erectile dysfunction were also more likely to be diagnosed with cancer or coronary heart disease This research has also determined that older adults who experience a decline in sexual activity report poorer well being than those who maintain their levels of sexual desire activity and function in later life and that men who remain sexually active in later life continue to have better cognitive performance compared to those who don t Despite these health benefits medical professionals do little to promote sexual activity in older adults and the literature suggests that there is a lack of knowledge on how to approach the subject and how to promote such activities This is the first comprehensive book specifically exploring all areas of sexual behaviour and health in older adults and drawing on the latest research in this area It offers a valuable resource for researchers and clinicians in various health fields medicine nursing occupational therapy psychology public health etc as well as students in

undergraduate and graduate programs Researching Sexual Behavior John Bancroft,1997-10-22 These 22 contributions from the April 1996 meeting hosted by the Kinsey Institute at Indiana U present international perspectives on debates about methodological differences in surveys of sexual behavior and in particular the difficulties with generalizing methods across contrasting cultures The authors discuss key issues relating to both qualitative and quantitative methods including adaptations of method for groups the use of survey data to measure change in behavior over time and participation bias Annotation copyrighted by Book News Inc Portland OR Sexuality Repositioned Belinda Brooks-Gordon,2004-06 This book aims to explore some of the social and moral censures contours and controversies that shape and mark the boundaries of sexuality Demography: Analysis and Synthesis, Four Volume Set Graziella Caselli,Jacques Vallin,Guillaume Wunsch,2006-01-03 This four volume collection of over 140 original chapters covers virtually everything of interest to demographers sociologists and others Over 100 authors present population subjects in ways that provoke thinking and lead to the creation of new perspectives not just facts and equations to be memorized The articles follow a theory methods applications approach and so offer a kind of one stop shop that is well suited for students and professors who need non technical summaries such as political scientists public affairs specialists and others Unlike shorter handbooks Demography Analysis and Synthesis offers a long overdue thorough treatment of the field Choosing the analytical method that fits the data and the situation requires insights that the authors and editors of Demography Analysis and Synthesis have explored and developed This extended examination of demographic tools not only seeks to explain the analytical tools themselves but also the relationships between general population dynamics and their natural economic social political and cultural environments Limiting themselves to human populations only the authors and editors cover subjects that range from the core building blocks of population change fertility mortality and migration to the consequences of demographic changes in the biological and health fields population theories and doctrines observation systems and the teaching of demography The international perspectives brought to these subjects is vital for those who want an unbiased rounded overview of these complex multifaceted subjects Topics to be covered Population Dynamics and the Relationship Between Population Growth and Structure The Determinants of Fertility The Determinants of Mortality The Determinants of Migration Historical and Geographical Determinants of Population The Effects of Population on Health Economics Culture and the Environment Population Policies Data Collection Methods and Teaching about Population Studies All chapters share a common format Each chapter features several cross references to other chapters Tables charts and other non text features are widespread Each chapter contains at least 30 bibliographic citations **Promoting Young People's Sexual Health** Roger Ingham,Peter Aggleton,2006-09-27 Valuable contributions on different aspects of sexual and reproductive health among young people are presented in this book with a focus on developing country contexts Key discussions on issues relating to young people and their sexual activities are brought together in one volume exploring how these issues are affected by the

wider contexts in which they live The interdisciplinary team of contributors examine the practical and ideological barriers that inhibit progress in the development of educational and service level improvement of young people s sexual health as well as presenting examples of efforts made to overcome such difficulties Promoting Young People s Sexual Health looks to the future proposing ways forward in terms of policy and legislative changes necessary for long term improvements in young people s sexual health

Handbook of European Societies Stefan Immerfall,Göran Therborn,2009-12-01 European integration is one of the most ambitious and socially far reaching developments in world politics and in world economics Against growing opposition and despite increasing social heterogeneity the European Union continues to expand and to acquire new competences But to what extent is the self proclaimed ever closer union among the peoples of Europe a social reality In which ways is the political European project anchored in social developments How does social change impinge upon political integration Societal trends in multi cultural multi ethnic multi lingual and socially diverse Europe have never been studied systematically Handbook of European Societies Social Transformations in the 21st Century sets to rectify this neglect of societal developments in Europe providing a groundwork for the sociology of European integration The book portrays social life and social relations in the enlarged Europe and gives a perspective on the European Union as an evolving social entity Handbook of European Societies is a pioneering source book analyzing the current social patterns on the continent It covers a representative selection of major topics of social concern and sociological relevance such as Collective Action Consumption Identity Power Structure Sexuality Stratification and Well being Each contribution probes key developments in a strictly comparative manner The Handbook thus offers a detailed look into the intricacies of the national societies of Europe and into the prospect of an emerging European society The Editors have enlisted leading researchers to synthesize existing knowledge and to make use of many different data sources in a straight forward style The contributions stay away from jargon simple labeling and sweeping assertions Instead they provide solid and accessible information on a wide variety of social trends and processes within and across European societies

International Handbook on Adolescent Health and Development Andrew L. Cherry,Valentina Baltag,Mary E. Dillon,2016-11-21 This comprehensive reference uses an ecological perspective to sort out the complex mix of biological psychological social and other factors influencing adolescent health as well as shaping professional responses to the needs of adolescents Describing critical concerns at the global level and innovative strategies from selected countries the book urges readers to develop and support practices and policies to enhance optimal youth development Expert coverage centers on key areas the global state of adolescent health and development adolescent health issues and public health answers making health systems more responsive to youth and improving school health services And bedrock themes such as social determinants of health young people s right to health care and health and gender disparities are discussed throughout these chapters Included among the topics The epidemiology of adolescent health Adolescent sexual health and sexuality education Restorative justice and the

mental wellbeing of adolescents Critical issues in adolescent nutrition needs and recommendations Towards an adolescent competent workforce Pairing children with health services the changing role of school health services in the 21st century The International Handbook on Adolescent Health and Development is essential to medical schools public schools and college libraries teaching faculty graduate and post graduate students in public health medicine social work other behavioral sciences and health disciplines e g nursing allied health as well as practitioners interested in better orienting their services to the health needs of adolescents

AIDS Research at EC Level Andre E. Baert, 1995 At EC level the fight against AIDS one of the major health problems and socioeconomic diseases today is also part of the specific RTD programme in the field of biomedicine and health About 600 research teams are collaborating within 30 concerted actions networks that are underpinned by centralised facilities For example the epidemiology research networks are monitored by the WHO EC collaborating centre in St Maurice France Common experiments on animal models antiviral screening genetic analysis of multiple virus strains and provision of reagents for vaccine development are also centralized facilities in AIDS research carried out under the principles of subsidiarity and Community added value This publication presents an overview of their ongoing research activities in disease control and prevention viro immunological research clinical research and vaccine development Covered by Current Contents Life Sciences ISI volume 38 no 19 May 1995 p 11 12 Therefore for anyone doing AIDS research this is a must volume to have in order to understand what the European Community is doing in AIDS research Highly recommended for all medical and academic libraries H Robert Malinowsky The University of Illinois Chicago USA

AIDS Book Review Journal no 27 June 1996

Adopting the Melody of Term: An Emotional Symphony within **Sexual Behaviour And Hivaid In Europe**

In some sort of used by monitors and the ceaseless chatter of immediate connection, the melodic splendor and mental symphony produced by the published word usually disappear into the background, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Sexual Behaviour And Hivaid In Europe** an enchanting literary value brimming with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that captivating masterpiece conducts visitors on a psychological trip, skillfully unraveling the concealed tunes and profound influence resonating within each carefully constructed phrase. Within the depths of this moving assessment, we shall examine the book's key harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.

FAQs About Sexual Behaviour And HIVaids In Europe Books

What is a Sexual Behaviour And HIVaids In Europe PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexual Behaviour And HIVaids In Europe PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexual Behaviour And HIVaids In Europe PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexual Behaviour And HIVaids In Europe PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexual Behaviour And HIVaids In Europe PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
