Abstract

Background and Aim: Today, in the world, there is a kind of sexual intercourse between couples that are Domination/Submission and Masochism/Sadism. In scientific and general literature, the term BDSM is used for these sorts of relationships, generally a type of power exchange or pain in the marriage between couples that leads to sexual arousal and sexual satisfaction. Previous literature has a pathological approach to this, but the focus of research in this field has shifted from pathology to depathologizing. The purpose of this study is to review articles related to domination/submission and Masochism/Sadism between couples. **Methods:** The present study was an analytical review study used to collect data from articles and books in reputable scientific databases. **Results:** Previous studies have shown that the attitude of the community and the therapists toward these types of relationships and stigmas has been negative. On the other hand, these relationships are related to personality traits, marital satisfaction, and sexual satisfaction. For example, the findings indicated that these people were more extroverted, more open than experienced, and were high in education and job. **Conclusion:** According to the findings, it can be said that this requires more articles, especially in Persian. Experts are also suggested to include the findings described in their work at the beginning of diagnosing and treating people who tend to have this type of relationship and examine the disorder's symptoms more accurately for diagnosis.

Häberlen,2023-10-05 A rich and readable account of left wing activism in the West and opposition to Soviet style communism in the East Katja Hoyer *The Spectator* A dream perhaps but one that still sounds worth fighting for even beautiful Stuart Jeffries *The Observer* An ambitious and masterly account of utopian protest in Europe Fast paced with an eye for telling detail and written with a light touch Robert Gildea In post war Europe protest was everywhere On both sides of the Iron Curtain from Paris to Prague Milan to Wroclaw ordinary people took to the streets fighting for a better world Their efforts came to a head most dramatically in 1968 and 1989 when mass movements swept Europe and rewrote its history In the decades between Joachim C H berlen argues new movements emerged that transformed the nature of protesting Activism moved beyond traditional demonstrations from squatting to staging happenings and camping out at nuclear power plants People protested in the way they dressed the music they listened to the lovers they slept with the clubs where they danced all night New movements were born notably anti racism women s liberation gay liberation and environmentalism And protest turned inward as activists experimented with new ways of living and feeling from communes to group therapy in their efforts to live a better life in the here and now Some of these struggles succeeded others failed But successful or not their history provides a glimpse into roads not taken into futures that did not happen The stories in H berlen s book invite us to imagine different futures to struggle to fail and to try again In a time when we are told that there are no alternatives they show us that there could be another way **Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices** Anil Aggrawal,2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism this unique volume identifies fourteen classifications of unusual sexual pathologies Emphasizing the physical and psychological aspects of sexuality itself the book presents detailed comparisons of legal and medical definitions historical aspects current incidence and geographic *Desire, Performance, and Classification: Critical Perspectives on the Erotic* Jessica R. Pfeffer,2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 In November 2011 artists professors students and scholars from around the world gathered in Prague Czech Republic to attempt to define what could be considered the erotic The conference sought submissions that addressed interactions of the erotic with history art literature practices performances pedagogy and sexuality among many others This wide focus brought together an intellectually rich meeting that interrogated the boundaries between eroticism sex and desire This volume represents a sampling of papers presented at the conference and the diverse focuses within these papers are indicative of the inter and trans disciplinary work that was presented Each work within this collection brings a fresh and unique approach to the erotic and in its own way tries to answer the question What is erotic **Sexual Myths of Modernity** Alison M. Moore,2015-11-19 The notion of sexual sadism emerged from nineteenth century alienist attempts to

imagine the pleasure of the torturer or mass killer This was a time in which sexuality was mapped to social progress so that perversions were always related either to degeneration or decadence These ideas were internalized in later Freudian views of the drives within the self and of their repression under the demands of modern European civilization Sadism was always presented as the barbarous past that lurked within each of us ready to burst forth into murderous violence crime anti-Semitism and finally genocide This idea maintained its currency in European thought after the Second World War as Freudian influenced accounts of the history of philosophy configured the Marquis de Sade as a kind of Kantian superego in a framework that viewed the Western Enlightenment as unraveled by its own inner demons In this way a straight line was imagined from the late eighteenth century to the Holocaust These ideas have had an ongoing legacy in debates about sexual perversion feminism genocide representation and historical memory of Nazism However recent genocide research has massively debunked assumptions that perpetrators of mass violence are especially sexually motivated in their cruelty This book considers how the late twentieth century imagination eroticized Nazism for its own ends but also how it has been informed by nineteenth century formulations of the idea of mass violence as a sexual problem What Every Mental Health Professional Needs to Know About Sex, Third Edition Stephanie Buehler, 2021-10-21 This 3rd edition is truly the A to Z when it comes to assessing and treating sexual health concerns This is a valuable resource that I ll be recommending to my colleagues and students and consulting regularly myself Lori Brotto Professor Faculty of Medicine Department of Obstetrics Gynecology Executive Director Women s Health Research Institute Canada Research Chair in Women s Sexual Health The University of British Columbia The third edition of this pragmatic resource assists mental health professionals in helping clients resolve sexual concerns that arise during the course of therapy It has been updated with the latest theoretical approaches pharmacological treatments and ethical legal concerns It presents a wealth of information on assessing and treating both common and uncommon sexual concerns accompanied by helpful informational worksheets By offering new case examples exemplifying contemporary concerns such as minority stress intersectionality and recognition of therapist privilege in relation to client the new edition emphasizes diversity inclusive of sexual and gender minorities It covers the latest technology in telemental health and the role it plays in the sex lives of clients Designed to take the uninformed reader or one who might be uncomfortable about sex to a place of knowledge and competence the book includes strategies to help both the client and therapist become more comfortable with sexuality Take Away Points Activities and Resources in every chapter and downloadable forms templates and tools combine to make this an indispensable resource Purchase includes digital access for use on most mobile devices or computers New to the Third Edition Updated approaches to considerations of gender identity The impact of intersectionality oppression and minority stress De pathologizing kinky behavior Understanding the orgasm gap and orgasm equality Treating couples who want to open their relationships Applies mindfulness to treatment of sexual problems Expanded information about the sexological ecosystem Treating out of control

sexual behavior and the new Compulsive Sexual Behavior Disorder ICD 11 diagnosis Key Features Provides clear treatment recommendations for nearly all sexual concerns Uses an ecosystemic approach for assessing individuals and couples Explains how to assess and treat sexual pain disorders Covers sexuality across the lifespan Includes Step into My Office vignettes offering a glimpse into everyday sex therapy practice Provides activities for reader to reinforce information including Take Away points downloadable forms templates and tools Instructors Manual and PowerPoint presentation for each chapter

Battleground: Women, Gender, and Sexuality Amy Lind, Stephanie Brzuzy, 2007-12-30 Whether in the home or in the public arenas of media work sports politics art or religion women often become embroiled as subjects in the political social and cultural debates in America People on all areas of the political landscape see women in diverse and conflicting ways as either too liberated or not liberated enough or whether and how gender and sexual roles are rooted in either biology or culture *Battleground Women Gender and Sexuality* helps readers navigate contemporary issues and debates pertaining to women's lives in the United States and globally This work examines how science and culture intertwine to influence how we think about our identities desires relationships and societal roles today *Battleground Women Gender and Sexuality* comprises lengthy in depth discussions of the most timely issues that are debated in today's culture such as birth control comparable worth disability and gender glass ceiling immigration plastic surgery tattooing and piercing same sex marriage and sexual assault and sexual harassment Each essay provides a balanced overview of these hot button topics and a list of works for Further Reading after each entry serves as a stepping stone to more in depth material for students who are writing papers or researching reports

Social Psychology and Human Sexuality Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy

ABC of Sexual Health Kevan R. Wylie, 2015-04-27 *ABC of Sexual Health* provides a comprehensive overview of this important but difficult subject and includes reading resources as well as information on professional societies patient groups and online resources Fully revised and expanded to cover a range of new content and topics including psychological urological gynaecological endocrinological and psychiatric aspects of sexual health the effects of medication sexual dysfunction sexual orientation gender identity paraphilias forensic sexology dermatoses and psychosexual therapy and education *ABC of Sexual Health* is a practical guide for all general practitioners family physicians trainees and medical students wanting to improve communicating examining and managing patients with sexual health problems About the ABC series The new ABC series has been thoroughly updated offering a fresh look layout and features throughout helping you to access information and deliver the best patient care The newly designed books remain an essential reference tool for GPs GP registrars junior doctors and those in primary care designed to address the concerns of general practitioners and provide effective study aids for doctors in training Now offering over 70 titles this extensive series provides you with a quick and dependable reference on a range of

topics in all the major specialities Each book in the new series now offers links to further information and articles and a new dedicated website provides you with even more support The ABC series is the essential and dependable source of up to date information for all practitioners and students in general practice To receive automatic updates on books and journals in your specialty join our email list Sign up today at www.wiley.com email [Feminist Judgments](mailto:FeministJudgments@wiley.com) Rosemary Hunter, Clare McGlynn, Erika Rackley, 2010-09-30 While feminist legal scholarship has thrived within universities and in some sectors of legal practice it has yet to have much impact within the judiciary or on judicial thinking Thus while feminist legal scholarship has generated comprehensive critiques of existing legal doctrine there has been little opportunity to test or apply feminist knowledge in practice in decisions in individual cases In this book a group of feminist legal scholars put theory into practice in judgment form by writing the missing feminist judgments in key cases The cases chosen are significant decisions in English law across a broad range of substantive areas The cases originate from a variety of levels but are primarily opinions of the Court of Appeal or the House of Lords In some instances they are written in a fictitious appeal but in others they are written as an additional concurring or dissenting judgment in the original case providing a powerful illustration of the way in which the case could have been decided differently even at the time it was heard Each case is accompanied by a commentary which renders the judgment accessible to a non specialist audience The commentary explains the original decision its background and doctrinal significance the issues it raises and how the feminist judgment deals with them differently The book also includes chapters examining the theoretical and conceptual issues raised by the process and practice of feminist judging and by the judgments themselves including the possibility of divergent feminist approaches to legal decision making From the foreword by Lady Hale Reading this book ought to be a chastening experience for any judge who believes himself or herself to be both true to their judicial oath and a neutral observer of the world If lawyers and judges like me have so much to learn from reading this book then surely other more sceptical lawyers and judges have even more to learn other scholars and not only feminists must also be fascinated by the window it opens onto the process of judicial reasoning not the straightforward predetermined march from A to B of popular belief but something altogether more complicated and uncertain And anyone will find it a very good read *Now You See It* Richard Dyer, 2013-11-05 Revised for this second edition *Now You See It* Richard Dyer's groundbreaking study of films by and about lesbians and gay men now includes an outline of developments in queer cinema since 1990 Placing the book within lesbian and gay film history Dyer examines familiar titles such as *Girls in Uniform* *Un Chant D'Amour* and *Word is Out* in their lesbian gay context as well as bringing to light many other forgotten but remarkable films Each film is examined in detail in relation to both film type and tradition and the sexual subculture in which it was made Now featuring a brand new introduction by Julianne Pidduck this will be an excellent aid to cinema and film studies courses **The Philosophy of Sex** Raja Halwani, Jacob M. Held, Natasha McKeever, Alan Soble, 2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling

volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom American Book Publishing Record ,1984 *Selves, Symbols, and Sexualities* Thomas S. Weinberg, Staci Newmahr, 2014-03-06 Offering an anthology of original articles on sexuality from a sociological perspective *Selves Symbols and Sexualities* An Interactionist Anthology focuses on the diverse and multi layered meanings of sexuality sexual behaviors and sexual identities Thomas S Weinberg and Staci Newmahr bring you essays that explore sexuality as a social process As a whole the book takes the perspective that what each of us understands to be sexual is constructed through everyday social processes and interaction situated in particular spaces and moments identified through our social sexual presentations and symbolized through language objects and practices The book is organized around these four distinct but interrelated processes and augmented by personal narratives around relevant issues The authors goals for the book are to engage students in the sociological enterprise by providing interesting and insightful entries that emphasize the importance of meaning making in human sexuality and to provide them with conceptual tools to understand human sexuality in a complex and quickly changing sexual landscape *Lesbian, Gay, Bisexual, Trans and Queer Psychology* Victoria Clarke, Sonja J. Ellis, Elizabeth Peel, Damien W. Riggs, 2010-04-01 This exciting and engaging textbook introduces students to the psychology of lesbian gay bisexual trans and queer lives and experiences It covers a broad range of topics including diversity prejudice health relationships parenting and lifespan experiences from youth to old age The book includes key researcher boxes which outline the contributions of significant individuals and their motivations for conducting their research in their own words Key issues and debates are discussed throughout the book and questions for discussion and classroom exercises help students reflect critically and apply their learning There are extensive links to further resources and information as well as gaps and absences sections indicating major limitations of research in a particular area This is the essential textbook for anyone studying LGBTQ psychology psychology of sexuality or related courses It is also a useful supplement to courses on gender and developmental psychology
