The Sex-Starved Wife Michele Weiner Davis, 2008-01-01 Michele Weiner Davis bestselling author of *The Sex Starved Marriage* offers a groundbreaking guide to creating intimacy in your relationship In 2003 bestselling author and relationship expert Michele Weiner Davis s groundbreaking book *The Sex Starved Marriage* described the problems that occur in marriage when one spouse is vastly more interested in sex than the other and more importantly what the couple could do to fix things The book created quite a stir but no one expected what happened next Weiner Davis was flooded with e mails letters and phone calls from women not with headaches and other predictable excuses for avoiding sex but from women who were desperately unhappy because their husbands weren t the least bit interested in sex Nothing these women said or did got their men to understand the pain and isolation that comes from a sexual void and despite heartfelt pleas they were unable to convince their husbands to seek professional help Add to this the unspoken taboo about discussing low libido in men and these women were left to believe that they were the only ones dealing with this problem If this sounds like your situation Weiner Davis wants to tell you that you are not alone and it is not your fault there is a whole host of reasons why your husband might be experiencing low desire Although Weiner Davis explains reasons men lose interest in sex biological issues personal troubles and relationship problems she s convinced that understanding the cause of a problem won t make your sex life any juicier doing something about it will *The Sex Starved Wife* gives you the tools you need to present the information in the book so that your husband will not become defensive You ll even learn methods for overcoming sexual dysfunctions such as performance anxiety premature ejaculation and effective ways for dealing with pornography or infidelity If you and your spouse need additional support Weiner Davis offers concrete advice on how to get your man to visit his doctor or seek other professional help When it comes to marriage Weiner Davis has seen it all She knows how important loving satisfying sex is to a healthy marriage The straightforward psychobabble free advice in this book will help you create the intimacy and connection for which you ve been longing

Men's Health and Illness Donald Sabo, David F. Gordon, 1995-08-30 A multidisciplinary international approach is taken in this volume which contextualizes men s health issues within the broader theoretical framework of men s studies The contributors argue that gender is a key factor for understanding the patterns of men s health risks the ways men perceive and use their bodies and men s psychological

adjustment to illness itself The first part introduces perspectives of men's studies and their relevance to understanding men's health Part Two explores the links between traditional gender roles men's health and larger structural and cultural contexts Part Three looks at the implications of multiple masculinities for health issues while the final section of the book examines the psych
