Modern Rhetoric in Culture, Arts, and Media Joachim Knape, 2012-12-19 The goal of this book is to formulate a modern theoretical approach for rhetorical studies in a variety of disciplines in the humanities media research and other cultural studies The discipline of rhetoric originally concerned itself with linguistic forms of communication and its basic theory was developed with such cases in mind With respect to this ancient tradition there are numerous books that provide a historical overview of the field There is also a wide array of introductory works and research contributions that deal with the practice of political rhetoric On the other hand only a few 20th century academics have attempted to theoretically rehabilitate rhetoric after its decline as an academic discipline in Europe in the 18th and 19th centuries and to give rhetorical theory a modern new and further reaching perspective Two notable examples have been Kenneth Burke and Brian Vickers The book begins with the assumption that rhetoric is not merely limited to linguistic action but rather is present everywhere in the communicative world Against this background this work develops a modern theory of rhetoric and demonstrates in twelve chapters how methodical rhetorical analysis can be done in selected practical fields of application Literature Music Images and Film

Asianism and the Politics of Regional Consciousness in Singapore Leong Yew, 2013-11-20
Over the last two decades Singapore has undergone a substantial degree of Asianization Apart from participating in the Asian values debate of the 1990s re visioning itself as New Asia and a global Asian hub and establishing Asian identities for the commodities it consumes and produces Singapore has also repurposed its modernity cultures and ethos along similar regionalist precepts However even in recent times Singapore continues to vacillate ambivalently between identifying with and differentiating itself from Asia Responding to the challenges Singapore faces in coming to terms with its Asian identity this book examines the complex cultural social and political underpinnings that have shaped Singapore s mainstream discourse on Asia Indeed it argues that its legacy as a colonial port city the exigencies of managing the post independence nation state and the larger forces of imperialism and capitalism all contribute to its politics of Asianism Taking a thoroughly interdisciplinary approach that spans history cultural studies postcolonialism and cultural geography Leong Yew reveals how Asia has been used to narrate Singapore s beginnings revalidate Singaporean ethnic culture and to consolidate its practices of consumption and commodification This book will be welcomed by students and scholars working across a range of fields including Asian culture and society Asian politics cultural theory and postcolonial studies
