series author Chris Walley weaves the worlds of science and the spirit technology and supernatural into something unique in science fiction Twelve thousand years into the future the human race has spread across the galaxy to hundreds of terraformed worlds The effects of the Fall have been diminished by the Great Intervention and peace and contentment reign under the gentle rule of the Assembly But suddenly almost imperceptibly things begin to change On the remotest planet of Farholme Forester Merral D Avanos hears one simple lie Slowly a handful of men and women begin to realize that evil has returned and must be fought What will this mean for a people to whom war and evil are ancient history Thus begins the epic that has been described as If C S Lewis and Tolkien had written Star Wars The Shadow and Night was previously published in two volumes The Shadow at Evening and The Power of the Night 2 The Dark Foundations The Dark Foundations continues the epic story begun in The Shadow and Night Far beyond the tranquility of the Assembly worlds Nezhuala Lord Emperor of the Dominion is preparing a merciless and crushing attack on Farholme as a prelude to an onslaught on the Assembly Back on Farholme Commander Merral D Avanos recovers from his wounds after the battle at Fallambet where the intruders were destroyed Yet even as Merral dreams of a return to peace he receives a warning of imminent war on a massive scale he cannot ignore Amid the urgent preparations for battle Merral and his friends realize the inadequacy of their defenses Then with weeks to spare before the predicted eve of war Merral receives an offer of assistance from the strangest of sources But can it be trusted As the wave of war finally crashes over Farholme Merral must find the answer to other questions in the heat of battle Can Farholme survive the growing internal strains Who will pay the price for victory Will his own weaknesses undo both him and his world 3 The Infinite Day Vero you remember you once said there were people who would follow me to the gates of hell A figure of speech We d better find them That s where we re going After the defeat of the evil Dominion forces at Farholme Commander Merral D Avanos prepares a task force to rescue thirty hostages captured by the fleeing Margrave Lezaroth Merral s only hope is that he can get to the hostages before they re taken to Lord Emperor Nezhuala at the Blade of Night the nexus of the Dominion s power But in order to get there Merral and his crew will have to survive a perilous trip through Below Space Meanwhile news of the Dominion s defeat at Farholme reaches Ancient Earth but is tempered by the sobering truth of the enemy s growth and strength It is now clear that an attack on the Assembly is imminent but how far should the Assembly go to stop it And does the real danger lie in the Dominion or in the subtle evil that has arrived at the heart of the Assembly itself The Infinite Day is the thrilling conclusion to the epic Lamb among the Stars series that has readers and critics raving
