Shadow Without A Name:

Shadow Without a Name Ignacio Padilla, 2004-04 In 1943 General Thadeus Dreyer a WWI hero who trains doubles for Nazi leaders disappears In 1960 Adolf Eichmann a master chess player is arrested in Buenos Aires extradited to Israel and hanged Years later a dying Polish count casts doubt on Eichmann's identity leaving behind a manuscript with clues that tie the three men together A gripping novel of imposture and identity *Shadow Without a Name* is a harrowing parable of our century of chaos where individual will is swamped by the cult of personality and destinies hang on a game of chess *Girl without Name* Hu LiHuLiMiFeng, 2020-04-29 A young girl called Wang Wang Wang Wang Because of her name she had been laughed at since she was young At the age of fifteen her father had passed away in a strange manner She had been targeted by a group of inhuman monsters Strangely they kept asking for her name As he fled the Maze of the Seven Roads the Diary of Dust the Micro powers a series of supernatural incidents came one after another Through her father's diary she learned that the history of the clan's lineage all originated from the divine genes that the Germans had found in Tibet during the Second World War However to unravel the final truth he still needed a key and that was Wang Wangwan's real name **From Freud To Kafka** Philippe Refabert, 2018-05-15 This book takes the reader on a captivating journey leading from an erroneous founding assumption inherited from Freud to the proposal of a principle better suited to allowing the psychoanalyst to accompany the patient out of his impasse The founding assumption of the book already questioned by many analysts among whom Sandor Ferenczi figures as a brilliant forerunner was the author's starting point in re-examining the basic precepts of psychoanalysis Reading Kafka made the author conclude that this masterful storyteller describes borderline situations so familiar to him better than anyone An avid reader of Freud Kafka suggests that the human capacity to bear a paradoxical position between life and death is not given to the child naturally at birth Kafka seems to say that giving life is easy but that giving it the necessary support in the form of the trace of death is more problematic *The Path Has No Name* Annette Kaiser, 2005-04 The Path Has No Name is the fascinating description of the search for an authentic spiritual life The longing to be able to live a spiritual life while being in the world having a career and raising two children was fulfilled for Annette Kaiser after her encounter with Sufi teacher Irina Tweedie Annette Kaiser demonstrates that the Sufi path as a path of love does not demand avoidance of the world but rather an active presence in the middle of it that this path is not about philosophy or religion but rather a way of life that can lead us to our essential nature **The Works of ...
