Shadow Across The Desert:

Shadow Across the Desert Mary Munro,1977-01-01 *Shadow Upon the Dream* Bert Casper,2007-12 Two suns govern life on the desert world Barr n violent Yukhara which burns down mercilessly and makes the desert brutal and violent and gentle Gajhavita which restores the balance of life Like the suns those who live in the desert are violent and kind searching for balance between the two extremes A boy must find his true purpose and destiny in the desert he was born in which leads him on a journey of discovery during which he encounters six alien races To unlock the mystery of why the Six came to the desert he must solve the riddles left by the ancients and finds that his own origin is a part of the mystery of the riddles

Deserts Charles F. Gritzner,2009 Discusses the climate ecology geography and population of the world s deserts

Light In Shadow Jayne Ann Krentz,2003-09-30 Zoe Luce is a successful interior designer in the Arizona town of Whispering Springs who s developed an unusual career specialty helping recently divorced clients redesign their homes to help them forget the past and start anew But Zoe knows that some things can t be covered up with a coat of paint And when she senses that one of her clients may be hiding a dark secret she enlists P I Ethan Truax to find the truth Working together they solve the mystery and barely escape with their lives But Ethan s exquisite detection skills are starting to backfire on Zoe she never wanted to let him find out about her former life she never wanted to reveal her powerful inexplicable gift for sensing the history hidden within a house s walls she never wanted him to know that Zoe Luce doesn t really exist She never wanted to fall in love with him Now no matter how much she resists Ethan may be her only hope because the people she s been running from have found her And just when Zoe dares to dream of a normal life and a future with the man she loves her own past starts to shadow her every step and threatens to take her back into a nightmare

Deserts—Chasing the

Burning Wind MD Hseham,2025-07-13 This book offers a gentle thoughtful journey through the heart of deserts not as empty lifeless places but as landscapes full of quiet power memory and meaning Rather than focusing on dry facts or scientific analysis it shares experiential stories that reveal how deserts shape those who pass through them Through personal encounters cultural reflections and elemental moments each chapter invites readers to slow down and listen to what the desert teaches patience simplicity presence and the power of silence The book draws from real voices guides elders and dwellers who see the desert not as a hardship but as a source of clarity and inner transformation Written in accessible poetic language it speaks to travelers students educators and anyone seeking stillness in a noisy world These stories echo beyond the page encouraging readers to see the desert and life itself as a space of deep reflection and essential truths

The

Remarkable Weather of Southern California Miguel Miller,2023-02-21 Yes even in Southern California weather is something we experience every day It is in our conscious or subconscious whenever we wake up look out a window venture outside see or feel the sunshine hear the swish of wind in the trees or the white noise of rain on the roof We make decisions sometimes several times a day based on a brief thought of weather We make plans based on the near term forecast or long

term climate Occasionally we take prompt action to stay safe from it For something so integral to our lives how much of it do we understand Greater understanding of the real practical meaning of the forecast can inform decisions and plans affording greater confidence and less frustration You will gain a greater awareness of how the weather you experience works You ll understand where forecasts come from how they re made and what it means to you
