Psychoanalytic Perspectives on Women and Their Experience of Desire, Ambition and Leadership Stephanie Brody, Frances Arnold, 2019-04-08 2020 Grady Award Nominee Best Edited Book *Psychoanalytic Perspectives on Women and Their Experience of Desire Ambition and Leadership* considers how these factors can be understood nurtured or thwarted and the subsequent impact on women's identity authority and satisfaction Psychoanalysis has long struggled with its ideas about women about who they are how to work with them and how to respect and encourage what women want This book argues that psychoanalytic theory and practice must evolve to maintain its relevance in a volatile landscape Each section of the book begins with a chapter that reviews contemporary ideas regarding women as well as psychoanalytic history gender bias and societal norms and deficits Three composite clinical stories allow our distinguished contributors to discuss the contexts within which individual experience can be affected and the role that clinical work may have to mobilize and advance passion and vitality In their discussions the interplay of clinical psychoanalysis sociopolitical context and understanding of gender combine to offer a unique perspective built on decades of scholarship personal experience and clinical expertise *Psychoanalytic Perspectives on Women and Their Experience of Desire Ambition and Leadership* will serve as a reference for all psychoanalysts and psychoanalytic psychotherapists as well as gender studies scholars interested in the progress of psychoanalytic theory regarding women in the 21st century Contributors to this book include Rosemary Balsam Brenda Bauer Andrea Celenza Diane Elise Adrienne Harris Dorothy Holmes Nancy Kulish Vivian Pendar Dionne Powell and Arlene Richards

The Bonds of Love, Revisited Eyal Rozmarin, 2016-03-17 Jessica Benjamin is one of the most important and influential psychoanalysts of the last 4 decades She is one of the founders of relational psychoanalysis a movement that has by now expanded over the globe and was also one of the first to introduce feminism and gender studies into psychoanalytic thought Jessica Benjamin is

the most known and quoted representative of these two movements within world psychoanalysis and beyond in philosophy gender women s studies and cultural studies department everywhere The publication of her book Bonds of Love 1989 was nothing short of a revolution Psychoanalysis was until then a field immune to a changing world to the unrest of the 60s to the feminist and queer liberation movements to the new philosophies of the Frankfurt School in Germany and post structuralism in France The book was a game changer It called psychoanalysis to doubt its most basic premises on the human condition It read Freud through a feminist framework and through Hegel forever tipping our perspective on infancy gender and the interplay of power and dependence that drives human relationships from the start This volume marks the 25th anniversary of Benjamin s work Pulling together 15 international scholars it looks back on the book s first impact as well as on its continued relevance to psychoanalysis and gender studies today Chapters offer theoretical deliberations and elaborations of the book s original themes as well as reflecting on it from more intimate angles as a source of personal and professional inspiration for feminists and clinicians around the world This book was originally published as a special issue of Studies in Gender and Sexuality

Essential Psychotherapies, Third Edition Stanley B. Messer, Alan S. Gurman, 2011-08-17 This book has been replaced by Essential Psychotherapies Fourth Edition ISBN 978 1 4625 4084 6

Identity in Question Anthony Elliott, Paul du Gay, 2009-02-27 A spectacular collection of essays by the most noted theorists of identity The book well frames the issues around identity that presently are defining living in the early 21st century A must read Patricia Ticineto Clough City University New York A wonderfully disparate and impressively distinguished set of authors to address the question of identity The result is exciting and fruitful No other book connects so elegantly sociological notions of individualization with the psychoanalysis of melancholy Scott Lash Goldsmiths University of London Identity in Question brings together in a single volume the world s leading theorists of identity to provide a decisive account of the debates surrounding self and identity Presenting incisive analyses of the impact of globalization postmodernism psychoanalysis and post feminism upon our imaginings of self this book explores the complexity contentiousness and significance of current debates over identity in the social sciences and the public sphere As these contributions make clear mapping the contours and consequences of transformations in identity in our globalizing world is not simply an academic exercise It is a pressing concern for public and political debates As identity continues its move to the centre of political life so too do the possibilities for creatively re imagining how we choose to live both individually and collectively in an age of uncertainty and insecurity Identity in Question is essential reading for all students of self identity individualism and individualization

Exploring Depth Psychology and the Female Self Leslie Gardner, Catriona Miller, 2020-11-23 Exploring Depth Psychology and the Female Self Feminist Themes from Somewhere presents a Jungian take on modern feminism offering an international assessment with a dynamic political edge which includes perspectives from both clinicians and academics Presented in three parts this unique collection explores how the fields of gender and politics have influenced each other how myth and storytelling craft feminist narratives

and how public discussion can amplify feminist theory The contributions include some which are traditionally theoretical in tone and some which are uniquely personal but all work to encounter the female self as an active entity The book as a whole offers a multi faceted and interdisciplinary approach to feminism and feminist issues from contemporary voices around the world as well as a critique of Jung s essentialist notion of the feminine Exploring Depth Psychology and the Female Self will offer insightful perspectives to academics and students of Jungian and post Jungian studies gender studies and politics It will also be of great interest to Jungian analysts and psychotherapists and analytical psychologists

Qualitative Research in Clinical Psychology and Psychotherapy in Latin America Alemka Tomicic, Javiera Duarte Soto, 2025-08-11 This book presents a comprehensive overview of a distinctive tradition of qualitative research in clinical psychology and psychotherapy developed in Latin America Originating mainly from Chile Argentina and Peru this tradition has developed innovative qualitative methods to study indicators of change in psychotherapy mechanisms of change in the psychotherapeutic process and complex phenomena in clinical psychology and psychotherapy These three lines of research are richly illustrated by the chapters brought together in this volume that showcase the work of psychotherapist researchers who developed a research approach that mirrors the qualitative nature of the psychotherapeutic work Qualitative research in psychotherapy has shown significant developments in the context of the Global South Much of this in contrast to the strong quantitative tradition based on Randomized Clinical Trials RCTs developed in North America and Europe is due to the fact that psychotherapy research societies in Latin America were organized by psychotherapists This has created the identity of the psychotherapist researcher a dual identity that entails the notion that psychotherapy research requires a qualitative dimension to make research a part of clinical practice and clinician identity regardless of their theoretical technical orientations This contributed volume aims to provide the reader an overview of the main qualitative methods developed by these psychotherapist researchers

Qualitative Research in Clinical Psychology and Psychotherapy in Latin America Creativity for Studying Complex Objects in Context will be of interest to both researchers and practitioners in the fields of clinical psychology and psychotherapy interested in methodologies that can contribute to the organic incorporation of research into clinical practice and to the study of complex objects in context Some chapters in this book were originally written in Spanish and translated into English with the help of artificial intelligence A subsequent human revision was done primarily in terms of content

Jungian Perspectives on Indeterminate States Elizabeth Brodersen, Pilar Amezcaga, 2020-08-09 In *Jungian Perspectives on Indeterminate States* Betwixt and Between Borders Elizabeth Brodersen and Pilar Amezcaga bring together leading international contributors to analyse and interpret the psychological impact of contemporary border crossing both literally and figuratively Each chapter assesses key themes such as migration culture gender and identity formation through a Jungian lens All the contributors sensitively explore how creative forms can help mitigate the trauma experienced when one is forced to leave safety and enter unknown territory and examines the specific role of indeterminacy liminality and symbols

as transformers at the border between culture race and gender The book asks whether we are able to hold these indeterminate states as creative liminal manifestations pointing to new forms integrate the shadow other as potential and allow sufficient cross border migration and fertilization as permissible It makes clear that societal conflict represents a struggle for recognition and identity and elucidates the negative experiences of authoritarian structures attached to disrespect and misrecognitions This interdisciplinary collection will offer key insight for Jungian analysts in practice and in training psychotherapists anthropologists political and cultural theorists and postgraduate researchers in psychosocial studies It will also be of great interest to readers interested in migration sexuality gender race and ethnicity studies

Money Talks Brenda Berger, Stephanie Newman, 2012-03-12 Sometimes referred to as the last taboo money has remained something of a secret within psychoanalysis Ironically while it is an ingredient in almost every encounter between analyst and patient the analyst's personal feelings about money are rarely discussed openly or in any great depth So what is it about money that relegates it to the background both on the couch and off In Money Talks Brenda Berger Stephanie Newman and their excellent cast of contributors address this and other questions surrounding the tender topic of money how we talk about it and how it talks to us Its multiple meanings are explored in the contexts of patients and analysts and the ways in which they relate in the

training and practice of the analysts themselves as well as the psychological and cultural consequences of having too much or too little in both flush and tight economic times Throughout a clinical sensibility is brought to bear on money's softly spoken place in therapy and life Money Talks paves the way for an open discourse into the psychology of money and its pervasive influence on the psyche of both patient and analyst

Shifting Voices Agatha Schwartz, 2007-12-18 Previous scholarly attention to Hapsburg culture has emphasized its German centred aspects Shifting Voices brings a new focus to the Hapsburg Empire's rich Hungarian component through a comparative feminist analysis of women's literary contributions in Austria and in Hungary

Gender and the Abjection of Blackness Sabine Broeck, 2018-05-23 An anti racist critique of gender studies as a field In Gender and the Abjection of Blackness Sabine Broeck argues that gender studies as a mostly white field has taken insufficient account of Black contributions and that more than being an ethnocentric limitation or blind spot this has represented a structural anti Blackness in the field Engaging with the work of Black feminist authors Sylvia Wynter Hortense Spillers and Saidiya Hartman Broeck critiques a selection of canonical white gender studies texts to make this case The book discusses this problem at the core of gender theory as a practice which Broeck terms enslavism the ongoing abjection of Black life which Hartman has called the afterlife of slavery This has become manifest in the repetitive employment of the woman as slave metaphor so central to gender theory as well as in recent theoretical mutations of these anti Black politics of analogy It is the structural separation of Blackness from gender that has functioned over and over again as the scaffold enabling white women's struggles for successful recognition of equality and subjectivity in the human world as we know it This book challenges white readers to rethink their own untroubled identification with gender theory and it provides all readers with a white feminist theorist's sophisticated theoretical and self critical scholarly account of her own reckoning with and learning in dialogue from Black feminism's critique Broeck draws on a wide range of experience to provide a frame for rethinking gender as category that can work towards something like Black freedom Most importantly Black theoretical insights in this work move beyond intervention to offer a whole new way of being and the author grapples with the new conceptual terrain she is now occupying Rinaldo Walcott author of Queer Returns Essays on Multiculturalism Diaspora and Black Studies

Women, Mothers, Subjects Maura Sheehy, 2015-10-14 This collection drawn from twelve years of the influential journal Studies in Gender and Sexuality offers a groundbreaking advance in thinking and theorizing about what happens to women when they become mothers It explores how women are changed and shaped by interaction with their children and the cultural constructs about motherhood in which they are embedded Distinguished psychoanalysts philosophers feminists gender and cultural theorists explore the meeting place of cultural representations of motherhood maternal theory and mothers interacting in the clinical setting and with their children to illuminate how the process of becoming a mother creates and informs female subjectivity identity desire expression aggression ambition shame envy and relationships Contributors find mothers to be complex subjects negotiating rich hybrid identities that explode received

notions of maternal and even female subjectivity in their complexity They create an exciting and very accessible new set of ideas and templates for thinking about mothers and women that will be of value to clinicians academics and mothers alike This book was originally published as a special issue of Studies in Gender and Sexuality
