locals face their own struggles as they deal with the day to day of their individual lives until their routines are disturbed by the discovery that there may be a murderer lurking among them in the shadows Someone is picking people off in the night and leaving the bodies to be found in the morning Locals see on the news that the victims are being discovered very close to some of their homes in Midtown Sacramento California This page turning fiction thriller dives into the lives of three main characters the killer a college student and a therapist whose stories become intertwined City of Trees City of Shadows blends themes of medicine mental healthcare and violence and nobody is safe *Prison Movies* Kevin Kehrwald,2017-02-14 Prison Movies Cinema Behind Bars traces the public fascination with incarceration from the silent era to the present Often considered an offshoot of the gangster film the prison film precedes the gangster film and is in many ways its opposite Rather than focusing on tragic figures heading for a fall the prison film focuses on fallen characters seeking redemption The gangster s perverse pursuit of the American dream is irrelevant to the prisoner for whom that dream has already failed At their core prison films are about self preservation at the hands of oppressive authority Like history itself prison films display long stretches of idleness punctuated by eruptions of violence dangerous moments that signify liberation and the potential for change The enclosed world of the prison is a highly effective microcosm one that forces characters and audiences alike to confront vexing issues of race class gender and sexuality These portrayals of men and women behind bars have thrived because they deal with such fundamental human themes as freedom individuality power justice and mercy Films examined include The Big House 1930 I Want to Live 1958 The Defiant Ones 1958 Cool Hand Luke 1967 Midnight Express 1978 Escape from Alcatraz 1979 The Shawshank Redemption 1994 and Starred Up 2013 **Shadows on the Shore** Annie Seaton,2025-06-20 When four backpackers go missing near Dunk Island in North Queensland Detective Bec Whitfield is thrust into a chilling search mission The natural beauty masks a dark reality and as the days pass one body is discovered but the others remain missing and suspicions of foul play rise As Bec digs deeper she uncovers a disturbing connection each of the missing women has a connection to a well known resident of the small town With the community in turmoil the man becomes the target of relentless social media persecution As the pressure mounts Bec must navigate public outcry a volatile investigation and her own doubts to uncover the truth before the killer strikes again leaving little time to focus on her growing relationship with Detective Inspector Todd Davenport In Shadows on the Shore a seemingly peaceful paradise becomes the setting for a deadly game of secrets vengeance and the fragile line between truth and rumour Will Bec uncover the real killer before the community s relentless pursuit of justice leads to more bloodshed **Capital Punishment in Twentieth-Century Britain** Lizzie Seal,2014-03-05 Capital punishment for murder was abolished in Britain in 1965 At this time the way people in Britain perceived and understood the death penalty had changed it was an issue that had become increasingly controversial high profile and fraught with emotion In order to understand why this was it is necessary to examine how ordinary people learned about and experienced capital punishment Drawing on primary research this book

explores the cultural life of the death penalty in Britain in the twentieth century including an exploration of the role of the popular press and a discussion of portrayals of the death penalty in plays novels and films Popular protest against capital punishment and public responses to and understandings of capital cases are also discussed particularly in relation to conceptualisations of justice Miscarriages of justice were significant to capital punishment's increasingly fraught nature in the mid twentieth century and the book analyses the unsettling power of two such high profile miscarriages of justice The final chapters consider the continuing relevance of capital punishment in Britain after abolition including its symbolism and how people negotiate memories of the death penalty Capital Punishment in Twentieth Century Britain is groundbreaking in its attention to the death penalty and the effect it had on everyday life and it is the only text on this era to place public and popular discourses about and reactions to capital punishment at the centre of the analysis Interdisciplinary in focus and methodology it will appeal to historians criminologists sociologists and socio legal scholars *The Publishers' Circular and Booksellers' Record*, 1929
