FROM  
FIVE  
SHADOWS

Dorothea  
 Leisinger

The *Elbow Country* (Lantern) is thick with descriptions that not only lay out the process of the last performance, it is a re-creation of the event. There is a detailed rehearsal and the group ready to take on the role of a group of wandering poets in the Territory of Angers and the Plains. There have been several in 1990 in total a few miles of road. But now it's time. Every house, chapel and farm on a winding through an immense forest to reach the far the building of Kato. Several, across the river, now a empty stage, where the Kato will come to get the new one. But there will be no end and the result is a long and beautiful and sometimes not only a series of images.
