Burning Lights Bella Chagall, 1988-03-12 This charming memoir by Bella Chagall recalls her childhood in Vitebsk the Russian Jewish market town where she and her husband Marc Chagall grew up Her warm reminiscences of Jewish family life in pre Revolutionary Russia are illustrated with thirty six pen and ink drawings by Marc Chagall Bella Chagall a gifted author and actress was the youngest of seven children born to a well to do Hasidic family While living in France in the 1930s the Chagalls conceived the idea of commemorating their native town with a book The title they chose was Burning Lights an allusion to the festive candles that in their childhood had lit up the holidays of the Jewish year

Hebrew Literature, 1901

First Steps in the Talmud Jacob Neusner, 2012-07-10 The Talmud is a confusing piece of writing It begins no where and ends no where but it does not move in a circle It is written in several languages and follows rules that in certain circumstances trigger the use of one language over others Its components are diverse To translating it requires elaborate complementary language It cannot be translated verbatim into any language So a translation is a commentary in the most decisive way The Talmud accordingly cannot be merely read but only studied It

contains diverse programs of writing some descriptive and some analytical A large segment of the writing follows a clear pattern but the document encompasses vast components of miscellaneous collections of bits and pieces odds and ends It is a mishmash and a mess Yet it defines the program of study of the community of Judaism and governs the articulation of the norms and laws of Judaism its theology and its hermeneutics Above all else the Talmud of Babylonia is comprised of contention and produces conflict and disagreement with little effort at a resolution No wonder the Talmud confuses its audience But that does not explain the power of the Talmud to define Judaism and shape its intellect This book guides those puzzled by the Talmud and shows the system and order that animate the text

The Mishnah Herbert Danby,2022-04-26 The Mishnah or the Mishna is the first major written collection of the Jewish oral traditions which is known as the Oral Torah It is also the first major work of rabbinic literature The Mishnah was redacted by Judah ha Nasi at the beginning of the 3rd century CE in a time when according to the Talmud the persecution of the Jews and the passage of time raised the possibility that the details of the oral traditions of the Pharisees from the Second Temple period would be forgotten Most of the Mishnah is written in Mishnaic Hebrew but some parts are in Aramaic
