Deppe, 2017-02 This is the first full history of Operation Breadbasket the interfaith economic justice program that transformed into Jesse Jackson's Operation PUSH now the Rainbow PUSH Coalition Begun by Martin Luther King Jr during the 1966 Chicago Freedom Movement Breadbasket was directed by Jackson Author Martin L Deppe was one of Breadbasket's founding pastors He digs deeply into the program's past to update the meager narrative about Breadbasket add details to King's and Jackson's roles and tell Breadbasket's little known story Under the motto Your Ministers Fight for Jobs and Rights the program put bread on the tables of the city's African American families in the form of steady jobs Deppe details how Breadbasket used the power of the pulpit to persuade businesses that sought black dollars to also employ a fair share of blacks Though they favored negotiations Breadbasket pastors also organized effective boycotts as they did after one manager declared that he was not about to let Negro preachers tell him what to do Over six years Breadbasket's efforts netted forty five hundred jobs and sharply increased commerce involving black owned businesses Economic gains on Chicago's South Side amounted to 57.5 million annually by 1971 Deppe traces Breadbasket's history from its early Don't Buy campaigns through a string of achievements related to black employment and black owned products services and businesses To the emerging call for black power Breadbasket offered a program that actually empowered the black community helping it engage the mainstream economic powers on an equal footing Deppe recounts plans for Breadbasket's national expansion its sponsored business expos and the Saturday Breadbasket gatherings a hugely popular black pride forum Deppe shows how the program evolved in response to growing pains changing alliances and the King assassination Breadbasket's rich history as told here offers a still viable model for attaining economic justice today **Pastoral Misconduct** Janelle M. Eliasson-Nannini, 2017-09-08 In the past clergy malfeasance was mentioned only in passing by group members or adherents The subject was invisible and those who studied it were often stigmatized as hostile to religion itself Today clergy misconduct is acknowledged as a social problem with growing conceptual and theoretical implications In *Pastoral Misconduct* Anson Shupe and Janelle M Eliasson Nannini argue that the history and traditions of black pastoral leadership coupled with the close identity of many black congregants with their pastor congregation and racial subculture creates opportunity structures that facilitate predatory behavior Familiarity and mutual identity frequently leads victims to drop their normal levels of wariness Major denominations and minor sects have been studied but this unique study by Shupe and Eliasson Nannini pursues nuances of pastoral bad behavior in a new context This book is not a tabloid treatment of the American black church In fact the black church becomes the vehicle for a major new sociological development a theory of clergy misconduct in any minority religion **Warmonger** Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade
