

William Shakespeare

William Shakespeare has helped to shape us and make us who we are. His plays are performed in theatres, schools, universities, prisons and parks. While you are reading here today, there is being performed somewhere in the world.

Shakespeare's language is vibrant, brilliant and sometimes challenging. Many films, musicals, books, poems, paintings, operas, ballets, pop music, political speeches and TV programmes have been influenced by his work. The world would be a much poorer place without the writing of William Shakespeare.
