Mulryne, 2016-03-09 The guild buildings of Shakespeare's Stratford represent a rare instance of a largely unchanged set of buildings which draw together the threads of the town's civic life With its multi disciplinary perspectives on this remarkable group of buildings this volume provides a comprehensive account of the religious educational legal social and theatrical history of Stratford focusing on the sixteenth century and Tudor Reformation The essays interweave with one another to provide a map of the complex relationships between the buildings and their history Opening with an investigation of the Guildhall which served as the headquarters of the Guild of the Holy Cross until the Tudor Reformation the book explores the building's function as a centre of local government and community law and as a place of entertainment and education It is beyond serious doubt that Shakespeare was a school boy here and the many visits to the Guildhall by professional touring players during the latter half of the sixteenth century may have prompted his acting and playwriting career The Guildhall continues to this day to house a school for the education of secondary level boys The book considers educational provision during the mid sixteenth century as well as examining the interaction between touring players and the everyday politics and social life of Stratford At the heart of the volume is archaeological and documentary research which uses up to date analysis and new dendrochronological investigations to interpret the buildings and their medieval wall paintings as well as proposing a possible location of the school before it transferred to the Guildhall Together with extensive archival research into the town's Court of Record which throws light on the commercial and social activities of the period this rich body of research brings us closer to life as it was lived in Shakespeare's Stratford

Shakespeare's Stratford Edgar Innes Fripp, William Shakespeare, 1973 **Shakespeare's House** Richard Schoch, 2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It's not as romantic as Anne Hathaway's thatched cottage it's not where he wrote any of his plays and there's nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on

original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare's birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today

The Private Life of William Shakespeare Lena Cowen Orlin, 2021-08-26 A new biography of William Shakespeare that explores his private life in Stratford upon Avon his personal aspirations his self determination and his relations with the members of his family and his neighbours The Private Life of William Shakespeare tells the story of Shakespeare in Stratford as a family man The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge It reconsiders clusters of evidence that have been held to prove some persistent biographical fables It also shows how the histories of some of Shakespeare's neighbours illuminate aspects of his own life Throughout we encounter a Shakespeare who consciously and with purpose designed his life Having witnessed the business failures of his merchant father he determined not to follow his father's model His early wedding freed him from craft training to pursue a literary career His wife's work and probably the assistance of his parents and brothers enabled him to make the first of the property purchases that grounded his life as a gentleman With his will he provided for both his daughters in ways that were suitable to their circumstances Anne Shakespeare was already protected by dower rights in the houses and lands he had acquired His funerary monument suggests that the man of small Latin and less Greek in fact had some experience of an Oxford education Evidences are that he commissioned the monument himself

Shakespeare and Stratford-upon-Avon Robert E. Hunter, 2009-07-20 A detailed account by the secretary to the festival committee of the extensive Tercentenary celebrations of Shakespeare's birth held in Stratford upon Avon in 1864 The jubilee inspired by Garrick's of 1769 included performances of several of the plays in a specially built pavilion on the Paddock in Southern Lane There was also a banquet a ball fireworks church services a pageant and several concerts Planning was fraught with difficulties and disagreements such as the committee's refusal to provide the pageant organised in the end by the townsfolk and walked a financial tightrope The event nevertheless was a success and paved the way for the Shakespeare Memorial Theatre opened in 1879 A short biography of the playwright with an assessment of previous biographies a topographical narrative of the town and description of the three previous jubilees held there especially Garrick's provide context and the perspective of the time
