web of first love quirky and secretive townsfolk magic and blood spells I discover the town's secrets aren't just bizarre they're deadly BREATHLESS I am not having the senior year I wanted First of all my boyfriend and the love of my life Michael goes off to college leaving me on my own in the mystical and sometimes scary town of King I think I can take care of myself during my last year here but it turns out there are all kinds of threats ready to prove me wrong First I'm being stalked by a local preacher who suspects I have supernatural gifts He's right The hot new boy at school is flirting with me like crazy Oh and I'm being blackmailed by my chemistry teacher who just might be a witch I'm going to need all of my many talents and a little help from unexpected sources just to keep my head above water literally RESTLESS Aside from the fact that I can hear other people's thoughts I used to be a fairly boring girl But then I moved to King Florida and everything in my life went crazy When I agreed to allow Ms Lacusta to help me develop my powers I had no idea how deep and dark the journey would become Trapped between fascination and fear I end up moving farther away from my friends and family even from my boyfriend Michael Leading a double life forces me into decisions that will threaten my sanity and my future and the very lives of those I love ENDLESS After the insanity that was my senior year in high school my life is back to what passes for normal No witches are trying to kill me No preachers are threatening to drown me I'm away at college with my boyfriend and I'm learning to control my powers Everything is finally perfect until it isn't When my new part-time job leads to more than I bargained for I'm thrown into a deadly fight against forces of evil that I didn't even know existed Mastering my extraordinary gifts and drawing on the strength of an endless love may be the only weapons that can guarantee my happily ever after Save Tomorrow is a series of paranormal romances that begins in the small town of King Florida winds through the Serendipity and Recipe for Death books and finally culminates in Age of Aquarius the inevitable showdown that ties all the characters together in a fight to stop the ultimate evil

**Shakespeare and the Problem of Adaptation** Margaret Jane Kidnie, 2009 Kidnie's study presents original sophisticated and profoundly intelligent answers to important questions Lukas Erne University of Geneva This is a fine and productive book one that will surely draw significant attention and commentary well beyond the precincts of Shakespeare studies W B Worthen Columbia University Shakespeare's plays continue to be circulated on a massive scale in a variety of guises as editions performances and adaptations and it is by means of such mediation that we come to know his drama Shakespeare and the Problem of Adaptation addresses fundamental questions about this process of mediation making use of the fraught category of adaptation to explore how we currently understand the Shakespearean work To adapt implies there exists something to alter but what constitutes the category of the play and how does it relate to adaptation How do play and adaptation relate to drama's twin media text and performance What impact might answers to these questions have on current editorial performance and adaptation studies Margaret Jane Kidnie argues that play and adaptation are provisional categories mutually dependent processes that evolve over time in accordance with the needs of users This theoretical argument about the identity of works and the nature of text and performance is pursued in relation to diverse examples including theatrical productions by the Royal Shakespeare Company the BBC's ShakespeaRe Told the Reduced Shakespeare Company and recent print editions of the complete works These new readings build up a persuasive picture of the cultural and intellectual processes that determine how the authentically Shakespearean is distinguished from the fraudulent and adaptive Adaptation thus emerges as the conceptually necessary but culturally problematic category that results from partial or occasional failures to recognize a shifting work in its textual theatrical instance

**This Is Shakespeare** Emma Smith, 2020-03-31 An electrifying new study that investigates the challenges of the Bard's inconsistencies and flaws and focuses on revealing not resolving the ambiguities of the plays and their changing topicality A genius and prophet whose timeless works encapsulate the human condition like no other A writer who surpassed his contemporaries in vision originality and literary mastery A man who wrote like an angel putting it all so much better than anyone else Is this Shakespeare Well sort of But it doesn't tell us the whole truth So much of what we say about Shakespeare is either not true or just not relevant In This Is Shakespeare Emma Smith an intellectually theatrically and ethically exciting writer takes us into a world of politicking and copycatting as we watch Shakespeare emulating the blockbusters of Christopher Marlowe and Thomas Kyd the Spielberg and Tarantino of their day flirting with and skirting around the cutthroat issues of succession politics religious upheaval and technological change Smith writes in strikingly modern ways about individual agency privacy politics celebrity and sex Instead of offering the answers the Shakespeare she reveals poses awkward questions always inviting the reader to ponder ambiguities
