Do I Look Fat in This? Rhonda Britten, 2007-03-06 The author of *Change Your Life in 30 Days* and *Fearless Living* confronts that nagging question from the inside out. As a Life Coach on the Emmy Award-winning daytime reality show *Starting Over*, Rhonda Britten has helped countless women befriend their bodies first by encouraging them to face and accept what they see in the mirror and then by empowering them to make healthier decisions about their weight. In *Do I Look Fat in This*, Rhonda shares her personal story of body confidence and the stories of many of the women who have reached out to her. With Rhonda's encouragement and advice, people can find the courage and inspiration they need to move from disliking their bodies to celebrating them, from seeing them as objects of shame to considering them their own best friends.

Going Within To Get Out Anonymous Girl, 2013-12 the minute I picked this book up I was on an emotional rollercoaster. It was the most amazing journey to find myself crying one minute and laughing the next with the author's infectious wit and undeniable honesty. The diary entries are so raw and vulnerable and have been written in a way that I have never experienced before. I identified with many things throughout the book and found myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about. At times it felt like there was nowhere to hide; the words I was reading were so confronting it felt as though they were written just for me. Taking this journey with the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me. With every page that I read, I couldn't believe how I was not only totally enthralled in the author's personal life story but that I was actually also uncovering so much about who I am as a person at my very core. It allowed me to discover the parts of myself that I didn't like or accept yet and also how to recognise this in my day-to-day life. I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself. I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul. What I have gained from reading it is without a doubt the best gift anyone could ever give.
