Lot Lizards:

Lot Lizards Ray Garton, 2022-08-17 A lot lizard is a female hooker who works a highway truck stop as her territory When trucker Bill Ketter looks for a little relaxation and release he discovers too late that he has bitten off more than he can chew In fact his lot lizard is the one who does the biting she is a vampire one of a number who move from one truck stop to the next under the watchful and vicious eyes of the repulsive Carsey Brothers Against his will Bill becomes one of the undead He follows the brothers and their cargo to another stop where he meets his ex wife and children and Bill finds himself battling the vampires and their age old leader for the life of his teenage son Garton has created another small masterpiece contemporary adult horror at its most gruesome and loaded with extra doses of sex and gore The confined setting creates a perfect claustrophobic stage for the story and the hellaciously quick pace never lets the action slow down **Lot Lizards** Fred Greene, 2021-12-06 *Lot Lizards* is a novel about life on the road for an over the road truck driver It includes the adventure of truck driving and weaves an interesting story about a serial killer of truckstop prostitutes commonly referred to as LOT LIZARDS by the nation of truck drivers **Indianapolis Monthly**, 2006-10 *Indianapolis Monthly* is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape *Lot Lizards* Fred Greene, 2021-12-06 *Lot Lizards* is a novel about life on the road for an over the road truck driver It includes the adventure of truck driving and weaves an interesting story about a serial killer of truckstop prostitutes commonly referred to as LOT LIZARDS by the nation of truck drivers *Truckin' Up!* Donna Carver, 2014-03-28 Donna Carver gives us a funny and interesting look at the trucking industry and the trucker s CB radio slang From the passenger seat of a sure enough store bought large car she s stylin and profilin checking out the seat covers and watching the bushes for bears as she gets the ride of her life Ride with Donna as she shares her stories from the road Sometimes funny and some sad like when she sees New York after 9 11 Gig John Bowe, Marisa Bowe, Sabin Streeter, 2009-02-04 An engaging humorous revealing and refreshingly human look at the bizarre life threatening and delightfully humdrum exploits of everyone from sports heroes to sex workers Douglas Rushkoff author of *Coercion Ecstasy Club* and *Media Virus* This wide ranging survey of the American economy at the turn of the millennium is stunning surprising and always entertaining It gives us an unflinching view of the fabric of this country from the point of view of the people who keep it all moving The more than 120 roughly textured monologues that make up *Gig* beautifully capture the voices of our fast paced and diverse economy The selections demonstrate how much our world has changed and stayed the same in the three decades prior to the turn of the millennium If you think things have speeded up become more complicated and more technological you re right But people s attitudes about their jobs their hopes and goals and disappointments endure *Gig* s soul isn t sociological it s emotional The wholehearted diligence that people bring to their work is deeply inexplicably moving

People speak in these pages of the constant and complex stresses nearly all of them confront on the job but nearly universally they throw themselves without reservation into coping with them Instead of resisting work we seem to adapt to it Some of us love our jobs some of us don't but almost all of us are not quite sure what we would do without one With all the hallmarks of another classic on this subject *Gig* is a fabulous read filled with indelible voices from coast to coast After hearing them you'll never again feel quite the same about how we work
