Love Among Single Classes:

Love Among the Single Classes Angela Lambert, 2011-09-28 We who are members of the single classes unmarried and unattached are always waiting to fall in love Every day and each encounter holds out the possibility of that momentous flash which will change everything Constance Liddell in her mid forties answers a personal column ad Polish gentleman 50s political refugee seeks intellectual woman for marriage and arranges to meet Iwo Zaluski For Constance her work children friends and friendship with her charming philandering ex husband only sometimes alleviate the deeper longing for intimacy and marriage Meeting Iwo Zaluski for the first time on a walk on Hampstead Heath she perceives in him the loneliness of a fellow exile Too rapidly she falls in love Love Among the Single Classes Angela Lambert, 1989 **Kiss and Kin** Angela

Lambert, 2016-01-18 Life for the newly widowed Harriet Capel is not expected to hold any surprises It will be spent watching over the vicissitudes of her children s marriages and relationships and looking after the grandchildren That is until she sees Oliver Gaunt again He is her daughter in law s father The relationship between the parents in law has always been difficult since their children s wedding day and few words have been spoken When they meet they do not at first recognise one another but the physical attraction between them is powerful and instantaneous As their love affair gathers intensity and pace so do its consequences for the family as a whole **The Radical Isaac** Adi Mahalel, 2023-04-01 Yiddish and Hebrew

writer I L Peretz 1852 1915 was a major leader of Eastern European Jewry in the years prior to World War I and was deeply involved in Jewish politics and communal life throughout his lifetime In **The Radical Isaac** Adi Mahalel examines a central part of his life and art that has often been neglected namely his close alignment with the needs of the Jewish working class and his deep devotion to progressive politics Although there have been numerous studies of Peretz and his work this very central component of his life nonetheless remains severely understudied By offering close readings of the radical Peretz Mahalel recasts the way political activism is understood in scholarly evaluations of the writer s work Employing a partly chronological partly thematic scheme Mahalel follows Peretz s radicalism from its inception and then through the various ways in which it was synchronically expressed during this intense period of history **African-American Women** Norma J. Burgess, Eurnestine Brown, 1999 First published in 2000 Routledge is an imprint of Taylor Francis an informa company

The Class Structure of Capitalist Societies Will Atkinson, 2020-06-11 This first volume of *The Class Structure of Capitalist Societies* offers a bold and wide ranging assessment of the shape and effects of class systems across a diverse range of capitalist nations Plumbing a trove of data and deploying cutting edge techniques it carefully maps the distribution of the key sources of power and documents the major convergences and divergences between market societies old and new Establishing that the multidimensional vision of class proposed decades ago by Pierre Bourdieu appears to hold good throughout Europe parts of the wider Western world and Eastern Asia the book goes on to examine a number of significant themes the relationship between class and occupation the intersection of class with gender religion geography and age the

correspondences between social position and political attitudes self positioning in the class structure and the extent of belief in meritocracy For all the striking cross national commonalities however the book unearths consistent variations seemingly linked to distinct politico economic regimes This title will appeal to scholars and advanced undergraduate and postgraduate students interested in sociology politics and demography and is essential reading for all those interested in social class across the globe Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Family and Democratic Society Joseph K. Folsom, 2013-09-05 This is Volume IV of twenty one in a series on the Sociology of Gender and the Family Originally published in 1949 this is a development of the author's previous work that recommended action in the areas of social psychiatry or individual adjustments The focus of the present volume is the study of the needed changes on the societal and cultural level Individual personality adjustments are studied not as the only thing we can do about it but as a source of guidance as to what social action is needed

The Unconscious Pascal Sauvayre, David Braucher, 2020-08-02 This book explores the unconscious in psychoanalysis using cross disciplinary input from the cultural social and linguistic perspectives This book is the first contemporary collection applying the various perspectives from within the psychoanalytic discipline It covers the unconscious from three main perspectives the metaphysical including links with quantum mechanics and Jung's thought the socio relational drawing on ideas from politics inter generational trauma and the interpersonal and the linguistic drawing on notions of the social construct of language and hermeneutics Throughout the history of psychoanalysis theorists have wrestled with the ubiquitousness and diverse nature of the unconscious This collection is an account of the contemporary psychoanalytic struggle to understand and work with this quintessential defining and foundational object of psychoanalysis This book is primarily of interest to practicing clinicians and trainees It is also of significant interest to any academic professionals and students who adapt psychoanalytic thought in their studies in the humanities including literature philosophy and the social sciences

Class Struggle Or Family Struggle? Seung-kyung Kim, 1997-06-28 This study complements the burgeoning literature on South Korean economic development by considering it from the perspective of young female factory workers In approaching development from this position Kim explores the opportunity and exploitation that development has presented to female workers and humanizes the notion of the Korean economic miracle by examining its impact on their lives Kim looks at the conflicts and ambivalences of young women as they participate in the industrial work force and simultaneously grapple with defining their roles in respect to marriage and motherhood within conventional family structures The book explores the women's individual and collective struggles to improve their positions and examines their links with other political forces within the labor movement She analyses how female workers envision their place in society how they cope with economic and social marginalisation in their daily lives and how they develop strategies for a better future
