Love And Devotion:

The Love of Devotion Donna Goddard, 2022-12-30 As students of life we seek relief from suffering and growth of happiness Deeply considering uplifting ideas raises our consciousness from the realm of the material problem into the powerful and harmonious realm of the spiritual

Addiction and Devotion in Early Modern England Rebecca Lemon, 2018-02-02 Rebecca Lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent modern link of addiction to pathology Surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or God However she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions Specifically early modern medical tracts legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement Yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will Etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to God and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny Examining canonical texts including Doctor Faustus Twelfth Night Henry IV and Othello alongside theological medical imaginative and legal writings Lemon traces the variety of early modern addictive attachments Although contemporary notions of addiction seem to bear little resemblance to its initial meanings Lemon argues that the early modern period's understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon

Love and Devotion Nitya Chaitanya Yati, 1976 *Love and War* Tom Digby, 2014-10-28 Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes intensifies in tandem with dispositions to fight actual wars These are among the fascinating discoveries Tom Digby shares in *Love and War* which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men's physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be

dissolving in many societies war is becoming degendered and gender is becoming demilitarized The Covenant of Love. A Manual of Devotion for the Sick and Suffering A. M. Nārada-bhakti-sūtra: Commentary on the Perfection of Devotion Paramahansa Sri Swami

Vishwananda, 2023-04-05 The Nārada bhakti sūtra compiled by Sage Nārada is a foundational text in the path of bhakti and Vaishnavism As one of the Lord's greatest devotees Sage Nārada stands as a role model and an expert guide to all aspiring devotees In these bhakti sūtras he has extracted the essence of devotion and presented it concisely in only 84 verses Each sūtra is infused with the insight of one who truly lives bhakti to its fullest Maximising the effect of this wisdom by His commentary Paramahansa Vishwananda has added the only missing ingredient practical application How can I actually live such elevated principles today How do I walk this path in this present time and in my current circumstances *The Perennial Quest for a Psychology with a Soul* Joseph Vrinte, 2002-01-01 The subject matter of this book is so vast that it would be presumptuous to attempt to deal with comprehensively and it would be preposterous to pretend to a final solution to a set of ideas as comprehensive as these worldviews The author is aware that the contents of this comparative study may appear offensive to the followers of Sri Aurobindo He tries to stimulate a fruitful dialogue and evaluates this dialogue in a sympathetic manner when he refers to the intentions of both thinkers **Love Beyond Eternity** Rick Anthony, In a world where darkness reigns and fear is the norm one woman sets out on a journey to find true love at any cost Elara is a vampire cursed to live forever in a world where she is feared and shunned by all who know of her kind But Elara is not content to live her life alone and she sets out on a quest to find the one thing that has eluded her for centuries true love As she travels through the darkness Elara encounters all manner of obstacles and challenges from treacherous foes to deep seated prejudices But she is undeterred driven by the hope that somewhere out there there is someone who will accept her for who she is and love her unconditionally And so she continues her journey facing both danger and heartache but always holding onto the hope that one day she will find the love that she seeks But as she travels deeper into the shadows Elara discovers that the path to true love is not an easy one For in a world where fear and hatred run rampant the very thing that she seeks is the very thing that is most elusive Will Elara be able to find true love or will she be forever doomed to walk the shadows alone Follow her on her journey and find out in this compelling tale of love loss and redemption where the power of love and unity can overcome even the darkest of evils **Growing Old** Rudolf Steiner, 2019-05-03 When are we actually old What really happens as we age How can we cope with old age in the best way Growing old is an art and aging in the best way requires spiritual understanding In this enlightening anthology compiled by a director of elder care homes comprehensive cosmological perspectives alternate with detailed observations of aging Rudolf Steiner views aging in the context of the earthly and spiritual evolution which encompasses all forms of existence This book therefore begins with the essential developmental

significance of aging and ends by considering human beings as joint creators in cosmic processes and having the capacity to become increasingly conscious of all that this implies These key texts by Rudolf Steiner show how spiritual knowledge can expand current studies of old age the aging process and problems that older people encounter Issues concerning today s aging population can be seen in a broader context that recognizes the fruits of old age One example of this is the productive relationship between childhood and old age a theme throughout this volume By growing old consciously we can view aging not just as a period of physical decline but more important as a time for actively participating in shaping life We can begin to find greater meaning in the process of growing old Chapters include The Core Messages of Aging Fundamental Principles of Gerontology Aging as a Developmental Process Aging The Risks and Opportunities The Art of Growing Old Old Age and Death Growing Old A Challenge for Education Cosmological Dimensions of Aging

Divine versus Worldly Love Helena Petrovna Blavatsky,2017-10-28 Worldly and Devotional Love compared and contrasted Worldly Love is an intoxication of the Astral Light It is a state of severe mental perturbation Divine Love is the Law of Universal Sympathy Worldly and Devotional Love are the two opposing paths of One Divine Love in the mayavic universe of being Monosexual consciousness is a characteristic of psychic development But in spiritual development consciousness is asexual The first step in true occultism is to try to apprehend the meaning of Universal Brotherhood Devotion and aspiration will help to raise consciousness to higher planes where faith self sacrifice and loyalty to the Teachers is rewarded Give it all away or you will lose it Can devotion to inner contemplative life and a life of fine unselfishness allow of the growth of faculties otherwise dormant and a growing recognition of the underlying unity of man and his surroundings so that truth will make itself known from within and help one to develop a greater physical command of the forces of nature Without Esoteric Philosophy guiding the soul neither
