Don't Quit in the Dip Shaun Nepstad,2020-08-18 Heal from yesterday s pain and find hope for tomorrow with this inspirational guide and learn how God s faithfulness is working for your good even when times are tough If we are truly blessed to be a blessing then we can take the lessons we learn in hardships and turn them around to help others navigate through their seasons of struggle Hope and healing are the two words God has given us Hope for tomorrow and healing from yesterday Shaun Nepstad believes God wants to use our stories to bring hope and healing to others When it comes to life we ve all asked Is there more We want to believe there s more to life than what we re currently experiencing But the problem is so much in life promises more but doesn t deliver There s actually only One who can deliver the more we need and that is Jesus He delivers more than what we ask for or can even imagine Consistently Without fail No matter what our situation looks like Don t Quit in the Dip inspires us to keep fighting To keep believing And to keep helping us experience God s full blessing

Parents and Children C.W. Valentine,2015-06-05 By his wide influence as author and teacher C W Valentine had established himself as a leading authority in this country on child psychology applied to early training Originally published in 1953 this was a book for parents who need help and advice in bringing up their children and who were puzzled by the obscure and often contradictory assertions of child psychologists This book deals with the earliest problems feeding weaning sleep etc it then goes on to early discipline first school difficulties and adolescence The great individual differences in children frequently in the same family are stressed so that parents would not be so ready to imagine behaviour to be abnormal It also sought to help parents understand themselves in their attitude towards their children As teachers social and religious workers children s welfare officers and nurses were increasingly brought into touch with parents to discuss with them the upbringing of their children it was hoped that this book would be of use to those groups as well as to parents themselves
