Love is an Uphill Thing Jimmy Savile, 1976 *Going Public* Julie Macfarlane, 2020-09-14 It took Julie Macfarlane a lifetime to say the words out loud the words that finally broke the calm and traveled farther than she could have imagined In this clear eyed account she confronts her own silence and deeply rooted trauma to chart a remarkable course from sexual abuse victim to agent of change *Going Public* merges the worlds of personal and professional activism and scholarship Drawing upon decades of legal training Macfarlane decodes the well worn methods used by church school and state to silence survivors from first reporting to cross examination to non disclosure agreements At the same time she lays bare the isolation and exhaustion of going public in her own life as she takes her abuser to court challenges her colleagues and weathers a defamation Lawsuit The result is far more than a memoir It s a courageous and essential blueprint on how to go toe to toe with the powers behind institutional abuse and protectionism At long last Macfarlane s experiences bring her to the most important realization of her life that only she can stand in her own shoes and only she can stand up and speak about what happened to her *Thatcher's Secret War* Clive Bloom, 2021-08-02 Scary but enlightening Christopher Stone Margaret Thatcher remains one of the United Kingdom s most polarising prime ministers This provocative investigation sheds light on the secret internal cold war that she waged against the enemy within everyone she could not see eye to eye with It was a campaign fuelled by paranoia on both the left and right of the political spectrum and fought with corruption black propaganda dirty tricks and even murder Expertly juxtaposing notable events with today s political arena this new and updated edition of Thatcher s Secret War surmises that although Thatcher s ideals seem to have vanished one remains the power and importance of the extra parliamentary state and its surveillance methods and hidden powers in a new age of terrorism **The Cumulative Book Index** ,1977 A world list of books in the English language *Manchester United* David L.
