The Catholic Youth's Guide to Life and Love George Anthony Kelly,1960 *Commonweal*,1927 **Catholic Theology of Marriage in the Era of HIV and AIDS** Emily Reimer-Barry,2015-04-09 Marriage for Life begins by listening to the lived experiences of Catholic married HIV positive women in order to better understand their struggles The eight women interviewed in Chicago Illinois USA shared their stories of marriage of family life of church involvement and of living with HIV Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context After listening to and learning from these women's experiences Reimer Barry constructs a theology of Christian marriage that is life giving in a world with AIDS While Catholic teachings have developed and now affirm the equal dignity of women and men troubling legacies of women's subordination remain embedded in liturgical practices and theological texts Arguing that self care is an indispensable component of a healthy marriage Reimer Barry constructs a life affirming theology of marriage that is sensitive to the struggles of her collaborators She argues that marriage for life must promote the full flourishing of both partners respect wives as equal partners with their husbands and offer a coherent and empowering sexual

ethic Building on the wisdom of her collaborators lived experiences Reimer Barry examines the need for a more adequate Catholic response to HIV and AIDS arguing that church communities should promote comprehensive sexual education affirm both abstinence and condom use for HIV prevention and actively work to reduce stigmatizing behaviors within church communities She also unpacks the implications of marriage for life for Catholic liturgical practice marriage preparation programs sexual education programs and family ministries Modeling her method on what Pope Francis calls the art of accompaniment Reimer Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly understand that marriage is for life **Partners in Life and Love** Joseph R. Grabowski, 2018-08-29 The purpose of A Catechism for Family Life Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see Amoris Laetitia 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching

on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question
