McNitt,Michigan Historical Collections,1976 A Letter to My Father John W. Griffin,2002-04-11 *A Letter to My Father* is an extraordinary autobiography of a young black man growing up in a loving and supportive close knit family who finds himself struggling through what he sees as the minefields established by the racial and oppressive nature of White America As the title denotes *A Letter To My Father* is a revealing conversation of a son to his

father However the father is deceased and the letter conveys to him what happened to their family after his death The author shares his personal memories as well as those conveyed to him by his mother brother and extended family He writes his father about a loving and caring mother and her struggle to raise their two sons alone and about a big brother who protects him and tries to become the father they both were without The book in its unique format tells of a young mans experiences while growing up in the streets of Philadelphia PA surrounded by racial images and trying to find his place in a struggle for political and economic equality against the odds of being black poor and uneducated in the 1960 s When his search leads him to the black nationalist ideology of the Nation of Islam he becomes involved in both community activism and crime Soon this results in his being arrested charged and convicted for one of the most heinous crimes ever committed The case became known as the Washington D C Hanafi Muslim Murders and although he would eventually be acquitted he still found himself trapped in and swallowed up by a repressive and counterproductive prison system As the result of governmental manipulations he is convicted in the jail house murder of a government informant and left to deal with the harsh and brutal realities of prison life While desperately trying to maintain a positive relationship with his wife and children he educates himself helps to establish literacy programs for other prisoners becomes a teacher and involves himself in the fight for prison reform In writing A Letter To My Father the author acknowledges personal responsibility for how his life turns out He also reveals societys role in arresting the economic social and political development of black people in America Through the eyes of a young black fatherless male he expresses the frustrations he felt as a member of an outcast minority who after realizing historys lie sets out to deal with it in a world full of confused and misguided concepts The book ends with the deaths of his beloved mother and brother After being incarcerated for over 26 years and always having their love and support he has to deal with and accept the loss of both of them in a six week span While he reaffirms his fight for freedom he realizes that not only has his mother and brother taught him how to stand firm and face the harsh realities of life but also how to stand firm and face the inevitable reality of death
