Trilogy Onyx Cantor, 2020-03-02 This is the story of one man s triumph over Cult Religion As a preacher s son Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion He and four sisters labored to comply with cult demands consistent with their mother s mantra People expect preacher s kids to be perfect The Voice of Truth bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ conflicts with voices of deception from pulpits and pews triggering crippling anxiety depression and suicidal ideation Further compounding his confusion is a terrifying awareness of the cult s distortion of scripture concerning his innate identity When a Connecticut preacher detects his private struggle the Bible scholar promises If you marry a good Pentecostal girl this thing will just fade away Jasper foolishly accepts the challenge believing that the pastor s counsel is based on Truth A 32 year battle ensues during which a Pentecostal preacher s daughter who aware of his struggle and trained in

Exploitation of Advantage manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which simply won't leave me alone. Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth. Absolute Spiritual Warfare ensues during which he is molested by authority figures betrayed by cult dishonesty. Falls into sin, is attacked by demons and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet in losing all, he is delivered from the Darkness of cult idolatry whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jesus Love that boundless unconditional love known only to those who genuinely experience Spiritual Enlightenment to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed authoritarian self-aggrandizing despotic antiChrist heretics who worship only one god: CONTROL.

A Muslim Journey to the Simple Truth Sidate Demba Sene, 2012-04-03 All religions are true in essence and all messengers speak of the same mystery we call God. But both the messenger and the message are stepping stones; your destination is what they point to: the alpha and the omega of creation and totality of consciousness, not the concept but the experience of it. Religion is for man and not man for religion. Man is more important than religion because he is made in the image of God. This book is also about the awareness and celebration of diversity as a condition of life because if we all whistle the same note, there will be no music. And a recognition of oneness not as a beautiful wish but a scientific fact and in the depth of the teachings of Islam.

Hello, It's Me Again Kerri Broome, 2019-12-03 As I continue to learn the importance of self-love, I now understand that I create my world. Little did I know or understand it's just that easy. Love comes from within. It's deep, it's beautiful, it's freedom. A freedom from loneliness, fear, self-doubt, shame, and abandonment. I truly understand and now know the truth that choice is the key to everything, the key to unlock your life and the key to freedom. We only ever have to choose. That's the greatest thing about free will and choice. I ask you to ask yourself: do you want to be free? Or do you want to be held in the imprisonment of the linear life and controlled by the ego-conditioned mind, continuing the third-dimensional matrix? Or are you ready to break free of all linear aspects?
