Shannon Jung, 2012-09-01 Previously published by Cengage Wadsworth this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of the ethical issue Among the classic issues considered are sexuality and reproductive rights prejudice biomedical ethics the environment immigration terrorism war and globalization New issues include development ethics personal finance and consumerism workplace ethics health care and citizenship

*Christian Morality* Geoffrey W. Sutton, Brandon Schmidly, 2016-08-08 Should society care about Christian morality Are Christians out of touch with complex moral decision making *Christian Morality An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues First readers learn of the theological and philosophical foundations of Christian ethics Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues abortion same sex relationships equal treatment of men and women in the workplace sex education and racial bias in incarceration polices      Theology and Literature: Rethinking Reader Responsibility G. Ortiz, C.

Joseph, 2006-05-12 By examining theological and literary narratives through an engagement with well known theorists of reading and religion this collection of essays international in perspective brings together varied refreshing and provocative responses to well established literary and critical theories      Catechist's Guide Thomas Zanzig, 2001 The Catechist's Guide is the heart and soul of the Confirmation preparation process Using solid doctrinal content active learning strategies and creative prayer services lesson plans for twenty three sessions include checklists of materials and preparations background for the catechist an outline and reflection questions for each session      **Confirmed in a Faithful Community Catechist's**

**Guide** Thomas Zanzig, Therese Brown, 2006 The third edition of *Confirmed in a Faithful Community* includes major revisions and updates and it carries with it the firm conviction that Confirmation preparation for adolescents can be theologically sound developmentally appropriate and pedagogically exciting The Catechist's Guide includes new prayer services and significant session rewrites for the reflection period      *Christian Ethics Introduced* Hans O. Tiefel, 2024-03-11 *Christian Ethics Introduced* asks why humans count as ends in themselves The biblical answer was is that humans have standing inherent worth as creatures in the image of God This traditional answer yielded to seventeenth and eighteenth century enlightenment secularism To these secularists human reason promised to be a surer and more peaceable foundation for a just culture than religion Human rationality the light of human reason would enlighten and improve the human condition Two

world wars and more realistic trends in new social sciences created not just awareness of human irrationality but fostered skepticism of sound foundations for morality and justice. It seemed that both traditional religion and enlightened reason fell short of what had been hoped. And the cause of failure may not lie in traditional religion or in human irrationality. Rather the problem might lie in human conduct. Specifically it may lie in the human inclination to favor self over others of the me outranking the we. Christian responses to the human failure to live a moral and just life recognize the persistence of immoral conduct, acknowledge it in regard to oneself, ask for forgiveness and make amends and peace with God and with those wronged.

[1 & 2 Peter, Jude](#) Erland Waltner, J. Daryl Charles, 2000-12-03. This title is available on eBook. For more information see [www.MennoMedia.org/ebooks](http://www.MennoMedia.org/ebooks). Erland Waltner explains how 1 Peter applies Jesus' teaching on loving the enemy to the life situation of scattered Christians in Asia Minor. Peter empowers believers to be communities of hope, not retaliating for the abuse they suffer but bearing witness of their Lord by word, lifestyle, and doing good. J. Daryl Charles shows how 2 Peter and Jude are relevant since the church still faces ethical compromises and pastoral dilemmas. Their apocalyptic imagery stresses that the concerns of Christian faithfulness and faith are absolutely crucial. The church needs such moral exhortation.

[Oliver O'Donovan's Moral Theology](#) Samuel Tranter, 2020-10-01 This book offers the first sustained full length treatment of the wide ranging work of major Anglican theologian Oliver O'Donovan Analyzing such key texts as Resurrection and Moral Order The Desire of the Nations and Ethics as Theology Samuel Tranter shows that the relationship between eschatology and ethics is an area of significant tension in O'Donovan's evolving vision of moral theology

Tranter traces this tension as it relates to O Donovan's writing and contemporary discussion around natural law divine command and human flourishing as well as to particular topics such as poverty marriage and singleness and biotechnology He also connects it with the broader doctrinal features of O Donovan's project such as his accounts of creation sin and redemption and his understanding of the relationships between the cross and the resurrection on one hand and Christology and pneumatology on the other Throughout Tranter indicates the implications of these themes for our understanding of the Christian life This volume establishes and evaluates O Donovan's influence on contemporary Christian ethicists and political theologians such as Luke Bretherton Gilbert Meilaender Jean Porter and Brent Waters and engages with critical readings of O Donovan such as those by Stanley Hauerwas and Gerald McKenny In conversation with these and other voices from a range of perspectives Tranter shows how O Donovan's proposals may be appropriated and amended as a resource for theology and ethics going forward

*Living Morality* Iii Tm ,

**Virtue and the Moral Life** William Werpehowski, Kathryn Getek Soltis, 2014-07-22 The scope of interest and reflection on virtue and the virtues is as wide and deep as the questions we can ask about what makes a moral agent's life decent or noble or holy rather than cruel or base or sinful or about the conditions of human character and circumstance that make for good relations between family members friends workers fellow citizens and strangers and the sorts of conditions that do not Clearly these questions will inevitably be directed to more finely grained features of everyday life in particular contexts

*Virtue and the Moral Life Theological and Philosophical Perspectives* takes up these questions In its ten timely and original chapters it considers the specific importance of virtue ethics its public significance for shaping a society's common good the value of civic integrity warfare and returning soldiers sense of enlarged moral responsibility the care for and agency of children in contemporary secular consumer society and other questions involving moral failure humility and forgiveness

**Resurrection and Moral Order** Oliver O'Donovan, 2020-05-21 In this truly seminal work the Regius Professor of Moral and Pastoral Theology at Oxford University illuminates the distinctive nature of Christian ethics with profound thought and massive learning By grounding Christian ethics in the resurrection of Jesus Christ he avoids both a revealed ethics that has no contact with the created order and one that is purely naturalistic For this second edition Professor O'Donovan has added a prologue in which he enters into dialogue with John Finnis Martin Honecker Karl Barth and Stanley Hauerwas Essential reading for advanced students of theology and ethics and their teachers
