Teach Fifth Grade Math with Confidence. This scripted open and go program from math educator Kate Snow will give you the tools you need to teach math with confidence even if it's been years since you learned these concepts yourself. Engaging hands-on lessons will help your child develop a strong understanding of math step by step. This scripted open and go program from math educator Kate Snow will give you the tools you need to teach math with confidence even if it's been years since you learned these concepts yourself. Engaging hands-on lessons will help your child develop a strong understanding of math step by step: adding, subtracting, multiplying and dividing decimals, adding and subtracting fractions with different denominators, multiplying and dividing fractions and mixed numbers, multi-step fraction and decimal word problems, solving measurement problems with fractions and decimals, line graphs and the coordinate plane, geometry and volume, mean and median. Your child will develop strong math skills and a positive attitude toward math with fun games and real world applications. All you'll need are this Instructor Guide, the two Student Workbooks, Part A and Part B and a few simple manipulatives like base ten blocks and fraction tiles to make math come alive for your child. Hands-on incremental lessons that steadily build conceptual understanding. Daily review to ensure children retain what they've learned and master essential skills. Step by step examples help your child develop math study skills and greater independence. Games and real world applications make math fun and relevant. Clear directions and explanatory notes make teaching straightforward for the parent. Optional extension activities and enrichment book recommendation link math lessons with everyday life.

WHAT PARENTS ARE SAYING: Math with Confidence has made math the favorite subject in our homeschool. My kids love it and are learning the why behind every new skill they learn. As a self-proclaimed math-phobic person, I feel completely supported by the teacher's guide to present the material and help my children.
