Forthcoming Books Rose Army, 1995-02      *A Matter of Trust* Penny Jordan, 2012-07-16 Never Get Involved Debra Latham followed her instructions closely when she was persuaded by her private detective sister to keep a watch on a suspicious client But no instructions told her how to cope with an angry man who believed she was spying on him or how to defend herself against his impassioned kisses Marsh Graham turned out to be completely innocent and embarrassingly for Debra he was also her new boss Not exactly the most auspicious of starts to a working relationship But another form of a more personal relationship was what Marsh had made clear he wanted They shared many common interests after all including a desire to help local children in need But Debra had serious reasons for never wanting to get involved      In re Matter of the Estate of Ruggles; Pfeiffer v.
