## **Matters Of My Heart:**

**Matters of the Heart** Buddy Hendricks, 2023-06-14 This is a book of 93 poems that come from the heart of one who lived and loved life The poems run the gamut of subject matter from deadly serious to utterly whimsical and humorous even nonsensical The reader will experience poetically what it meant to grow up in the 50 s and 60 s as seen through eyes aspirations hopes and dreams of a southern Indiana boy Most of the poems are written in groups of 4 line verses and attempt to rhyme at the end of the lines In other words they share a close similarity to music lyrics Sometimes readers will experience sentence structure that reads like Old English but that is one of the hidden gems of the book Either way you can't help but experience love joy and wonder in a unique way as it is penned by this author [MATTERS OF THE HEART](#) Patrick J Vaughan, 2010-02-19 We need to learn to concentrate on our spiritual heart even more than we concentrate on our physical heart We need to learn to release and dig up the pain and sorrows that have cast away the person we were or the person we were to become There are over 900 specific scriptures in the Bible according to the Strong's Concordance dealing with the word heart The Bible talks a lot about the condition of the heart We are going to look at many conditions many insights and many examples of people of scripture that have dealt with and changed their hearts through faith and truth There is a spiritual battle going on right now for your spiritual heart There is a battle for your affection and your intimacy We are going to learn about the spiritual heart and how God can make us new whole and complete the way we are meant to be There are many matters of the heart spoke about in the Bible because the state of my heart and your heart really does matter

[Matters of the Heart](#) Ajiri Nsikak-Okoro, 2012-04-16 *Matters of the Heart* Fay Bound Alberti, 2010-01-14 The heart is the most symbolic organ of the human body Across cultures it is seen as the site of emotions as well as the origin of life We feel emotions in the heart from the heart stopping sensation of romantic love to the crushing sensation of despair And yet since the nineteenth century the heart has been redefined in medical terms as a pump an organ responsible for the circulation of the blood Emotions have been removed from the heart as an active site of influence and towards the brain It is the brain that is the organ most commonly associated with emotion in the modern West So why then do the emotional meanings of the heart linger Why do many transplantation patients believe that the heart for instance can transmit memories and emotions and why do we still refer to emotions as heartfelt We cannot answer these questions without reference to the history of the heart as both physical organ and emotional symbol *Matters of the Heart* traces the ways emotions have been understood between the seventeenth and nineteenth centuries as both physical entities and spiritual experiences With reference to historical interpretations of such key concepts as gender emotion subjectivity and the self it also addresses the shifting relationship from heart to brain as competing centres of emotion in the West **Book of Edward Christian Mythology (Volume I: Matters of the Heart)** Edward G.
