Trees: For Shelter and Shade, For Memory and Magic Charles Fenyvesi, 2019-08-16 Linking practical neighborly advice to the many cults of tree worship across the globe Charles Fenyvesi offers an inspiring overview of planting pruning and enjoying trees He pays homage to the immortalized oak and birch as well the controversial qualities of the paulownia also known as Princess Tree named after Czar Paul's daughter and the catalpa planted by Frederick the Great in his Potsdam estate and favored by President Thomas Jefferson For property owners who cry out for the drama of a solitary singularly expressive specimen or have room for but one tree this book lists categories such as elegance or informality longevity or low maintenance shape or color character or foliage This book

entertains while teaching each of us how we can better connect with trees using mind hands and hearts R Neil Sampson Executive Vice President American Forestry Association Will make all of us take a new look at the stories and pleasures of trees in our lives and landscapes presented in a series of vignettes that compel you to read use and plant trees H Marc Cathey National Chair Florist and Nursery Crops Review US Department of Agriculture Columnist Charles Fenyesi makes trees seem as familiar as the families who live on the block He gives very good advice and along the way he makes the trees memorable as he discusses them with evident pleasure and knowledge Virginia Greiner garden columnist Washington Times

Holographic Memories Jora Raven,2024-09-18 *Holographic Memories* plunges readers into a mesmerizing near future world where memories are stored as holographic data blurring the lines between reality and virtual experiences At the heart of this cyberpunk thriller is Zara a memory archaeologist who stumbles upon a conspiracy that threatens the very essence of human consciousness As she navigates through a maze of corrupt corporations and underground resistance movements Zara s investigation unearths long buried historical truths that challenge everything she thought she knew Set against the backdrop of a sprawling metropolis the novel delves deep into the ethical quandaries of memory manipulation and its profound impact on identity Zara s journey becomes a gripping exploration of self discovery as she questions the authenticity of her own cherished memories With each twist and turn readers are drawn into a world where the past is as malleable as the future and the power to control memories equals the power to shape reality itself This thought provoking technological thriller offers a unique blend of pulse pounding action and philosophical introspection making it a must read for fans of urban fantasy and science fiction alike

The Playground ,1928 *Public Memory and the Television Series Outlander* Valerie Lynn Schrader,2020-12-30 Using rhetorical criticism as a research method *Public Memory and the Television Series Outlander* examines how public memory is created in the first four seasons of the popular television show *Outlander* In this book Valerie Lynn Schrader discusses the connections between documented history and the series noting where *Outlander* s depiction of events aligns with documented history and where it does not as well as how public memory is created through the use of music language directorial and performance choices and mise en sc ne elements like filming location props and costumes Schrader also explores the impact that *Outlander* has had on Scottish tourism known as the *Outlander effect* and reflects on whether other filming locations or depicted locations may experience a similar effect as *Outlander* s settings move from Scotland to other areas of the world Furthermore Schrader suggests that the creation of public memory through the television series encourages audiences to learn about history and reflect on current issues that are brought to light through that public memory

More Than a Memory Michael W. Medley,2009-02 Much had to occur in this world to give it the beauty and complexity that now exist What we are enjoying and experiencing in our lifetime did not just happen It came about through the progression of humanity by individuals like you and me Although studying the ancient past has become a fascinating endeavor for some it can be just as intriguing to find out more about our more recent past It can make us wonder

how we would have fared during that same time period More Than a Memory will take you on a wonderful and often peculiar journey that happened to author Michael Medley during a significant growth period of the twentieth century Read how the mysterious connection of an individual who was considered an outcast had a powerful impact on Medley and society at large More Than a Memory inspires readers to remember certain aspects of their own lives while unknowingly being influenced by the spirit of a surprising personality who is the center of it all *The Memory of Whiteness* Kim Stanley

Robinson,2025-09-23 An early novel from Science Fiction legend Kim Stanley Robinson *The Memory of Whiteness* is now available for the first time in decades In 3229 A D human civilization is scattered among the planets moons and asteroids of the solar system Billions of lives depend on the technology derived from the breakthroughs of the greatest physicist of the age Arthur Holywelkin But in the last years of his life Holywelkin devoted himself to building a strange beautiful and complex musical instrument that he called The Orchestra Johannes Wright has earned the honor of becoming the Ninth Master of Holywelkin s Orchestra Follow him on his Grand Tour of the Solar System as he journeys down the gravity well toward the sun impelled by a destiny he can scarcely understand and is pursued by mysterious foes who will tell him anything except the reason for their enmity At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Living Memory Andor Schwartz,2010-04-01 They have no graves no markers of ever having existed The millions of people who were murdered by the Nazis live on only in the memories of the survivors those that had survivors In his

seventy ninth year Andor Schwartz was driven to record the lives of his family and friends who perished Writing with the instincts of a born storyteller Andor takes us back to the world of his childhood in rural Hungary in the years leading up to the Second World War His love of nature and country life his friendships the harvests the Jewish festivals the age old customs now lost are all evoked with an intense vitality before the dark clouds of evil obliterated the sunshine of this Arcadian childhood We live with him through the horrors of the Holocaust on the run in Budapest evading death time and time again under the protection of his Malach angel whose name had been given to him by his father on their separation Andor survived but his entire family perished He takes us to Israel and then to Australia where he prospered his children had children and the cycle of life returned to its natural and proper order Possessing a memory of extraordinary fidelity and vividness Andor Schwartz has succeeded almost miraculously in bringing back to life the fascinating world of his family and of pre war Orthodox Hungarian Jewry I could not put it down Robert Manne Andor Schwartz was born in Hungary in 1924 He survived the Second World War in Budapest although his whole family was killed before marrying Margaret Baba Keimovits one of the few survivors from their area They fled to Israel when the communists came to power in 1949 After ten years of working the land they migrated to Melbourne where he became a dairy farmer and a successful property developer **Gendering the Memory of Work** Maria Tamboukou,2016-07-07 This book explores gendered aspects in the memory of work by looking at auto biographical narratives and political writings of women workers in the garment industry The author draws on cutting

edge theoretical approaches and insights in memory studies neo materialism and discourse analysis particularly looking at entanglements and intra actions between places bodies and objects Tamboukou aims to enrich our appreciation of the role of women s labour history in the wider realm of cultural memory as well as in the politics of women s work The book addresses a significant gap in the literature by focusing on the memory of work from a gendered perspective It also examines the relationship between workspaces and personal spaces the intimate intense and often invisible ways through which workers occupy workspaces and populate them with their ideas emotions beliefs habits and everyday practices The book will be a theoretical and methodological toolbox for students and researchers in the interface of the social sciences and the humanities as well as a vital resource in women s labour history It will be particularly relevant for sociologists cultural theorists feminist scholars and social historians

Sounding Out Japan Richard Chenhall, Tamara Kohn, Carolyn S. Stevens, 2020-11-26 This book takes the reader on a sensory ethnographic tour in Japan and describes the many ways sounds seep into everyday experiences So many ethnographies describe local worlds with a deep attention to what is seen and what people say but with a limited understanding of the broader sonic environments that enrich and inform everyday life Through a focus on sounds both real and imagined the volume employs a critical ear to engage with a range of sonically enriched encounters including crosswalk melodies in streetscapes announcements and jingles at train stations water features in gardens dosimeters in nuclear affected zones sounds of training in music and martial arts halls and celebrations under blossoming cherry trees The authors use various analytic frames to understand the communicative and symbolic aspects of sounds and to sense the layers of historical meaning embodied action and affect associated with sonic environments

A Journal of Faraway Lands Trinh Quang Phu, 2022-12-06 The Journals of the farway lands that are in the hands of readers is Trinh Quang Phu s latest work at his rare matured age but his pen is still strong and his flow of writing is still powerful Journal is his forte His writing is simply natural yet thoroughly and deeply We see the glimpse of Paustovsky when the writer describes the beautiful scenery of Moscow in the golden autumn then the birch forest was in its changing season a bright yellow 3 dimensional space as if to lift up the human soul or the scene And the beauty of Mount Fuji of the land of cherry blossoms is as if in the painting of Levitan appearing in front of the reader The writer NGUYEN TRUONG Director Editor in Chief of Thanh Nien Publishing House
