New Morningside Papers:

The New Morningside Papers Peter Gzowski, 1987 Peter Gzowski R.B. Fleming, 2010-08-27 Born in 1934 Peter Gzowski covered most of the last half of the century as a journalist and interviewer This biography the most comprehensive and definitive yet published is also a portrait of Canada during those decades beginning with Gzowski's days at the University of Toronto's The Varsity in the mid 1950s through his years as the youngest ever managing editor of Maclean's in the 1960s and his tremendous success on CBC's Morningside in the 1980s and 1990s and ending with his stint as a Globe and Mail columnist at the dawn of the 21st century and his death in January 2002 Gzowski saw eight Canadian Prime Ministers in office most of whom he interviewed and witnessed everything from the Quiet Revolution in Quebec to the growth of economic nationalism in Canada's West From the rise of state medicine to the decline of the patriarchy Peter was there to comment to resist and to participate Here was a man who was proud to call himself Canadian and who made millions of other Canadians realize that Canada was in what he claimed was a Canadian expression not a bad place to live **Papers and Proceedings** American Library Association. Annual Conference, 1894 *Sessional Papers* Canada. Parliament, 1924 Report of the Dominion fishery commission on the fisheries of the province of Ontario 1893 issued as vol 26 no 7 supplement

The Papers of Frederick Law Olmsted Frederick Law Olmsted, 2013-11-30 These papers document the personal and professional life of the foremost landscape architect in American history Frederick Law Olmsted relocated from New York to the Boston area in the early 1880s With the help of his stepson and partner John Charles Olmsted his professional office grew to become the first of its kind a modern landscape architecture practice with park subdivision campus residential and other landscape design projects throughout the country During the period covered in this volume Olmsted and his partners apprentices and staff designed the exceptional park system of Boston and Brookline including the Back Bay Fens Franklin Park and the Muddy River Improvement Olmsted also designed parks for New York City Rochester Buffalo and Detroit and created his most significant campus plans for Stanford University and the Lawrenceville School The grounds of the U S Capitol were completed with the addition of the grand marble terraces that he designed as the transition to his surrounding landscape Many of Olmsted's most important private commissions belong to these years He began his work at Biltmore the vast estate of George Washington Vanderbilt and designed Rough Point at Newport Rhode Island and several other estates for members of the Vanderbilt family Olmsted wrote more frequently on the subject of landscape design during these years than in any comparable period He would never provide a definitive treatise or textbook on landscape architecture but the articles presented in this volume contain some of his most mature and powerful statements on the practice of landscape architecture Papers and Proceedings of the ... Gzowski,1990-10-01 Alexander "Fighting Elleck" Hays Wayne Mahood,2015-06-08 Although he never achieved the renown of Ulysses S Grant or Robert E Lee General Alexander Hays was one of the great military men of the Civil War Born July 8 1819 in Franklin Pennsylvania Hays graduated from West Point and served with distinction during the Mexican War When the Civil War began a few years later it was no surprise that Hays immediately volunteered and was given the initial rank of colonel with a later meritorious promotion to general Hays was also known for his concern for his men a fact that no doubt contributed to the acclaim which he received after his death on May 5 1864 at the age of 44 From West Point to the Civil War this biography takes a look at Hays s life concentrating with good cause on his military career Personal correspondence and contemporary sources are used to complete the picture of a complex man devoted husband and father and gifted and dedicated soldier

The Lost Spy: An American in Stalin's Secret Service Andrew Meier,2009-08-10 Filled with dramatic revelations The Lost Spy may be the most important American spy story to come along in a generation exploring the life and death of Isaiah Oggins one of the first Americans to spy for the Soviets of illustrations **Papers and Proceedings of the ... General Wadsworth Wayne Mahood,2003-07-31 The first full biography of James S Wadsworth important Union general prominent New York politician and anti slavery statesman *Papers and Proceedings of the ... Annual Meeting of the American Library Association* American Library Association,1896 **Technical Association Papers** Technical Association of the Pulp and Paper Industry,1920 Margaret Bonds John Michael Cooper,2025 Composer pianist teacher and social justice activist Margaret Bonds fought against racism sexism and economic injustice throughout her career amassing a portfolio of social justice compositions unrivalled in eloquence and originality which challenged longstanding barriers between Black and White male and female popular and classical During her lifetime the political economy of music publishing consigned most of her music to manuscript dissemination and since her death despite the enduring popularity of works such as He s Got the Whole World in His Hand and The Ballad of the Brown King her success in transcending the barriers she faced as an African American and a woman has been obscured by the forces of racism and sexism in concert life which together with White and male dominated music historiography have viewed her life and work through the lens of specious racist and sexist tropes This book draws on an unprecedented mass of archival evidence to set aside those tropes and offer a fresh portrait of Margaret Bonds Examining her published and unpublished music it shows how the child prodigy rose to become the first African American woman whose music was performed widely in Africa one of the first African American women whose music was broadcast on European radio the first African American woman and pianist to perform with a major U S orchestra the second African American woman in classical music to attain full membership in ASCAP the first woman Black or White to win not one or two but three awards from that predominantly White and male organization the lasting musical voice of Langston Hughes and the teacher of other notables including Ned Rorem and Cheryl Wall It thus

shows how the confluence of natural genius matrilineal and racial pride faith and support from the community of African American artists intellectuals and institutions enabled Margaret Bonds to become one of the most extraordinary figures in all of twentieth century music In response to the increasing globalization of music the Composers across Cultures series formerly the Master Musicians series seeks to explore the inexhaustible diversity of music and its common links to our shared humanity The Paper Record ,1918 *Canadian Books in Print* ,1996 Law and Order Michael W. Flamm,2005 Law and Order offers a valuable new study of the political and social history of the 1960s It presents a sophisticated account of how the issues of street crime and civil unrest enhanced the popularity of conservatives eroded the credibility of liberals and transformed the landscape of American politics Ultimately the legacy of law and order was a political world in which the grand ambitions of the Great Society gave way to grim expectations In the mid 1960s amid a pervasive sense that American society was coming apart at the seams a new issue known as law and order emerged at the forefront of national politics First introduced by Barry Goldwater in his ill fated run for president in 1964 it eventually punished Lyndon Johnson and the Democrats and propelled Richard Nixon and the Republicans to the White House in 1968 In this thought provoking study Michael Flamm examines how conservatives successfully blamed liberals for the rapid rise in street crime and then skillfully used law and order to link the understandable fears of white voters to growing unease about changing moral values the civil rights movement urban disorder and antiwar protests Flamm documents how conservatives constructed a persuasive message that argued that the civil rights movement had contributed to racial unrest and the Great Society had rewarded rather than punished the perpetrators of violence The president should conservatives also contended promote respect for law and order and contempt for those who violated it regardless of cause Liberals Flamm argues were by contrast unable to craft a compelling message for anxious voters Instead liberals either ignored the crime crisis claimed that law and order was a racist ruse or maintained that social programs would solve the root causes of civil disorder which by 1968 seemed increasingly unlikely and contributed to a loss of faith in the ability of the government to do what it was above all sworn to do protect personal security and private property **Stand, Columbia** Robert McCaughey,2003-10-22 Stand Columbia Alma Mater Through the storms of Time abide Stand Columbia Alma Mater Through the storms of Time abide Stand Columbia by Gilbert Oakley Ward Columbia College 1902 1904 Marking the 250th anniversary of one of America s oldest and most formidable educational institutions this comprehensive history of Columbia University extends from the earliest discussions in 1704 about New York City being a fit Place for a college to the recent inauguration of president Lee Bollinger the nineteenth on Morningside Heights One of the original Colonial Nine schools Columbia s distinctive history has been intertwined with the history of New York City Located first in lower Manhattan then in midtown and now in Morningside Heights Columbia s national and international stature have been inextricably identified with its urban setting Columbia was the first of America s multiversities moving beyond its original character as a college dedicated to undergraduate instruction

to offer a comprehensive program in professional and graduate studies Medicine law architecture and journalism have all looked to the graduates and faculty of Columbia's schools to provide for their ongoing leadership and vitality In 2003 a sampling of Columbia alumni include one member of the United States Supreme Court three United States senators three congressmen three governors New York New Jersey and California a chief justice of the New York Court of Appeals and a president of the New York City Board of Education But it is perhaps as a contributor of ideas and voices to the broad discourse of American intellectual life that Columbia has most distinguished itself From The Federalist Papers written by Columbians John Jay and Alexander Hamilton to Charles Beard's An Economic Interpretation of the Constitution and Jack Kerouac's On the Road to Edward Said's Orientalism Columbia and its graduates have greatly influenced American intellectual and public life Stand Columbia also examines the experiences of immigrants women Jews African Americans and other groups as it takes critical measure of the University's efforts to become more inclusive and more reflective of the diverse city that it calls home

The Longest Night David J Eicher, 2002-03-30 A riveting indispensable history of the Civil War told chronologically from the first shots fired at Fort Sumter to the surrender in the summer of 1865 a conflict that James McPherson in the Foreword calls the most dramatic violent and fateful experience in American history In this compelling account of the American Civil War noted historian David Eicher gives us an authoritative history of battle from the first shots at Fort Sumter to Lee's surrender at Appomattox As a strictly military history The Longest Night covers hundreds of engagements both well known and obscure including the oft neglected Western theater and naval actions along the coasts and rivers The result is a gripping popular history that will fascinate anyone just learning about the Civil War while offering more than a few surprises for longtime students Drawing on hundreds of sources and excerpts from correspondence by those who fought the war The Longest Night conveys a real sense of life and death on the battlefield In addition Eicher analyzes each side's evolving strategy examines the tactics of Lee Grant Johnston and Sherman and discusses significant topics such as prisons railroads shipbuilding clandestine operations and the role of African Americans in the war This is an definitive chronicle of the war that as the author writes like no other conflict in our history casts a long shadow onto modern America
