New Possibilities For Early Childhood Education Stories From Our Nontraditional Students:

New Possibilities for Early Childhood Education Susan Bernheimer, 2003 This book speaks to the heart of an urgent task facing teacher preparation programs on campuses at the beginning of the twenty first century How can college instructors work most effectively with a new generation of nontraditional students that includes growing numbers of immigrants single parents and returning homemakers struggling to find their way in large and unfamiliar institutions Susan Bernheimer went straight to the source for answers interviewing impoverished students aspiring to become teachers of young children Revealing poignant and replete with practical insights about learning and inclusion the students words reflect their desire to become teachers a desire hidden beneath their fears and silence Their stories testaments to courage and faith remind us of the pivotal role of the classroom teacher at all levels of education In a book filled with student narratives classroom vignettes and instructional strategies Bernheimer shows rather than tells inspires rather than judges She blends research and interviews with her own classroom experience and urges educators to integrate students lives and voices into the curriculum *New Possibilities for Early Childhood Education* offers an inside perspective and a new vision for all classroom teachers

We're Not Robots Enid Elliot, 2012-02-01 This fascinating book presents the stories of infant toddler caregivers and their work to illustrate the complexity of balancing relationships with babies families coworkers and self yet remaining emotionally present and mindfully engaged Enid Elliot explores the inevitable tensions of working within these various relationships and demonstrates how proficient caregivers can develop strategies for achieving this delicate balance In the process she raises provocative questions about how we care for babies and how to provide education and support for their caregivers

Teacher Education in Diverse Settings Larry Prochner, Ailie Cleghorn, Anna Kirova, Christine Massing, 2016-09-27 *Teacher Education in Diverse Settings* presents a study of initial educator preparation in three social contexts a training program for immigrant child care educators in Canada a pre and lower primary specialization in a teacher education program in Namibia and a partnership between the Misak indigenous communities in Colombia and the University of Cauca to deliver courses for educators within their communities In each setting the book explores the relationships between indigenous ways of thinking and western discourse in reference to the preparation of educators whether they be teachers community leaders or newly arrived immigrants in Canada In each case the authors focus is on the tensions between the local understandings and global ideas and the creation of space for diverse but intersecting worldviews The book's goal is to investigate ways that teacher educators parents and communities can better prepare children for the realities of schooling while preserving the integrity of local norms and values through educator preparation programs *Immigrant and Refugee Students in Canada* Courtney Anne Brewer, Michael McCabe, 2014-06-30 Recent immigrants and refugees both children and their families often struggle to adapt to Canadian education systems For their part educators also face challenges when developing effective strategies to help these students make smooth transitions to their new country In *Immigrant and Refugee Students in Canada* researchers

join educators and social workers to provide a thorough and wide ranging analysis of the issues at the preschool elementary secondary and post secondary levels By understanding these issues within the unique Canadian context educators can work more effectively with newcomers trying to find their way This book pursues three lines of inquiry What are the main challenges that immigrant and refugee children and families face in the Canadian education system What are the common aspects of successful intervention What can we learn from the narratives of researchers educators social workers and other frontline workers who work with immigrant and refugee families *Living Stories* Susan Bernheimer,2019 This book offers a powerful new road map for early childhood teacher preparation through a relational pedagogy that honors students life experience and that leads to deep reflection and learning **YC Young Children** ,2007 **Diversity in Early Care and Education: Honoring Differences** Janet Gonzalez-Mena,2008 Diversity in Early Care and Education explores the rich diversity encountered in programs and environments for children ages birth to 8 including those serving children with special needs **Resources for Observation and Reflection** Janet Gonzalez-Mena,2005 Presents an overview of important theory grounded in the key skills new educators need to succeed from respect for the diversities of children and families to achieving the most current NAEYC standards from cover **Handbook of Early Childhood Teacher Education** Leslie J. Couse,Susan L. Recchia,2015-07-24 This handbook synthesizes both contemporary research and best practices in early childhood teacher education a unique segment of teacher education defined by its focus on child development the role of the family and support for all learners The first volume of its kind the Handbook of Early Childhood Teacher Education provides comprehensive coverage on key topics in the field including the history of early childhood teacher education programs models for preparing early childhood educators pedagogical approaches to supporting diverse learners and contemporary influences on this quickly expanding area of study Appropriate for early childhood teacher educators as well as both pre and in service teachers working with children from birth through 8 this handbook articulates the unique features of early childhood teacher education highlighting the strengths and limitations of current practice as based in empirical research It concludes by charting future directions for research with an aim to improve the preparation of early childhood educators Resources in Education ,1998
