Passing Through Midnight:

Passing Through Lightning Mark E Benjamin, 2006-03 **Passing Through** Stanley Kunitz, 1995 Gathers poems from Stanley Kunitz including poems from his later years such as Halley's Comet and My Mother's Pears **Self, Nation, Text in Salman Rushdie's "Midnight's Children"** Neil ten Kortenaar, 2004 Neil ten Kortenaar examines the key critical concepts associated with contemporary postcolonial theory including hybridity mimicry national allegory and cosmopolitanism through a close reading of Salman Rushdie's *Midnight's Children* He offers successive readings of Rushdie's novel first as an allegory of history then as a Bildungsroman and psychological study of the burgeoning of a national consciousness and finally as a representation of the nation He shows that the hybridity of Rushdie's fictional India is not created by different elements combining to form a single whole but rather by the relations among the elements Rushdie's India is more self-conscious than are communal identities based on language it is haunted by a dark twin called Pakistan it is a nation in the way England is a nation but is imagined against England it mistrusts the openness of Tagore's Hindu India and it is at once cosmopolitan and a particular subjective location The citizen in turn is imagined in terms of the nation Saleem Sinai's heroic identification of himself with the state is beaten out of him until at the end he sees himself as the Common Man at the mercy of the state **Self Nation Text in Salman Rushdie's *Midnight's Children*** explains the many historical and cultural references in a book that makes many demands on non-Indian readers and will be of interest to all who teach postcolonial and postmodern literature and to their students graduate and undergraduate Moreover as an original argument about how nation states are imagined and how national consciousness is formed in the citizen it will be of interest to scholars in the area of cultural studies and postcolonial theory whether in history literature cultural studies or South Asian studies **NOAA Technical Report ERL**. United States. National Oceanic and Atmospheric Administration, 1974 **Shadowrun Legends: Fallen Angels** Stephen Kenson, 2018-11-04 **HAUNTED BY HER PAST** Kellan Colt has come far in her magical training but all her accomplishments haven't satisfied her desire to know the truth about her shadowrunner mother and to learn the secrets of the amulet she found among her mother's possessions Kellan is determined to find answers and to earn the respect of her fellow runners in the process **HUNTED IN THE PRESENT** Lately Kellan has been troubled by disturbing dreams Something seems to be calling her but before she can figure out who or what she joins a run into the paranoid elven homeland of Tairngire Trapped deep inside foreign territory she suddenly discovers the answers to her questions but then she must unravel the most difficult riddle of all Who can she really trust in the shadows **Rudolf Steiner and the Founding of the New Mysteries** Sergei O. Prokofieff, 2017-06-21 In this revised and expanded edition of his classic debut Sergei O. Prokofieff investigates the deepest mysteries of Rudolf Steiner's life and individuality from the years of apprenticeship and the great Sun period to the path of the Teacher of Humanity and the birth of the New Mysteries He discusses the earthly and supersensible aspects of the first Goetheanum the implications of the Christmas Conference of 1923-24 and the Foundation

Stone meditation that Steiner left as a legacy to members of the Anthroposophical Society In his very personal Introduction Prokofieff describes in moving detail the events in his life which led to his discovery of anthroposophy whilst living in Communist Russia and how eventually he came to write this extraordinary study of Rudolf Steiner The resulting volume a work of secondary anthroposophical literature unprecedented in its depth and significance was first published in Germany in 1982 meeting with equal amounts of acclaim astonishment and controversy It is published in this paperback edition to mark the 35th anniversary of the original publication
