Pastors Married To Preachers:

Pastors Married to Preachers John Senter, 2005-03 As I take time to reflect on how we arrived at where we are today I confess that having a preaching wife did not happen overnight God used many things to bring us to this time in our lives I never thought I would be sharing this perspective with anyone I don't know how many pastors have ever thought about sharing their experiences however I want to share this with those of you who are struggling with this issue and are not sure about how to move forward because of possible reprisal or personal trepidation There is much heated debate over the issue of women in ministry but not much light at the discussion table This book will be a relief for some who are moving towards allowing women freedom in ministry It will provide skepticism for those who do not believe that the Word of God endorses women who preach God's Word

Married to a Pastor's Wife H. B. London, Neil B. Wiseman, 1995 What a pastor's wife really wants her husband to know

The and Pastor, the People and the Pastor's Wife Christine Marie Hubbard, 2011-06-01 My name is Christine I am 46 years of age I was a pastor's wife Something I can say I never desired to be actually just the opposite When I was a little girl I would sit and dream about what it would be like to be married and just live a normal life Husband goes to work then he comes home You love and take care of your children raise them to love Jesus and you live happily ever after However in my case this did not happen When I met my husband he declared to me that he wanted to be a pastor For quite sometime I pondered in my mind if I wanted to be a pastor's wife I thought I knew the cost of ministry You see since I was ten years of age I traveled with my mother and father brother and sisters as evangelist As a young girl I kept hearing the call on my life but resisted because I just wanted to be normal As time went on I traveled extensively as an evangelist holding revival services preaching and singing the Gospel of our Lord Jesus Christ And now I realize that the call of God on my life is something I can never run from So I have chosen to embrace it My passion is to see revival come to the church I believe it is the mission of the church to reach out to not only the lost but those who are hopeless I have asked myself many times how can I reach the lost and the hopeless and then it dawned on me Revival will not come through a program but through a true passion to be a part of the change that needs to come to the church It is with this passion that I have written this book

From Priest's Whore to Pastor's Wife Marjorie Elizabeth Plummer, 2016-04-22 On 13 June 1525 Martin Luther married Katharina von Bora a former nun in a private ceremony officiated by city preacher Johann Bugenhagen Whilst Luther was not the first former monk or Reformer to marry his marriage immediately became one of the iconic episodes of the Protestant Reformation From that point on the marital status of clergy would be a pivotal dividing line between the Catholic and Protestant churches Tackling the early stages of this divide this book provides a fresh assessment of clerical marriage in the first half of the sixteenth century when the debates were undecided and the intellectual and institutional situation remained fluid and changeable It investigates the way that clerical marriage was received and viewed in the dioceses of Mainz and Magdeburg under Archbishop Albrecht of Brandenburg from 1513 to 1545 By concentrating on

a cross section of rural and urban settings from three key regions within this territory Saxony Franconia and Swabia the study is able to present a broad comparison of reactions to this contentious issue Although the marital status of the clergy remains perhaps the most identifiable difference between Protestant and Roman Catholic churches remarkably little research has been done on how the shift from a celibate to a married clergy took place during the Reformation in Germany or what reactions such a move elicited As such this book will be welcomed by all those wishing to gain greater insight not only into the theological debates but also into the interactions between social identity governance and religious practice Godly Wisdom for a Pastor's Wife Olusola Ayodele Areogun, 2012-09-20 ABOUT THE BOOK Godly Wisdom for a Pastor's Wife is a perennial best seller and healing balm for all the women that are married to pastors and ministers of God As the pastor was called so also the wife of the pastor is called to stand by her husband to fulfil the call of God upon his life This book outlines from the Bible the sacrifices work and the development necessary to fulfil that role without losing out in the overall scheme that God is working on the earth through herself and her husband This book is a must read for every Pastor's wife and soon to be Pastor's wife If your man is in any level of ministry this book will make you a blessing of immense value in your generation
