

A vibrant, stylized illustration of a savanna landscape. In the top left corner, a bright rainbow with all the colors of the spectrum arches across the sky. In the center, a lion with a brown mane is depicted in mid-leap, moving towards the right. Above the lion, a simple line drawing of a hand holds an apple, with several vertical dashed lines extending upwards from the hand, possibly representing a trajectory or a force. The background features rolling green hills, a dense forest of dark green coniferous trees, and a body of water with blue wavy lines. The sky is a light blue with soft white clouds. A yellow rectangular box with a black border is positioned in the upper middle of the image, containing the text "physics in nature".
