Iris Murdoch and Elias Canetti Elaine Morley, 2017-12-02 Since the revelation of Iris Murdoch's 1919-1999 affair with Elias Canetti 1905-1994 scholarship on their relationship has been largely biographical focusing in particular on Canetti's alleged role as the real life model for some of Murdoch's most invidious protagonists Little research however has been done on the extensive common ground between the two writers literary projects In this groundbreaking comparative study Elaine Morley conducts a careful philological comparison of Murdoch's and Canetti's works from their literary themes and theories to their idiosyncratic stylistic practices Morley demonstrates that these authors were preoccupied with a common philosophical problem and that they were in fact not only personally close but also more intellectually allied than has been previously thought Elaine Morley is Lecturer in German and Comparative Literature at Queen Mary University of London where she convenes the MA in Anglo German Cultural Relations

Conversations with Joyce Carol Oates Joyce Carol Oates, 1989 These twenty five interviews with Joyce Carol Oates from early in her career to the present are the first such collection to be published In these conversations from sources as diverse as major news magazines and small scholarly journals Oates candidly talks about her work her concepts of literature her methods of writing and many other topics Throughout this anthology Oates discusses how her writing paints a modern panorama of American life Oates described her vast canvas to an interviewer I could not take the time to write about a group of people who did not represent in their various struggles fantasies unusual experiences hopes etc our society in miniature She also comments upon her responsibility as an artist to bear witness to certain aspects of society In this light she responds to criticisms that violence seems to dominate her work by noting that one simply cannot know strengths unless suffering misfortune and violence are explored quite frankly by the writer In addition to discussing her works from her first book *By the North Gate* 1963 to her most popular novel *You Must Remember This* 1987 this prolific writer also answers questions about her writing habits These interviews spanning nineteen years reveal a vivid portrait of Joyce Carol Oates writing as the conscience of society as the creator of memorable prose and poetry and as the artist deeply committed to a unique vision

American Women Writing Fiction Mickey Pearlman, 2014-10-17 American literature is no longer the refuge of the solitary hero Like the society it mirrors it is now a far richer many faceted explication of a complicated and diverse society racially culturally and ethnically interwoven and at the same time fractured and fractious Ten women writing fiction in America today Toni Cade Bambara Joan Didion Louise Erdrich Gail Godwin Mary Gordon Alison Lurie Joyce Carol Oates Jayne Anne Phillips Susan Fromberg Schaeffer and Mary Lee Settle represent that geographic ethnic and racial diversity that is distinctively American Their differing perspectives on literature and the American experience have produced Erdrich s stolid North Dakota plainswomen

Didion's sun-baked dreamers and screamers, the urban ethnics, Irish, Jewish, and black of Gordon Schaeffer and Barbara Oates's small town, often violent neurotics, Lurie's intellectual sophisticates, and the southern survivors and victims, male and female of Phillips Settle and Godwin. The ten original essays in this collection focus on the traditional themes of identity, memory, family, and enclosure that pervade the fiction of these writers. The fictional women who emerge here, as these critics show, are often caught in the interwoven strands of memory, perceive literal and emotional space as entrapping, find identity elusive and frustrating, and experience the interweaving of silence, solitude, and family in complex patterns. Each essay in this collection is followed by bibliographies of works by and about the writer in question that will be invaluable resources for scholars and general readers alike. Here is a readable critical discussion of ten important contemporary novelists who have broadened the pages of American literature to reflect more clearly the people we are. **them** Joyce Carol Oates, 2018-02-21

If the phrase "woman of letters" existed, Joyce Carol Oates would be foremost in this country entitled to it. John Updike, *The New Yorker*. As powerful and relevant today as it was on its initial publication, *them* chronicles the tumultuous lives of a family living on the edge of ruin in the Detroit slums from the 1930s to the 1967 race riots. Praised by *The Nation* for her potent, life-gripping imagination, Joyce Carol Oates traces the aspirations and struggles of Loretta Wendall, a dreamy young mother who is filled with regret by the age of sixteen and the subsequent destinies of her children, Maureen and Jules, who must fight to survive in a world of violence and danger. Winner of the National Book Award, *them* is an enthralling novel about love, class, race, and the inhumanity of urban life. It is raves *The New York Times*, a superbly accomplished vision. *Them* is the third novel in the Wonderland Quartet. The books that complete this acclaimed series, *A Garden of Earthly Delights*, *Expensive People*, and *Wonderland*, are also available from the Modern Library. Oates is a superb storyteller. For sheer readability, *them* is unsurpassed. *The Atlanta Journal-Constitution*. **The Faith of a Writer** Joyce Carol Oates, 2009-03-17

A tribute to the brilliant craftsmanship of one of our most distinguished writers, providing valuable insight into her inspiration and her method, Joyce Carol Oates is widely regarded as one of America's greatest contemporary literary figures. Having written in a number of genres—prose, poetry, personal and critical essays, as well as plays—she is an artist ideally suited to answer essential questions about what makes a story striking, a novel come alive, a writer an artist as well as a craftsman. In *The Faith of a Writer*, Oates discusses the subjects most important to the narrative craft, touching on topics such as inspiration, memory, self-criticism, and the unique power of the unconscious. On a more personal note, she speaks of childhood inspirations, offers advice to young writers, and discusses the wildly varying states of mind of a writer at work. Oates also pays homage to those she calls her significant predecessors and discusses the importance of reading in the life of a writer. Oates claims, "Inspiration and energy, and even genius, are rarely enough to make art; for prose fiction is also a craft, and craft must be learned, whether by accident or design." In fourteen succinct chapters, *The Faith of a Writer* provides valuable lessons on how language, ideas, and experience are assembled to create art.
