The Divinely Sinful Saints ITOTKO,2023-08-31 Generally Christians believe that the scriptures in the Bible both the Old and the New Testaments are the words of God They believe God resides in heaven and human beings live on the planet Earth Then the question is in the beginning before the Bible says God created the heaven and the earth where had God lived Had he been homeless before he created heaven In the Old Testament humans were required to offer some burnt offerings of a sweet savor a sacrifice made by fire and drink offerings Should we say God was homeless hungry and thirsty and that was why he created heaven humans and animals and required humans to offer burnt animals and drinks Many Bible readers believe Adam and Eve were in the Garden of Eden paradise and on the planet Earth But is that true Let us try to locate where the paradise is Revelation 2 7 tells us He that hath an ear let him hear what the Spirit saith unto the churches To him that overcometh will I give to eat of the tree of life which is in the midst of the paradise of God Now we know the tree of life is in the midst of the paradise of God Where else can we find the tree of life in the scripture Genesis 2 9 tells us And out of the ground made the LORD God to grow every tree that is pleasant to the sight and good for food the tree of life also in the midst

of the garden Through these scriptures we can see that the tree of life is in the midst of the garden in the midst of the paradise of God not on the planet Earth The scriptures also tell us that Adam and Eve were there Could they be in physical human bodies in paradise on the planet Earth Paul wrote in 2 Corinthians 12 2 4 I knew a man in Christ above fourteen years ago whether in the body I cannot tell or whether out of the body I cannot tell God knoweth such an one caught up to the third heaven And I knew such a man whether in the body or out of the body I cannot tell God knoweth How that he was caught up into paradise and heard unspeakable words which it is not lawful for a man to utter Could a person be caught up into paradise if the paradise was on the planet Earth It was written in Luke 23 43 And Jesus said unto him Verily I say unto thee To day shalt thou be with me in paradise The him in this verse was one of the thieves crucified with Jesus Does any scripture tell us Jesus s resurrected physical body took the hand of the thief also in a physical human body Jesus must have resurrected the thief s physical human body too and led him into paradise someplace on this planet Earth No it does not Through all these verses do we still believe paradise is on this planet Earth

Life After Life - Lifting the Veil on Death Rajendra Kher, 2019-04-20 Two great truths govern human existence impermanence is the law of the Universe and therefore it is inevitable but the jeewatma soul is permanent and lives forever When one views human existence from the perspective of this knowledge then the only certitude is that there is no death With the materialization of the Universe the wheel of time was set in motion imprinting preordained impermanence Yet despite the world s impermanence Man is offered the opportunity of acquiring knowledge and achieving spiritual growth within his lifespan The cosmic soul momentarily adopts a human body to experience advancement in human form But when the jeewatma departs the physical body from one of the five koshas sheaths it is

released from this confinement and bondage into the joyful revelation of its true nature The soul experiences divine love and achieves a state of timelessness The demise of the human body thus becomes the moment for joyful fulfillment when the jeewatma achieves ultimate growth and eternal beauty Though the human form and external body decays the jeewatma or the subtle body soul remains intact in its true and original form Litterateur Rajendra Kher has spent long years studying the subject of death He has researched both ancient and modern references as well as the Vedas Upanishads Bhagavad Gita Srimad Bhagvatam and various mythological literature in his attempt to unravel and comprehend death and life after life He has also analyzed the personal experiences of rishis scholars masters and yogis adding his findings to the book to make it comprehensive The gift contained in these pages is the lifting of the veil on death In so doing it frees each of us from unknown fears and dread about death and dying enabling us to experience instead true happiness and the grace of living

Experiencing Reincarnation James Scudday Perkins, 1977 **The Father Confusors** Renford, 2010-09-15 The author has published many books articles and essays that take a metaphysical approach to interpreting ancient texts such as the Vedas the Dhampravada the Tao Teh Ching and the Bible He follows no theological dogma nor adopts any philosophical

school He teaches in the Renford books and in the Institute of Applied Metaphysics that taking a single approach to exclusion of any other will not produce an accurate picture Some text must be taken metaphysically some as historical and some as physical events in which the witness had little or no point of reference comparable to ours In any other approach one will be interpreting based on a fixed religious tradition or a philosophical bias We have seen many variations on the idea that alien intervention has taken place in our ancient history but this author has gone into greater depth on the difference between Universal Being and the warrior gods depicted in the ancient texts

What Dreams May Come Richard Matheson, 2008-04-29 The New York Times bestseller A LOVE THAT TRANSCENDS HEAVEN AND HELL What happens to us after we die Chris Nielsen had no idea until an unexpected accident cut his life short separating him from his beloved wife Annie Now Chris must discover the true nature of life after death But even Heaven is not complete without Annie and when tragedy threatens to divide them forever Chris risks his very soul to save Annie from an eternity of despair Richard Matheson's powerful tale of life and love after death was the basis for the Oscar winning film starring Robin Williams

THE CHRIST LIFE Geoffrey Hodson, Every time that you find in our books a tale the reality of which seems impossible a story which is repugnant to both reason and common sense then be sure that the tale contains a profound allegory veiling a deeply mysterious truth and the greater the absurdity of the letter the deeper the wisdom of the spirit Moses Maimonides Jewish theologian historian Talmudist 1135 1205 A D Countless people have been provided with new insights into the Christian religion through the in depth Biblical interpretations of Geoffrey Hodson In his Hidden Wisdom in the Holy Bible Volumes I II and III he extensively analyzed Old Testament stories suggesting that many of them are in actuality more meaningful than is commonly supposed that many of these stories are indeed allegorical and that understood from a more universal and less literal point of view they contain much additional useful knowledge He believes this is also true of The Christ Life from Nativity to Ascension In this book Hodson moves from a consideration of the Old Testament of the Holy Bible to the New Testament interpreting the four accounts or Gospels of the life of Christ as put down in the King James version of the Bible The author believes that the Bible should be considered in both its historical and its allegorical significance He writes Ever must it be remembered that the wondrous story of Jesus the Christ was never intended to be read as a record of external events alone but rather as a revelation of the divine within man

As a priest in the Liberal Catholic Church Hodson has naturally maintained an intensive interest in the Holy Bible He is recognized throughout the world for his exceptional clairvoyant abilities and has also carried out occult research in collaboration with physicians physicists anthropologists and archaeologist He is the author of some 40 books dealing with such topics as meditation Theosophy the spiritual life health and disease and of course Bible symbolism and interpretation

The River of Life Renford , Renford,2009-09-30 The River of Life is an allegory with many symbols It is a modern day parable about the eternal nature of being Everything is a cycle and full of purpose The being in fulfillment had no beginning and will have no end It cannot be destroyed Like a cell of the human body which can be cloned the soul is a cell of Universal Being with the same natural power of the whole There is always communication between the whole and the part but we are mostly unaware The language of the mind can only be understood by recognizing the way Inner Being via the subconscious mind communicates with the conscious Only through meditation or dreams when the conscious mind is induced to be quiet can Inner Being communicate and conscious mind benefit
