Resiliency In Native American And Immigrant Families:

Resiliency in Native American and Immigrant Families Hamilton I. McCubbin,1998-06-11 This book brings a fresh perspective to family and social ties which promote resiliency in Hawaiian and Native American Asian American and Latino Hispanic American cultures The contributors give extensive examples of the ceaseless war between cultures where too often holistic and socially cohesive practices have been torn apart by growing westernization and materialism

Resiliency in Ethnic Minority Families: Native and immigrant American families Hamilton I. McCubbin,1995 *Understanding Indigenous Gender Relations and Violence* Catherine E. McKinley,2023-01-09 This book focuses on the inequities that are persistently and disproportionately severe for Indigenous peoples Gender and racial based inequities span from the home life to Indigenous women s wellness including physical mental and social health The conundrum of how and why Indigenous women many of whom historically held respected and even held sacred status in many matrilineal and female centered communities now experience the highest rates of gendered based violence is focal to this work Unlike Western European and colonial contexts Indigenous societies tended to be organized in fundamentally distinct ways that were woman centered and where gender roles and values were reportedly more egalitarian fluid flexible inclusive complementary and harmonious Understanding how Indigenous gender relations were targeted as a tool of patriarchal settler colonization and how this relates to women more broadly can be a key to unlocking gender liberation a catalyst for readers to become gender AWake Living gender AWake encompasses living in alignment with agility AWA with clear awareness of how gender and other sociostructural factors affect daily life as well as how to navigate such factors To live in alignment is to live from ones center and in accordance with one s authentic self with agility by nimbly responding to life s constantly shifting situations This empirically grounded work extends and deepens the Indigenist framework of historical oppression resilience and transcendence FHORT by delving deep into the resilience transcendence and wellness components of FHORT while centering gender Understanding the changing gender roles for Indigenous peoples over time fosters decolonization more broadly by enabling greater understanding of how sexism and misogyny hurt people across personal and political spheres This understanding can foster the process of becoming gender AWake by identifying and dismantling of sexism and by becoming decolonized from prescriptive gender roles that inhibit living in alignment with one s true or authentic self Readers will gain a research based approach linking historical oppression gender based inequities and violence against Indigenous women understanding of how patriarchal colonialism undermines all genders a tool to dismantle sexism more broadly pathways to become Gender AWake through the understanding of Indigenous women s resilience and transcendence

Community Planning to Foster Resilience in Children Caroline S. Clauss-Ehlers,Mark D. Weist,2010-02-23 Children live in a world of ever increasing stress factors including global terrorism pervasive exposure to violence increasing substance use and economic and social instability To help them maneuver successfully through such a challenging world to adulthood

community based resilience interventions are becoming more important than ever Currently resilience based interventions are expanding to examine not only the internal strengths children and adolescents bring to a variety of situations but also to explore how to leverage community and family resources in the context of a culturally diverse world Community Planning to Foster Resilience in Children reviews a variety of innovative approaches and actions that can be used at the community level to promote resilience in children and adolescents Key themes throughout the book focus on how to Shift the paradigm from illness to strengths and health Assess and improve environments to minimize harmful influences and increase protection Adapt to and build on strengths of cultural and linguistic variation in an increasingly diverse society Move toward collaborative approaches that involve youth families schools and community members who partner at all levels of program conception implementation evaluation and improvement For researchers clinicians and students Community Planning to Foster Resilience in Children will be an essential tool in their efforts to promote the health and success of youth

Resilience and Mental Health Steven M. Southwick, Brett T. Litz, Dennis Charney, Matthew J. Friedman, 2011-08-18 Humans are remarkably resilient in the face of crises traumas disabilities attachment losses and ongoing adversities To date most research in the field of traumatic stress has focused on neurobiological psychological and social factors associated with trauma related psychopathology and deficits in psychosocial functioning Far less is known about resilience to stress and healthy adaptation to stress and trauma This book brings together experts from a broad array of scientific fields whose research has focused on adaptive responses to stress Each of the five sections in the book examines the relevant concepts spanning from factors that contribute to and promote resilience to populations and societal systems in which resilience is employed to specific applications and contexts of resilience and interventions designed to better enhance resilience This will be suitable for clinicians and researchers who are interested in resilience across the lifespan and in response to a wide variety of stressors A Resilience-Enhancing Stress Model Roberta Greene, Nicole Dubus, Nancy Greene, 2022-08-23 Social work practice has evolved to meet the needs of the time the problems that are present and the knowledge and skills available Given the more recent rapidly changing stressful environments political economic demographic sociocultural and ideological change has affected how practice is defined Now it is even more essential for there to be innovative theoretical concepts and intervention strategies to support current practice This textbook addresses today's context of social work practice that needs to deal with the complexity of personal and social relationships the continuing historical flux of the times and the constant anxiety or threats and pulls of daily life The text is based on the idea that social work practice requires a research and theoretical base that allows practitioners to build on a client's ability to persist in the face of life's challenges and to proceed positively with life events The Resilience Enhancing Stress Model RESM is an outgrowth of the profession's interest in strength based person environment approaches grounded in generalist social work practice that offers a range of intervention practice methods with diverse individuals families groups organizations and communities RESM was developed

to provide the skill set for working with clients and constituencies across the individual family community configuration during times of distress It also can be a welcomed addition to social work practice with people undertaking life transitions and overcoming disruption to individual family and community function Topics explored include An Evolving Resilience Enhancing Stress Model Interviewing to Promote Resilience Among Marginalized Populations Co creating a Grand Narrative The Intersection of Individual Family and Community Practice Connecting Communal Living Ecology and Resilience A Resilience Enhancing Stress Model A Social Work Multisystemic Practice Approach is a timely text for human behavior and practice methods at the generalist or advanced generalist levels in social work It can also be used at the doctoral level of social work education depending on the professor s attention to the depth of theoretical concepts Practitioners in the field may find the contents useful to their professional enrichment **Resilience and Aging** Helen Lavretsky,2014-10-20

Resilience is a key component in maintaining health and happiness in old age When aging adults struggle with social isolation financial instability or the difficult work of caring for a spouse with a chronic illness their levels of stress can be enormous But many older adults are living longer and are trying to make the best of their later years despite being more vulnerable to stress In Resilience and Aging renowned geriatric psychiatrist Dr Helen Lavretsky explains how enhanced resilience which involves positively adapting to adversity in a way that maintains a person s biological and psychological equilibrium can counter that vulnerability She describes how care practice and research all can be redirected toward emphasizing the positive aspects of aging and prevention Lavretsky summarizes the most up to date research on resilience neurobiology and preventive care She also describes novel interventions including yoga tai chi meditation and allopathic techniques that can help older adults improve their cognition and quality of life Finally she explores relevant clinical cases from her practice Designed for geriatric practitioners researchers and family caregivers this practical book offers critical information on measuring resilience the role of spirituality in reducing stress and incorporating resilience building procedures into clinical practice or everyday life Throughout the book s revolutionary integrative approach aims to amplify personal happiness by allowing aging adults to remain healthy and active while simultaneously reducing the cost of chronic disease to families and society **Handbook of Youth Mentoring** David L. DuBois,Michael J. Karcher,2005-03-08

The Handbook of Youth Mentoring provides the first scholarly and comprehensive synthesis of current theory research and practice in the field of youth mentoring Editors David L DuBois and Michael J Karcher along with leading experts in the field offer critical and informative analyses of the full spectrum of topics that are essential to advancing our understanding of the principles for effective mentoring of young people The Handbook explores not only mentoring that occurs within formal programs such as Big Brothers Big Sisters but also examines natural mentoring relationships that youth establish with adults outside of such programs Handbook of Parenting Marc H. Bornstein,2019-02-01 This highly anticipated third edition of the Handbook of Parenting brings together an array of field leading experts who have worked in different ways toward

understanding the many diverse aspects of parenting Contributors to the Handbook look to the most recent research and thinking to shed light on topics every parent professional and policymaker wonders about Parenting is a perennially hot topic After all everyone who has ever lived has been parented and the vast majority of people become parents themselves No wonder bookstores house shelves of how to parenting books and magazine racks in pharmacies and airports overflow with periodicals that feature parenting advice However almost none of these is evidence based The Handbook of Parenting is Period Each chapter has been written to be read and absorbed in a single sitting and includes historical considerations of the topic a discussion of central issues and theory a review of classical and modern research and forecasts of future directions of theory and research Together the five volumes in the Handbook cover Children and Parenting the Biology and Ecology of Parenting Being and Becoming a Parent Social Conditions and Applied Parenting and the Practice of Parenting Volume 4 Social Conditions and Applied Parenting describes socially defined groups of parents and social conditions that promote variation in parenting The chapters in Part I on Social and Cultural Conditions of Parenting start with a relational developmental systems perspective on parenting and move to considerations of ethnic and minority parenting among Latino and Latin Americans African Americans Asians and Asian Americans Indigenous parents and immigrant parents The section concludes with considerations of disabilities employment and poverty on parenting Parents are ordinarily the most consistent and caring people in children s lives However parenting does not always go right or well Information education and support programs can remedy potential ills The chapters in Part II on Applied Issues in Parenting begin with how parenting is measured and follow with examinations of maternal deprivation attachment and acceptance rejection in parenting Serious challenges to parenting some common such as stress and depression and some less common such as substance abuse psychopathology maltreatment and incarceration are addressed as are parenting interventions intended to redress these trials

Handbook of Family Resilience Dorothy S. Becvar, 2012-08-24 Resilience is a topic that is currently receiving increased attention In general resilience refers to the capacity of those who even under the most stressful circumstances are able to cope to rebound and to go on and thrive Resilient families are able to regain their balance following crises that arise as a function of either nature or nurture and to continue to encourage and support their members as they deal with the necessary requirements for accommodation adaptation and ultimately healthy survival *Handbook of Family Resilience* provides a broad body of knowledge regarding the traits and patterns found to characterize resilient individuals and well functioning families including those with diverse structures various ethnic backgrounds and a variety of non traditional forms This Handbook brings together a variety of perspectives aimed at understanding and helping to facilitate resilience in families relative to a full range of challenges

Family Stress Management Pauline Boss, Chalandra M. Bryant, Jay A. Mancini, 2016-07-27 Why do some families survive stressful situations while others fall apart Can a family's beliefs and values be used as a predictor of vulnerability to stress And most importantly can family stress be prevented The Third Edition of *Family Stress Management* continues its original commitment to recognize both the external and internal contexts in which distressed families find themselves With its hallmark Contextual Model of Family Stress CMFS the Third Edition provides practitioners and researchers with a useful framework to understand and help distressed individuals couples and families The example of a universal stressor a death in the family highlights cultural differences in ways of coping Throughout there is new emphasis on diversity and the nuances of family stress management such as ambiguous loss plus new discussions on family resilience and community as resources for support

Modeling Contextual Effects in Longitudinal Studies Todd D. Little, James A. Bovaird, Noel A. Card, 2007-03-21 This volume reviews the challenges and alternative approaches to modeling how individuals change across time and provides methodologies and data analytic strategies for behavioral and social science researchers This accessible guide provides concrete clear examples of how contextual factors can be included in most research studies Each chapter can be understood independently allowing readers to first focus on areas most relevant to their work The opening chapter demonstrates the various ways contextual factors are represented as covariates predictors outcomes moderators mediators or mediated effects Succeeding chapters review best practice techniques for treating missing data making model comparisons and scaling across developmental age ranges Other chapters focus on specific statistical techniques such as multilevel modeling and multiple group and multilevel SEM and how

to incorporate tests of mediation moderation and moderated mediation Critical measurement and theoretical issues are discussed particularly how age can be represented and the ways in which context can be conceptualized The final chapter provides a compelling call to include contextual factors in theorizing and research This book will appeal to researchers and advanced students conducting developmental social clinical or educational research as well as those in related areas such as psychology and linguistics

Widening the Circle Beverly J. Klug, Patricia T. Whitfield, 2012-11-12 Recognizing the need for a pedagogy that better serves American Indian students Beverly J Klug and Patricia T Whitfield construct a pedagogical model that blends native and non native worldviews and methods Among the building blocks of this new culturally relevant education are language based approaches to literacy development the use of oral histories to supplement traditional texts and a re evaluation of the knowledge base these students need for success in tribal enterprises
