Novotna**

Responding To The Oppression Of Addiction Canadian Social Work Perspectives:

Responding to the Oppression of Addiction, Fourth Edition Rick Csiernik, William Rowe, Gabriela Novotna, 2023-02-07

Responding to the Oppression of Addiction brings together the voices of over 40 academics and social work practitioners from across Canada to provide a diverse and multidimensional perspective to the study of addiction. This thoroughly updated edition features eight new chapters and streamlines the content of the previous editions with chapters condensed and combined to create a more accessible text. The fourth edition features new content on themes such as residential schools, prevention initiatives, special needs of different populations, policy perspectives framed within an anti-oppression standpoint, cognitive behavioral therapy, and the emerging topic of problem gambling. Returning chapters have been updated with contributors providing more in-depth examinations of trauma-informed approaches. The entire volume has a strengthened anti-oppressive framework on both an overarching and by chapter level. This celebrated and varied collection is an indispensable resource for upper-level students, graduate students, and practitioners working in the fields of social work, addictions studies, and the helping professions. **FEATURES** Thoroughly updated chapter-by-chapter content grounded in an anti-oppressive framework with deeper exploration of trauma-informed approaches. Provides an authoritative analysis of the practices and policies that contribute to the construction of the meaning of addiction through a Canadian lens.

Social work in XXI Century St. Challenges for academic and professional training.

Concepción Nieto-Morales, 2018-08-03 The book that you hold in your hands or on the screen of any technological device is the result of the effort made by a group of professors with the collaboration of professionals in different universities and study centres in twenty five countries Its title is already revealing *Social Work in the 21st Century* It is remarkable the coordination of professors Concepción Nieto Morales and Monica Solange De Martino Bermúdez for readers to know not only the curriculum of Social Work in each of the countries that appear but also the profile of the student body and the identification and reflection on the challenges that the 21st century poses to the teaching of the profession among other elements Being a social worker in these times requires a previous awareness before starting the long road that begins with academic training and ends with the daily work linked to people who need help they need us to help them to conquer their rights There is something else Social problems over the years seem not to change their name homeless drug addicts minors but we must know that the internal dynamics of these marginalized groups evolve over time We must act according to today s situation with today s schemes otherwise the essence of social work will disappear

The Language of the Soul in Narrative Therapy Laura Béres, 2022-07-08 *The Language of the Soul in Narrative Therapy* uniquely bridges the gap between narrative therapy and spirituality to describe how the theory and practice of narrative therapy may be expanded and enriched by incorporating the language of the soul Divided into three parts the book begins by contextualizing the approach of narrative therapy and spirituality Chapters then debate the complexity of the soul as a term drawing on the work of Christian mystics and philosophers such as Teresa of Avila Edith Stein Merleau Ponty and Bakhtin to show how their theoretical ideas can be incorporated in counseling practice and spiritual direction The book concludes by discussing how the language of the soul can be integrated and applied in postmodern practice With case examples from faith belief systems such as Christianity

Buddhism Paganism Wicca and Yazidism throughout this book is essential reading for therapists clinical social workers and counsellors in practice and graduate training as well as spiritual directors and pastoral counselors interested in the ideas and practices of narrative therapy

Social Work Treatment Francis J. Turner, 2017-03-23 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention A treasure trove of practice knowledge the text equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps readers avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty

Information Technology and Evidence-Based Social Work Practice Judith Dunlop, Michael J. Holosko, 2013-05-13 Learn to use the latest technological advances in evidence based social work Social work practice can be positively or negatively impacted by the advance of technology Advances and applications must be up to date as possible yet they may be ineffective if not simple enough to easily learn and use Information Technology and Evidence Based Social Work presents leading social work experts exploring the latest technological advances and the innovative practical applications which can be used effectively in evidence based social work Students and practitioners get creative practical advice on how best understand technology and apply it to their work Information Technology and Evidence Based Social Work is divided into four sections The first section provides the context for understanding the technological link between social work and evidence based practice The second section presents examples of how information technology can be used to effectively teach students and practitioners in the field Section three explores ways to implement technology for use by clients The fourth section summarizes and then takes a look at the future of technology in evidence based social work Chapters include questions for practitioners and for clients to illuminate the current and future issues surrounding technology and evidence based practice The text also includes extensive references and useful tables and figures Topics in Information Technology and Evidence Based Social Work include the impact of technology on social work computer assisted evidence based practice customized web based technology and its use in clinical supervision enhanced technology based evidence based practice model and its applicability to large human service organizations using information technology to provide evidence for planning and evaluating programs using technology in advocacy the geographic information system GIS as a useful tool in all aspects of programs and policies evaluating practice through information technology the development and evaluation of an online social work service psychotherapeutic group intervention for family caregivers over the Internet

support group online chat a case study of how Internet chat group technology can be implemented with cancer survivors technology as a service learning mechanism for promoting positive youth development in a community based setting a model which can be used to collect information and by using best evidence available arrive at a confident decision and more Information Technology and Evidence Based Social Work is timely stimulating reading for educators undergraduate students graduate students and practitioners in the fields of social work psychology and public administration *The Drug Paradox* Tara L. Bruno, Rick Csiernik, 2018-04-26 Why are some drugs considered socially acceptable while others are demonized What makes these definitions so widespread Who benefits from these conceptualizations The Drug Paradox examines both the empirically founded and the socially constructed facets of drugs and drug use highlighting the incongruous aspects of laws policies and programming that aim to address behaviours around drugs The authors explore this paradox arguing that Canada's punitive approach to addressing drug use continues to exist alongside harm reduction strategies and that these competing approaches ultimately impede Canada's ability to deal effectively with substance misuse Using a policy oriented approach while also emphasizing the utility of a multifaceted biopsychosocial model this text provides students with a foundation in the sociology of psychoactive substances in the Canadian context It covers a broad range of issues models of addiction the history of Canada's drug laws media representation government responses to substance use and international perspectives on drug policy and addresses various research areas that are important for students to consider when trying to make sense of the competing discourses on drugs in society The Drug Paradox is ideal for use in sociology courses on drugs and drug use and will also appeal to those focusing on drug use from a criminology public health or policy perspective

The Narrative Practitioner Laura Beres, 2014-07-04 This book provides a guide to narrative theory and practice a form of therapy which views people as the experts on their own lives Rooted in the ideas of Michael White and David Epston from the famous Dulwich Centre it offers a rich source of thinking and techniques for counsellors psychotherapists social workers and others working in the people professions Based on the author's teaching practice and research experience this book provides a bridge between theory and the basic principles and methods of narrative therapy The book assists the reader in implementing the key ideas and techniques into everyday practice contexts with the support of real life case studies and conversation maps Uniquely it covers important subjects such as ethics and values supervision and self care Substance Use and Misuse, Third Edition Rick Csiernik, 2021-04-28 The revised third edition of the formerly titled Substance Use and Abuse retains its comprehensive holistic examination of the field of substance use and misuse from a Canadian perspective Now organized into seven sections the 30 chapters examine the nature of addiction explore biological psychological and social theories that attempt to explain addiction discuss drugs that produce addiction along with a review of prevention treatment and treatment system options and consider the legal and ethical issues that those working in substance use and addiction frequently encounter Thoroughly updated to reflect contemporary issues and recent advances in the field of

addiction counselling Rick Csiernik's much loved text features new content on the changes to cannabis law and culture in Canada the opioid crisis and public response as well as expanded content on cultural competence non substance use addictive behaviours motivational interviewing and relapse prevention Substance Use and Misuse is an essential and timely resource for counsellors treating individuals dealing with addiction and for courses across social work human services counselling psychology and mental health and addictions programs FEATURES Now divided into seven sections with 30 chapters to enhance student comprehension and learning Contains new information on contemporary themes including the opioid crisis e cigarettes and vaping risks and benefits of THC and CBD principles of good family skills training sample dialectical behavioural therapy DBT activities and a sample intervention script Includes an enhanced treatment section with updates on harm reduction traumainformed care the transtheoretical model of change and motivational interviewing

Empirical Views on European Gambling Law and Addiction Simon Planzer, 2014-02-19 This book analyses the voluminous and meandering case law on gambling of the Court of Justice from an empirical perspective It offers a comprehensive overview of the legal situation of gambling services in the EU Single Market Additionally the book presents the current state of research on gambling addiction It then seeks to answer the central research question as to what extent the views of the Court of Justice on gambling find support in empirical evidence The Court of Justice granted exceptionally wide discretion to the Member States due to a so called peculiar nature of games of chance With the margin of appreciation having played a key role the book inquires whether the Court of Justice followed the principles and criteria that normally steer the use of this doctrine Noting the Court's special approach the book elaborates on its causes and consequences Throughout the book the approach of the Court of Justice is contrasted with that of its sister court the EFTA Court Finally the potential role of the precautionary principle and of EU fundamental rights in the area of gambling law is examined Situated at the intersection of law and science this book seeks to bridge the legal and scientific perspectives and the unique vocabularies common to each It illustrates the direct relevance of science and empirical research for court cases and policy making And it contrasts science informed policy making with the on going morality discourse on gambling

Encyclopedia of Social Welfare History in North America John M. Herrick, Paul H. Stuart, 2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

Responding to the Oppression of Addiction Rick Csiernik, William S. Rowe, 2010 Uniting top academics researchers and practitioners this contributed volume offers new perspectives on the meaning role and history of addiction in our society and the construction of illicit drug use as a social problem This substantially revised second edition provides an authoritative focus on policy issues that will extend and enrich the education

and on going discussion of addiction within the social work community New to the second edition discusses the intersection of substance abuse and intimate partner violence in the lives of women seeking help examines drug use addiction and the criminal justice system and how these intersect to further disadvantage those held prisoner by these challenges recognizes the real significance of addiction for those Canadians struggling with homelessness and mental health issues examines adolescent substance abuse considers how some aspects of specific cultures can help prevent addiction explores male and female differences in individual and group treatment questions the belief that graduates of Canada s schools of social work have the competency to be addiction counsellors Psychiatric and Mental Health Nursing for Canadian Practice Wendy Austin, Mary Ann Boyd, 2010-01-01 Rev ed of Psychiatric nursing for Canadian practice Wendy Austin Mary Ann Boyd

Workplace Wellness Rick Csiernik, 2014-06-20 In this book contributing scholars practitioners and researchers offer their practice experience and findings related to creating workplace wellness with emphases on the intellectual vocational physical social psychological and spiritual needs of workers and the structures and policies within their workplaces The first section of the book The Hazardous Workplace addresses the stressful workplace workplace violence bullying and counselling in an environment where stress is high and work entails more than the usual amount of risk Workplace Responses the second section examines the history of occupational assistance several models of employee assistance practice the workplace management of disabilities complications around drug testing on the job the relevance of spirituality to the workplace an Aboriginal perspective on work and an evaluative mechanism for occupational programming Intake and assessment crisis intervention critical incident stress management brief treatment counselling employees suffering from depression or experiencing grief and the role of mediation inside and outside of the workplace are explored in the third section entitled Practice to Create Well Workplace And finally four Case Studies comprise the final section spanning the country while representing five very different work sites including a child welfare organization in Ontario the workforce of the University of Saskatchewan a Canadian public sector employee assistance program and a religious site where occupational assistance has been applied to a church community Wellness and Work Rick Csiernik, 2005 Employee Assistance Programming has evolved from a mechanism of social control to a major force for health promotion The field offers great potential for helping to build healthier communities of workers and families in addition to helping individual workers who may see themselves or be seen by others as people with problems Wellness and Work Employee Assistance Programming in Canada provides a clear vision for employee assistance programming The book is divided into five sections 1 evolution 2 structure 3 practice 4 case studies and 5 creating wellness In this historical theoretical and practice oriented collection of original articles both student and practitioner will trace the growth of this burgeoning field of practice An informative and useful book for the practitioner and visionary alike Wellness and Work will be an essential addition to the libraries of helping professionals and service delivery organizations *Innovations in Narrative Therapy: Connecting Practice, Training, and Research* Jim Duvall, Laura

Béres,2011-03-07 Narrative therapy gives the client the opportunity to express themselves and tell their story The authors employ a critically reflective approach which enables them to integrate and expand on foundational theories of narrative therapy
