**God Has an App for That** Dudley Rutherford, 2012-01-03 Wouldn't it be great if there were accessible answers to our spiritual problems just like there's a Smartphone app for calculating a tip or getting directions to the dry cleaner? Most of us have heard the phrase "There's an app for that" popularized by the creators of the iPhone. Well, guess what? God has an app for the common conundrums faced by Christians everywhere. Stressed out? Struggling with prejudice? God has an app for that. Problem with crude language or gossip? Broken-hearted, anxious, or depressed? God has an app for that, too. Pastor Dudley Rutherford invites readers to explore the book of James and discover God's user-friendly solutions for their biggest challenges in faith and life.

**Louder Than Words** Brad Stephens, 2021-11-18 Life is louder than words can ever express because from a biblical point of view, the world is broken by humanity's rebellion against its creator. Humanity is fragmented; all the offspring of Adam and Eve are born loving death. That is something that the modern age has tried to ignore, and the postmodern age longs to embrace. More to the point, it is something that the church has tried to forget. However, we do so at our own peril. This work is a snapshot of the development of fragmentation in the Western world. It is also a map toward wholeness. We cannot move forward if we do not know where we are or where we are going. This searching for heart in a heartless world is an attempt to locate where we are on the map of history by examining the past through the corrective lenses of living faith so that we may be able to teach our children to have hope in hopeless times.

**New Perspectives on Healing, Restoration and Reconciliation in John's Gospel** Jacobus Kok, 2016-10-05 In *New Perspectives on Healing, Restoration and Reconciliation in John*, Jacobus Kok investigates the depth and applicability of Jesus' healing narratives in John's gospel. Against the background of an ancient group-oriented worldview, it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date. He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today. He shows *inter alia* why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing, restoration, and reconciliation.

**Renewed in Christ** Andrew J. Lamont-Turner, Are you struggling with a secret battle that leaves you feeling trapped, ashamed, and distant from God? You are not alone. *Renewed in Christ* is a powerful faith-filled guide to overcoming pornography addiction through the strength of Scripture, prayer, and biblical wisdom.
