Do you ever wonder why marriage can seem like the end of intimacy and sexual desire instead of the beginning Ever wonder why it was so hard to resist sex before marriage and so easy to resist it now If so you're not alone Many married women genuinely want to feel more desire toward their husbands and can't figure out what went wrong But there's good news In *Kiss Me Again* Barbara Wilson shows how powerful invisible bonds from past relationships can cause heartache disappointment and distance for couples in the present Then with sensitivity honesty and hope Barbara walks you step by step toward healing and a rekindling of the closeness and passion with your husband that you really want You don't have to live any longer with confusion disappointment resentment or shame You can rediscover desire You can say Wow again **The Ishbane Conspiracy** Randy Alcorn, 2011-11-09
