Resurrection The Struggle For Him:

The life of Jesus Christ in its historical connexion and historical development, tr. by J. M'Clintock and C.E.

Blumenthal August Neander, Johann August W. Neander, 1851

The Journey So Far Peter Hicks, 2003 An accessible

Christian survey of the history of philosophy tracing the journey of human thought about God the world and humanity's relation to both

From Conquest to Struggle David B. Batstone, 1991-01-01 This book goes to the very heart of the passionate debate over the true character of Christian faith and practice The advance of liberation theology in the Latin American church has caused international reverberations within both the religious and political worlds The Vatican was moved to denounce it as heretical and the Reagan Bush administration has deemed it a significant threat to the stability of the region Here Batstone evaluates the writings of liberation theologians as they consider the central figure of Christian faith Jesus of Nazareth and asks whether a message of liberation for the poor and oppressed actually springs from the life and teachings of Jesus or is merely a religious projection of activists bent on radical social transformation The judgment given to that issue will weigh heavily in the debate which currently rages in religious communities and seminaries over the political role and responsibility of the church Batstone's work links these discussions to the concrete lives of the Latin American people and in that sense goes beneath the text and examines the subtext of religious reflection Chapters present events and stories that originate in the daily realities of contemporary Latin America and then consider what connection these experiences have to the story of Jesus of Nazareth

Not My Fight Brian V.

Wieck, 2022-07-20 As Brian V Wieck wrote the papers that became the basis for his debut book *The War Within* he learned to forgive his offenders of their trespasses as well as himself of the sins he had committed against God As Brian continued to write he began to feel guilty and unworthy to be loved by God after so many years of anger and depression blamed directly on God How could God still love a long term sinner such as I he asked As Brian digs deeper into his spiritual needs he learns the role Jesus Christ plays in the forgiveness of sins It's the blood of Jesus that washes away our sins and makes us worthy to stand before God Bent but not broken Dinged but not destroyed Accepted loved and forgiven

Sider,2001-10-08 Sure to be considered a milestone in Reformation studies this book makes available for the first time in English select treatises of well known attacks and rejoinders of Karlstadt and Luther One chapter even provides a fascinating eyewitness account of their bitter confrontation at Jena The juxtaposition of their sharply articulated positions here amply cross referenced helps to focus not only on the points of divergence but also on the common commitments of these sixteenth century Reformers The editor s introductory material effectively places the conflict in historical and theological perspective In an interpretive essay Dr Sider contends that the violent quarrel between the two former colleagues was due not so much to theological disagreement as to differences over strategy and timing their celebrated battle being but one instance of an ongoing liberal radical debate waged even in our own time Sider s vigorous translations and provocative interpretations make the book invaluable as a primary source book as well as for its original analysis
