Resurrection Part One Acceptance:

A Theology of Paul the Apostle, Part One G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix The work Theology of Paul the Apostle is presented in two parts Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul's theology and the understandings of Paul must be established point by point Paul's theology has continuing relevance within the very different matrix of a postmodern world

How Do We Know the Bible is True Volume 1 Ken Ham, Bodie Hodge, 2011-07-01 Today there are untold voices in print on television and online calling for our attention and so many of these mock or belittle our faith From coworkers to those calling themselves Christians the tone has become one of reproach disparaging the character of God and undermining the authority of the Bible For those who have a heart for God it can be intimidating and discouraging How Do We Know the Bible is True is based on the absolute authority of God's Word not man centered explanations Clearly presented it will help bring clarity in a world filled with increasingly vague notions of truth Over 20 relevant issues are discussed including Is the Bible totally without error Did the resurrection really happen How do we know that the 66 books of the Bible are from God Does the Bible contradict itself How were people saved before Jesus came What is the purpose and meaning of life Did miracles really happen Was Genesis derived from ancient myths How should we interpret the Bible should Genesis be literal Do you have to believe in a young earth to be saved Within these pages you will find responses to those honest questions of faith helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith including Ken Ham John MacArthur Terry Mortenson Jason Lisle Brian Edwards Tommy Mitchell Jobe Martin Georgia Purdom Bodie Hodge and Roger Patterson

Deification and the Rule of Faith Daniel E. Wilson Ph.D., 2015-11-05 Evangelicals are often surprised or maybe even shocked whenever they encounter the early Church Fathers description of salvation in terms of deification divinization or apotheosis It was Athanasius the black dwarf the champion of Nicene orthodoxy who coined the phrase in his On the Incarnation God became man that man might become god Hundreds of years before Athanasius Irenaeus disciple of Polycarp disciple of the Apostle John wrote of Christ's salvific provision for humanity using similar deification type concepts Why did these Church Fathers use such seemingly foreign biblical concepts Could it be that influential theologian Adolf Harnack is right and these church Fathers implementation of deification reveal that the gospel changed from what Jesus originally intended after being exposed to Hellenistic culture Not at all at least that is what this work argues It does so first by comparing an overall understanding of deification in both Athanasius and Irenaeus respective writings This section encompasses the first three chapters which exhibit how the Fathers use of deification is immersed in their respective descriptions of salvation history the Trinity and

Christology Further this work assesses Harnacks proposal by comparing the Fathers respective descriptions of deification with that of many Greek and Roman philosophers Finally this work seeks to propose that both Irenaeus and Athanasius contextualize the gospel by comparing the Fathers respective descriptions of deification with their respective understandings of scriptural authority and the rule of faith
