Rethinking Abortion Pb 1999:

Rethinking Democratic Innovation Frank Hendriks, 2023-08-25 Rethinking Democratic Innovation takes a fresh look at diverging visions of improving democratic governance and asks whether these existing tensions could be made productive. Could different visions of democratic revitalisation complement and correct each other in ways that are good for democracy? Is it conceivable that combined approaches address a larger part of the democratic challenge while isolated approaches centralizing deliberative or plebiscitary democracy are confined to more limited areas of concern? This book ultimately provides an affirmative answer outlining the scope for hybrid democratic innovations that thrive on exploiting not eliminating tensions between diverging visions of improved democracy. Supplementing democratic theory with a cultural perspective, this book contributes to a deeper understanding of plans and methods geared toward improving democratic governance. Revisiting Mary Douglas's seminal take on culture as pollution, reduction processes of democratic innovation are understood as instances of cultural cleaning in public governance. The book recognizes that democratic cleaning will never be finished but can be done in ways that are more productive. Reflecting on varieties of hybrid democratic innovation: deliberative referendums, participatory budgeting, new style and more, the author posits that more versatile connective and embedded innovations stand a better chance of high performance on a broader spectrum than democratic innovations falling short of these qualities.

Jürgen Habermas Luca Corchia, 2010 Criminological Perspectives Eugene McLaughlin, John Muncie, 2013-02-20 This revised and expanded Third Edition of the internationally acclaimed *Criminological Perspectives* is the most comprehensive reader available in the field. Wide ranging and global in scope and coverage, *Criminological Perspectives* will enable you to critically engage with the various concepts and theoretical positions that you will encounter throughout your studies. In addition to essays that have had a seminal influence on the development of criminology, new articles have been included to cover topics of contemporary criminological significance including surveillance, digitized crime, terrorism and political violence, environmental crime, human trafficking, techno social networks, narco crime, global inequalities. The 56 articles are organised thematically, complete with introductions that place them in context and to illustrate the approaches taken by different schools of criminological thought. *Criminological Perspectives* will prove an indispensable resource whether you are studying criminology, criminal justice studies, socio legal studies, penology, security studies, surveillance studies or sociology.

Social Sciences Index, 2000 The Political Geographies of Pregnancy Laura R. Woliver, 2010-10-01 A searing study of how modern reproductive politics shapes women's bodily agency, *Pregnancy* indisputably takes place within a woman's body. But as reproductive power finds its way into the hands of medical professionals, lobbyists and policymakers, the geographies of pregnancy are shifting and the boundaries need to be redrawn, argues Laura R. Woliver. *The Political Geographies of Pregnancy* is a vigorous analysis of the ways modern reproductive politics are shaped by long standing debates on abortion and adoption, surrogacy arrangements, new reproductive

technologies medical surveillance and the mapping of the human genome Across a politically charged backdrop of reproductive issues Woliver exposes strategies that claim to uphold the best interests of children families and women but in reality complicate women s struggles to have control over their own bodies Utilizing feminist standpoint theory and promoting a feminist ethic of care Woliver looks at abortion politics modern adoption laws that cater to male headed families regulations that allow the state to monitor pregnant women but not always provide care for them and the power structures behind the seemingly benign world of egg selling and surrogate parenting She also considers the potentially staggering political implications of mapping the human genome and the exclusion of women s perspectives in discussions about legislation and advancements in reproductive technologies **Cumulated Index Medicus** ,1999 **Encyclopedia of**

Criminology J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field s multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field Rethinking the Mosaic Marcus Moench, Elisabeth Caspari, Ajaya Dixit, 1999

With reference to India and Nepal **Just Sex?** Nicola Gavey, 2018-10-26 In the award winning Just Sex The Cultural Scaffolding of Rape Nicola Gavey provides an extensive commentary on the existing literature on rape analysing recent research to examine the psychological and cultural conditions of possibility for contemporary sexual violence Just Sex argues that feminist theory on sexual victimization has gone both too far and not far enough It presents the reader with a challenging and original perspective on the issues of rape sex and the body incorporating new material on sexism misogyny and digital culture as well as debates over gendered analyses of sexual violence The second edition has been updated and expanded to be extremely timely and relevant with the most recent high profile rape cases the Stanford rape case and the Belfast rape case being tried in the media and online The rise of the Hollywood Harvey Weinstein scandal and the MeToo movement makes this book incredibly useful and necessary to those who are working within the area of sexual violence This

will appeal to academic readers studying psychology sociology and criminology as well as those looking into cultural influences on society It will also be very useful to those working in the professional sector on prevention and with people who have been subjected to sexual violence *Cultural Criminology* Jeff Ferrell,2017-07-05 Cultural criminology has now emerged as a distinct theoretical perspective and as a notable intellectual alternative to certain aspects of contemporary criminology Cultural criminology attempts to theorize the interplay of cultural processes media practices and crime the emotional and embodied dimensions of crime and victimization the particular characteristics of crime within late modern late capitalist culture and the role of criminology itself in constructing the reality of crime In this sense cultural criminology not only offers innovative theoretical models for making sense of crime criminality and crime control but presents as well a critical theory of criminology as a field of study This collection is designed to highlight each of these dimensions of cultural criminology its theoretical foundations its current theoretical trajectories and its broader theoretical critiques by presenting the best of cultural criminological work from the United States Europe Australia and elsewhere **Public Administration and Public Policy in Ireland** Maura Adshead,Michelle Millar,2003 A comprehensive introduction to public policy and administration in Ireland It covers all the main theories and methods associated with public administration and public policy and illustrates these with a wide variety of case studies Jürgen Habermas. A bibliography: works and studies (1952-2013) Luca Corchia,2013-09-30 **Sociology of Families** David M Newman,Elizabeth Grauerholz,2002-02-19 Sociology of Families Second Edition begins at the level of the individual by examining familiar contemporary issues topics students are likely to feel strongly about David Newman and Liz Grauerholz next show students the deeper and more detailed sociological underpinnings of the issues at hand using the theories and data of social sciences to understand the meaning and broader relevance of these controversies and experiences *The Rule of Law in Japan* Carl F. Goodman,2017-04-01 Practitioners who deal with Japanese law have put great store by earlier editions of this major work which systematically compares United States US law and Japanese law across all the major fields of legal practice This fourth revised edition updates the work with the continuing dramatic changes in Japan s legal system including changes in criminal trials disclosures to defense counsel of evidence to be used by the prosecution the increasing use of recordings of interrogation sessions and the impact of the indigenous movement for judicial reform All chapters have been updated In the fourth revised edition which follows the same comparative structure as formerly author Carl Goodman an internationally known authority with extensive experience in international practice university teaching in both Japan and the US and US government service takes expert stock of new developments including the following the Cabinet s Declaration reinterpreting the Renunciation of War Clause in the Constitution and legislation following such reinterpretation interpretation of new rules for international jurisdiction of Japanese courts including the new law s effect on mirror image lawsuits filed in Japan the Supreme Court s rulings dealing with the presumption of paternity the waiting period for remarriage after divorce and inheritance rights of out of wedlock

children international and domestic Japanese child custody unanticipated consequences of criminal trials before the new mixed lay professional panels debate concerning the Emperor's announcement of his desired abdication and an update of Japan's experiment with new graduate legal faculties Although the alteration of the legal landscape in Japan is highly visible the author does not hesitate to raise questions as to how far reaching the changes really are In almost every branch of the new Japanese legal practice he uncovers ways in which laws and judicial rulings are closely qualified and are likely to present challenges in any given case He reminds the reader in each chapter that what you see may not be what you get For this reason and for its comprehensive coverage this new edition is sure to gain new adherents as the best informed practical guide for non Japanese lawyers with dealings in Japan

Infancy and Earliest Childhood in the Roman World Maureen Carroll, 2018-03-01 Despite the developing emphasis in current scholarship on children in Roman culture there has been relatively little research to date on the role and significance of the youngest children within the family and in society This volume singles out this youngest age group the under one year olds in the first comprehensive study of infancy and earliest childhood to encompass the Roman Empire as a whole integrating social and cultural history with archaeological evidence funerary remains material culture and the iconography of infancy it explores how the very particular historical circumstances into which Roman children were born affected their lives as well as prevailing attitudes towards them Examination of these varied strands of evidence drawn from throughout the Roman world from the fourth century BC to the third century AD allows the rhetoric about earliest childhood in Roman texts to be more broadly contextualized and reveals the socio cultural developments that took place in parent child relationships over this period Presenting a fresh perspective on archaeological and historical debates the volume refutes the notion that high infant mortality conditioned Roman parents not to engage in the early life of their children or to view them or their deaths with indifference and concludes that even within the first weeks and months of life Roman children were invested with social and gendered identities and were perceived as having both personhood and value within society

A New Psychology of Women Hilary M. Lips, 2016-05-04 Rich original and transformative the latest edition of *A New Psychology of Women* examines how gender related expectations interact with other cultural assumptions and stereotypes and with social and economic conditions to affect women's experiences and behavior Absorbing narratives centered on essential topics in psychology and global research engage readers to grasp cutting edge insights into the psychological diversity of women Aware that our own cultural experience colors and limits what we think we know about people veteran educator and scholar Hilary Lips imbues her discussions with international examples and perspectives to provide an inclusive approach to the psychology of women A wide range of new and extensively updated topics optimize readers knowledge of how disparate perspectives from cultures throughout the world shape women's behavior and attitudes toward health care violence against women poverty labor force participation occupational segregation unpaid work stereotyping and discrimination expectations about power within marriage female genital

mutilation theories of gender development women s attitudes toward their bodies use of social media media portrayals of girls and women women in political leadership roles Among thoroughly updated topics particular to US culture are same sex marriage Latina women s issues the portrayal of women of different ethnic and cultural groups on television and breast cancer survival rates of African American and European American women Boxed items containing learning activities profiles of women who helped shape psychology and suggestions for making social changes appear throughout the text Each chapter concludes with discussion questions key terms suggestions for additional reading and Web resources Bibliografisch Repertorium Van de Wijsbegeerte ,2006 **Communication Yearbook 28** Pamela J. Kalbfleisch,2004-06-18 Communities are composed of connected individuals The communication that exists within about and between these communities is at the heart of Communication Yearbook 28 This book draws from the broad range encompassed by the communication discipline to review literature that has something to say about community and what the communication discipline has to contribute to understanding this human connection Offering state of the art research Communication Yearbook 28 presents an influence model addressing the most basic level of community the personal relationship the literature on romantic and parent child relationships at a distance community in terms of those working at home and telecommuting running home based businesses and participating in online communities the communicative venue for community building and fragmentation social capital and tolerance the literature on collaboration examining this communicative performance in community groups community as a foundation for the study of public relations theory and practice the visual images of community and what they suggest about these communities to those looking in from the outside the role new technology plays in maintaining community and community contexts This book is an important reference on current research for scholars and students in the social sciences Experimentalist Governance Bernardo Rangoi,2023 This book demonstrates the conditions trajectories and mechanisms of non hierarchical experimentalist governance Analysing five crucial domains electricity gas communications finance and pharmaceuticals in the European Union it examines when how and why non hierarchical institutions affect policy processes and outcomes **Multi-omics Study on Gut Microbiota Related to Faecal Microbiota Transplantation** Zhangran Chen,Yanling Wei,Jialiang Yang,Leyi Wang,Zeyou Chen,2022-07-18
